Saved at the Alamo Church

By Cynthia Reid

I was born in Gary, Indiana, and moved to Chicago at the age of five, in 1965, with my mother Ella, and my stepdad, being the oldest child. I had four brothers and one sister. Our parents were alcoholics. When they weren't drinking they sat in front of the T.V., mostly waiting for government handouts to get drunk again. My stepdad was an abuser. I was raised with no morals or love. I remember when I would be in my room looking through books, etc. for some sort of love or truth, I found the verse, "...For with God, nothing shall be impossible," and, "...For God so loved the world that He gave His only begotten Son, that whosoever believeth on Him should not perish but have everlasting life." I didn't believe it.

At thirteen or so I ran away from home to seek things out. I had always been a church hopper; I found no love or truth, only hypocrisy. I could not find the peace my mind and soul

Pastor Alamo,

Guatemala

With all pleasure and due respect, please allow me to salute you, even though we have never met before, but I look forward to doing so some day. May God Almighty continue to keep you from the murderous mission of the religious Catholic system. After my warm and sincere greetings, I tell you the following: Dear Pastor Alamo, I thank you for the

literature that you have labored

to send to me without any charge. You don't know how grateful I am and how thankful for these blessings. I was a Catholic preacher but now I've been converted to the glorious gospel of our

Guatemala Professor Manuel de Jesús Latín Ramirez's book entitled *Ecumenismo Mundial* attributes great help to his ministry through Pastor Alamo's anointed literature.

This is an excerpt from his book:

Pastor Alamo is the writer and publisher of many writings that have unmasked Roman Catholicism, such as *The Fugitive Pope*, *The Pope's Secrets*, and others. These writings have given rise to persecution from political authorities manipulated by the old Cult Awareness Network of the Roman Catholic church in the United States.

For many years I have been receiving the literature from Pastor Alamo whom I thank very much for

Professor Ramirez

sending that material at no cost. This literature has helped me so much in my ministry. As a Catholic preacher I was transformed by the power of the gospel of Jesus Christ, and God has called me to denounce the Roman falsehood and the dangerous ecumenicism in Guatemala. Through the prestigious literature of Pastor Alamo, I have been able to widen my knowledge with respect to the secret agencies of the Roman Catholic church, the which continue to persecute those who preach the truth.

(continued on page 8)

Lord Jesus Christ. Your literature has helped me out by increasing my knowledge about how blinded I was in Romanism. On the other hand, you should rejoice for all that has happened to you for preaching the truth. I know that humanly speaking, one can say it's not easy because I, too, have suffered persecution for preaching the truth here in Guatemala. Nevertheless, this cannot hinder us from doing our job which we were called by Christ to do. Pastor Alamo, I would like to keep a good and warm connection of communication with you and the Alamo churches in the United States. Please show me how this can be done. I'm the president of the evangelical churches called, "Defenders of the Truth" here in Guatemala. God, in His mercy, has given me economical help from brother M.L. in printing two pieces of literature which are blessings in Guatemala. Also, I beg your pardon, because I mentioned you in my book entitled, "Worldwide Ecumenicism," which I'm sending you a copy of.

Attentively,
Manuel Ramirez Villa Nueva, Guatemala

Dear Pastor Alamo,

Texas

In writing this letter, I wish you good health and favor from God. I found out about you through a friend, who like myself, is in prison. His name is F.S. I've come to find out that you provide gifts for unfortunate families who can't afford to buy them anything. Therefore, I'm asking you to put my family on your enormous list for presents. I also wanted to know what I need to do in order to get these presents to them as soon as possible. I'm awaiting your reply as soon as possible! I close here, my friend.

PASTOR ALAMO'S REPLY - Yes, we love to do this. We know what it's like to be in prison, to be away from your family and not be able to do anything for them. All you need to do is give us the age and the size of every boy and girl so we can tell what sort of toys they would like, and every adult in the family, because all of us are His children in the eyes of God, and evengrown ups like to receive

presents, the mother, the grandfather or grandmother or whoever is taking care of the children, or anyone that is in the neighborhood that needs help. We want to really help everybody that needs help. All the things that God has blessed us with we love to share them with as many people as we can. A lot of times, we don't have the exact toy, but if not, we just send them a bunch of toys on their birthdays and at Christmas time, or at any time that there's a need. It doesn't matter, it doesn't have to be a holiday. We'll send the package anywhere in the world, and we send them immediately. We don't go through any red tape. Also, if there are any other prisoners where you are or anywhere else that have similar problems, just let us know and we'll take care of it, if they'll send us all the same information. The sooner we get the information, the sooner we're going to be able to do something.

The devil “was cast out into the earth, and his angels were cast out with him” (Rev. 12:9).

Satan has deceived the whole world, with the exception of a few people on earth who fear God,¹ that is, who fear the truth of God’s Word and do everything it says because they are aware of the eternal condemnation revealed in God’s Word for all those who do not fear God and, as a result, do not keep His commandments.² “The fear of the Lord is the beginning of wisdom” (Psa. 111:10).³ “The fear of the Lord, that is wisdom” (Job 28:28), and “to obey [God’s Word] is better than [any] sacrifice” (I Sam. 15:22).

After we have asked Christ to save us from an eternity in Hell by washing all our former sins away with His precious, soul-cleansing blood,⁴ we are told clearly in God’s Word to never sin again.⁵ If we do, God assures us in His Word that the moral, condemning law will again condemn us to Hell forever for our new sin.⁶ In addition, all our former sins that God had forgiven will again be placed on our souls because we desire to be under the penalty of the law again.⁷ Then we will be once again in Satan’s prison house without the power of God to free us or pardon us.⁸ There will be no more forgiveness, no more removal of sins, and no possible way for us to enter Heaven.⁹

Esau, who loved this present world rather than the world to come, “was rejected [by God]: for he found no place of repentance, though he sought it carefully with tears” (Heb. 12:17). It is written, “There shall in no wise enter [the kingdom of Heaven] anything that is impure, nor will anyone who does what is shameful, or deceitful [those who lie]” (Rev. 21:27, Orig. and KJV text). “Outside [of Heaven] are the dogs, those who practice magic arts, the sexually immoral, the murderers, the idolaters and everyone who loves and practices falsehood” (Rev. 22:15, Orig. text).

Jesus commands everyone who has just been saved and cleansed from all their former sins to go and “sin no more, lest a worse thing come unto them” (John 5:14). This means if any willfully sin after they’ve been forgiven of all their former sins, there is no possible way they can be forgiven. Only a sin of ignorance can be forgiven.¹⁰ The moral law will condemn us once again if we willfully sin again, and this time we will be without remedy.¹¹ “For if

Dearest Pastor Tony and family,

Praises be to our Lord and personal Savior Jesus Christ for His great love for all of us. I wanted to give back all the glory and honor to His Majesty. I want to thank the Lord for giving this very wonderful chance of knowing you, your family, and the church all these years since 1994, when I was still in Saudi Arabia. Pastor Tony, thank you so much for the love of Jesus you have showed to me through your voice tapes (from inside prison) as well as the writing materials you have sent to me.

I’ve changed a lot, Pastor Tony! I’ve grown a lot with Jesus. All your advice to me has been my inspiration in knowing more about the Lord. Believe me, the Lord answers all my prayers and questions through His gospel. I became more and more aware of the Holy Spirit within me. By His grace, I’ve got a spiritual anointing to follow what He wanted me to be, not what I wanted to be. I’ve got so many persecutions in my life which God has allowed to happen as part of His plans in molding me. I’ve got a great deal of knowing myself more. God showed me the way and I’ve learned how to be more humble in all aspects of my Christian life. I became more sensitive to the will of the Holy Spirit. He readily convicts me if I’m going out of His way, may it be in my attitude, behavior, or ways of talking, as what the book of Job 5:17-18 said, “Blessed is the man whom God corrects, so do not despise the discipline of the Almighty. For He wounds, but He also binds up, He injures, but His hands also heal.”

we sin willfully after that we have received the knowledge of the truth, there remaineth no more sacrifice for sins, But a certain fearful looking for of judgment and fiery indignation” (Heb. 10:26-27).

I’ve written many pieces of literature regarding these truths which are written in God’s divine Word. I believe that 99 9/10% of all professing Christians have never been born-again of the Spirit. They’ve never been washed in the blood of Jesus, which would take their former sins away.¹² Nor have they ever been filled with the Spirit of the Triune God.¹³ Christ is not living and working with His life, power, and intelligence in them. Therefore, they are still accountable for every sin they’ve ever committed, as well as for the Adamic sin,¹⁴ and they have no power to resist sin, Satan, and the allurements of the world.¹⁵

Unconcerned false teachers and preachers have told them they are saved, cleansed, and

All my life I wanted to give my full life testimony in your church. I actually wrote a letter to my Aunt and Uncle regarding that invitation request, but I’m more hopeful if you could send me an invitation to any of your church conventions, for I’ll be leaving for the Philippines soon. I’m hoping I can pass by there in the States with your help by sending an invitation to me through the U.S. Embassy here in Oman. It doesn’t matter, even if I stay there for 2-3 days only, as

long as I can share my testimony about Jesus and I can see you personally, too.

I’ve received all the tapes you’ve sent me, which are the following: *Crucifixion Benefits of Regeneration, Psalms 119:9, Being guided by the Holy Spirit / Prayer, Faith, Let Him work, The Dispensing of the Divine Spirit, II Corinthians / Build the Church, Our Rewinding Daily, God Hates*

Sin. Those are the latest tapes I’ve received so far, and I thank you so much from the bottom of my heart. I loved all of them with the love of Jesus. I’ll write you again with more testimonies of my life here. I’ll be praying for you, Pastor Tony, and your family, and all my brothers and sisters at the Alamo Christian Church always, no matter what. I will never be the same as I was before, through your prayers and love extended to me, and above all, Jesus Christ’s love for all of us. Happy new millennium, and may the power and glory and precious name of Jesus be exalted forever and ever.

Shalom,

born again of the Spirit if they simply join their church or send them money. Because the Triune God’s life and power is not in them, they cannot cease from sinning.¹⁶ Therefore, they continue in sin, believing it is because God has no power, no wisdom, and no high intelligence to guide them into all truth.¹⁷ The abundance of false teachers, preachers, pastors, and prophets are guilty of causing this dilemma. The blood of millions of souls will be on their souls for having caused so many multitudes to enter Hell.¹⁸

Because these people cannot cease from sin even after they’re told they are saved, they feel there is no more repentance for them.¹⁹ They begin hating God because they don’t have His life, power, and intelligence living and working in and through them unto others. They think there is no God because they’ve never met Him. They’ve never received His life and power in them. They’ve never known

Dear brothers,

We are a group of brothers that congregate in a federal prison in the U.S.A. We each would like to receive a Bible. We are imprisoned in California, and this is the first federal prison in the hands of a private corporation, and due to its limitations, they have not been able to provide Spanish Bibles. So therefore we are asking if you could send us the Bibles. Beforehand we are thanking you, and give all the glory and honor to our Lord and Savior for His gentleness, love and generosity. Here is the ***Anyone ever requesting literature, Bibles, or cassettes, Pastor Alamo always instructs the church to send them to them immediately. list of brothers who would like to receive Bibles. One way to send the Bibles would be to send them to the chaplain. If you could send 20, 50 or 100 extra Bibles for people who newly give their lives to Him, this would be a great blessing, because we are not counting on getting Bibles from here. Please know that your labor is not in vain. Please let us know if you can do this for us or not. I love you in the Lord.

Dear Pastor Tony Alamo,

I just finished reading your literature entitled, *Troubles*, and I must say that I truly enjoyed it! It made me think about things in a way that I had never thought about them before, and I truly thank you for this. I received this literature from a friend of mine, and I would very much like to have a copy of it for myself. I would also appreciate any other literature that you could send to me. I have a couple of friends who would also like any literature that you could send to them also. We are born-again believers in Jesus Christ, and we would very much like to have any and all information that could bring us closer to Him. I would also like instructions on how to receive the baptism in the Holy Spirit and to receive more of God's holy nature. I would also like a copy of your book, *Messiah*, if possible. My friends and I are

incarcerated at the present time, and we would like very much to change our lives and make ourselves useful to God. I don't want to go back to my sinful way of life, and I know that with God's help, I won't have to. Praise God for that! I also wanted you to know that God was speaking to me through your literature. I had been wondering about how the people from the Old Testament would be saved, and I prayed to God to make this clear to me, and He did. I now realize this and a few other things that I didn't know before, and that no one seemed to be able to explain to me to my satisfaction. Thank you so much! I have enclosed my address and also the names of a few friends of mine, and would appreciate the literature that I requested. May God bless you!

Dear Brother Tony Alamo,

God bless you, and also the whole holy church in Jesus' name. Amen.

Well, brother Tony Alamo, thank you very much that you continue to send me your literature. I'm very glad to have been reading your literature. It has been helping me a lot to learn more of the Holy Word. Your message has been helping a lot of souls come to the Lord Jesus Christ. I believe you are a prophet of God, because you are speaking all of the truth. Brother Alamo, I want to tell you a little bit about myself. I was a very bad sinner. I never met a person on the streets to tell me about Jesus Christ. All the time I did bad things. For me everything was fun. I thought nobody could do anything to me, but now I understand the devil was in my life.

Since coming to this place I've been reading the Holy Word. Jesus Christ saved my soul. He died for my ugly sins. Now I am free. It doesn't matter if I am still here in this penitentiary, I am free from all my sins in Jesus' name. I know the Lord forgave all my sins because the Holy Spirit has been teaching me about the Holy Word.

Brother Alamo, pray for me to be strong in all temptations and not fall, because I want to be with Jesus Christ. Keep me in your prayers. I love you brother, and all the members of the Holy Alamo Church.

Your brother In Christ,

Dear Brother Alamo,

Continue steadfast in the ministry, and He is faithful to bless you. It's quite a while that I haven't written to you, but I want to thank you for the literature that you have sent me. I have studied the following literature that you have written: *Removing the Ugly Veil, Sons of God, God Has No Mother, Satan's Secret Agents, Flying Saucers are End Time Prophecy*, and the *Messiah* book. I have studied a lot of your materials, but know that there is much more, so if you could, be mindful to send me some more.

I'm a Colombian brother in prison. I'd like to be put in contact with a ministry in my country, and would like to know if they are coordinated with you in any way. Praise the Lord. I want to thank you for the studies found in the book called, *Messiah*. It has given me a lot of understanding about Joseph, Mary and Jesus, and the unity between Jesus being a Prophet, Priest, and King, amongst other titles. I want to tell you it is a joy to see the way the studies were written in such profoundness! Thank you again. Amen.

Brother Tony Alamo,

Grace and peace from God our Father and our Lord Jesus Christ to you and all the brethren in the Holy Alamo Christian Church. I write this letter to thank you and all the brethren, first because I received literature and a letter from you, and also because we received, once again, gifts for our children while we are incarcerated. This is the fourth consecutive year that our Father blesses us through your ministry. May our Lord Jesus Christ keep blessing you, your family and your ministry.

I don't know if you still remember me. My name is F. S., and I had the blessing of meeting you in prison at Florence, Colorado. I think you do, because I am always receiving your literature. I also want to ask you for a special request. There is a lady in Mexico who is interested in your sermons, but she doesn't know how to read. I want to know if it's possible that you can send her some recordings on cassette (in Spanish), so she can receive the marvelous gospel of Jesus Christ and also a Bible to the following believers. Thank you and may God bless you.

Thank you,

were yearning for, not in drugs or alcohol or anything or anyone. I even tried those prosperity messages on T.V., etc.

God, in His mercy for a wretch like me, started stripping me down of the cares of this life. I saw the love of many waxing cold before my eyes. Soon I took up my mother's way of life and got involved with a man worse than my stepdad. I can remember getting bashed around and scalded with hot water because my baby was crying. This man was heavily into drugs and alcohol for years. This left me with five unhappy kids that got taken away from me from 1984 to 1985. They were put in foster care. There were times I could have been killed by this man, but I had no power to break this satanic hold, and no control over my life.

In 1986 I was a miserable wretch. I had another baby named Antavia. When she was about two months old I remember being in a near vacant apartment. Though I doubted that He existed, I began to cry out to the Lord God, with all my being, to deliver me from this Hell on earth. Suddenly I felt such a supernatural assurance that God was there watching me cry out to Him, and I shut up in awe.

Dear Tony Alamo, World Pastor,

Many greetings to you and your dedicated family in the name of our wonderful God, and Savior, the Lord Jesus Christ. The Holy Spirit is making you mighty in these last days so I am very happy to write this letter to you. You are chosen vessels for the Lord's great work. I have read your great article which is "Dry Bones." It is very interesting to read, inspiring to my heart. The translator translated it very fair and neat into my mother language, Telugu. Thousands of thousands of people are accepting Him, that Jesus Christ is their personal Savior by your dynamic messages and your great testimony through tracts. Thank God. When I was reading your tract, tears came from my eyes. I am very wondered and well appreciating of your great ministry. I heard about your great ministry through overseer, Pastor Thomas Moses and other pastors. So I request you send more copies in English, and also accept me as one of you. I have family and a church. I beg you to pray more for us, as we pray for all of you, and do help as the Lord provides. I shall be very grateful and thankful to you. May the Lord Jesus Christ and the Holy Spirit make you mighty and wonderfully for the extension of His Kingdom of Heaven, and for His glory in these last days. Thanking you so much. Yours obediently,

Dear beloved Tony Alamo, World Pastor,

Greetings in Jesus' name. I am extremely happy to write this letter. I have received your good literature. Thank you very much for sending them. I have read your tracts and am equipped with your spiritual messages. In this new millennium with your tract a wonderful miracle happened in my ministry. I gave your package of tracts to one of our Hindu background engineers in my city. He read the *Convinced* tract and radically changed and accepted Jesus as his personal Savior. Praise the Lord for this wonderful miracle He has done in this boy's life.

In this new millennium your tracts will help in my ministry to win many souls for Christ. I would like to translate your literature into our own language (Telugu), which will be more effective to the people of my city. The mission of my ministry is to preach the gospel to the ends of the earth with loving, caring, sharing and bearing testimonies to all people, and preparing them for the return of our Lord Jesus Christ. We thank God for His calling upon us for the work of evangelism. Our motto is, "Preach the good news to the poor" Luke 4:18. Our ministry is pioneering and church planting; Matthew 16:18. Widow, orphan, and destitute

childcare, James 1:27, relief and refreshment work. Matthew 25:35-40. In my city ten religious people are residing. We have many villages surrounding my city. There is a great need to train native evangelists, who can work more effectively among their own people. At present ten evangelists are working in different places. We also have an orphan children ministry. As of this date we are taking care of thirty orphans, providing them shelter, food, clothing, and education; besides spiritual education. Our orphan children ministry is a channel to reach the unreached.

We are concentrating on village ministry. I have a burden for salvation and revival of our city. In this new millennium in such circumstances God has opened a channel through Alamo Christian Church. I would like to be a partner with you in His expansion of the Kingdom. Please send me more tracts and Bibles for free distribution. I want to print your witness in my language, so if you give me permission I will start this work at the earliest. It will be a great added blessing if you make a trip to my city and share your witness and spiritual message in this new millennium. If you want any other information regarding my ministry please do let me know. I will be eagerly waiting for your reply.

Dear Brother,

In the United States I don't have a hundred extra, qualified men to send to you. If you have several dedicated men in India, we will pay their expenses to come here and train them so they can go back to India and do the work that you are so inspired to do.

Sincerely yours,

Dear our beloved brother in Christ,

Receive our warm and joyous Christian greetings and God's blessings to you all and your ministries. Happy year 2000 to you all. Pray for me, for my work which I have here in Africa. Here in our Malawi and Mozambique churches, we are all busy praying for you all and your ministry, for the great works which you are still doing all around the whole world. May God bless you all and your ministry. Amen.

Thank you very, very much for your large box of tracts and free religious tapes which you sent to me and my ministry for free distribution. Therefore, all tracts which you sent to me I have shared in two countries of Africa, Malawi and our brothers and sisters of Mozambique. About 323 people got saved, praise God, because I had six revival meetings with my group of 48 men in Malawi and Mozambique.

Your tracts are needed here in Africa. Would you please try to help me with three large boxes of tracts and cassette tapes for free distribution? I am expecting to have some big crusades in six countries of Africa for sharing the Word of God, Mozambique, Tanzania, Burundi, Angola, Rwanda and Kenya, so in Jesus Christ's name, please try to help me with your cassette tapes, tracts, and Holy Bibles for free distribution.

Brother in Christ, pray for me and my ministry here in Africa. In October last year,

1999, I went to Mozambique for church services and I took two weeks time while I was working in Mozambique, but when I returned back home, I found all my house materials were stolen by robbers, and I have remaining only three pairs of clothing. I know that your ministry is responsible with gospel materials, e.g. booklets, cassette tapes, tracts and gospel materials, so please in Jesus Christ's name, try to help me with some used clothing, used shoes, used blankets and used bed sheets.

Here in Africa, I have got a great work. I am supporting some other children who have no parents, and these children are still living with me at my home. Here in Africa, I am working with my pastors and church elders, but I am not supported with any ministry. May God bless you all. Amen.

My dearly beloved Brother Alamo, Ghana

Greetings in the matchless name of our Lord and Savior, Jesus Christ, who loved us, saved us, and sent us to reach a world that is lost and dying without a redeemer. I got one of your pamphlets entitled, *Wait* from a friend of mine, and after reading it, I was inspired and motivated to request more for distribution. I am a gospel preacher. I preach at villages and the very remote areas. Here in Ghana, we have many false churches and false teachings. More preachers pervert the Bible, so we have much perversion of the Bible. They have twisted the true meaning of God's Word, and

have polluted, illusioned and brainwashed many souls. I would therefore be grateful to you if you would be kind enough to send us more of *Wait*, and other literatures. Please be kind to send more of any literature you have. Send us the *Messiah* book, showing Christ from the Old Testament, and also taped messages. If you can furnish us with good Bibles to be given to those who can't afford to obtain one, that also would help many. Thank you.

Yours faithfully,
Pastor P. K. A. Kumasi, Ghana

Saved at the Alamo Church

(continued from page 3)

Soon after this experience a lady from a shelter home gave me a toll-free number to the Tony and Susan Alamo Christian Foundation in Arkansas and told me, "Maybe these people can help you." When I talked to someone there she told me about the church and the plan of salvation. That was like cold waters to a thirsty soul. She led me through a "sinners' prayer." "My Lord and my God, have mercy on me, a sinner. I believe that Jesus Christ is the Son of the living God..." She also told me about church services in Chicago. They had services every day, twice on Sunday, and a twenty-four hour prayer chain. They fed, clothed, and housed people that wanted to lay down their lives to serve God. These people weren't playing church, they are the church the Bible speaks of.

In 1986 a tract called *Jesus Said that Satan Would Have a Church and Government* came out from Pastor Alamo's Church. It's no wonder I couldn't find truth, happiness, or peace in the world. The day

Dear Brother Tony Alamo,

May Almighty God keep you under the shadow and covert of His wings every day. I pray this in the marvelous name of Jesus Christ. I feel honored to be able to write you, and am thankful for the attention you give to my requests in sending me literature. The literature that you have written has been a real blessing in my life. My prayer is that He continue to bless you and make you prosper in your ministry. Many thanks for the book entitled, *Messiah*. It is a great treasure in my walk with the Lord. To have these holy scriptures of the Savior of the world revealed to the world is a tremendous blessing.

God bless you always for sharing what He has given you, and sharing it without any profit, benefit or gain for yourself in mind. Eternal Father, I beseech you to always bless my brother, Tony. May your Holy Spirit never leave him, I pray in the mighty name of Jesus Christ. Amen.

Pastor Alamo,

It is my pleasure to greet you in the blessed name of the Lord Jesus Christ, and greetings to your family and to your congregation in the Lord. Through reading your tracts, I can tell that your church is a big ministry that God has entrusted to you, and without a doubt, God is saving many souls, because here when I pass out the literature, it's taking much effect on people. Mostly, people seem to like your testimony and *Flying Saucers are End Time Prophecy*.

Brother, in the area where I work, there are a lot of people who accept Jesus Christ, and we'd like to give them a Bible. I'm requesting some Bibles, or whatever you can, along with tracts. Rosa Parrish is my cousin, and I told her that we needed a portable megaphone so I

before I came to the church I had no desire to drink beer, as I got more curious about this DREAM COME TRUE CHURCH and services at 8:00 PM.

When I walked in the doors of the church there was a Shekinah Glory on people's faces. These people knew the Lord. It was the Spirit of the Lord that bore witness that these were the children of God. They had a genuine concern for my soul, and my baby.

I never had a "born again" experience in the Baptist, Pentecostal, Catholic, Jehovah's Witness, or any other church. During services I heard miracles of salvation from all walks of life, how Jesus brought them out of sinful lives, and washed them in His Blood that He shed on the cross, when He conquered death, Hell, and the grave; and made them "new creatures" in Christ through His Gospel. I have seen one miracle after another, and the power of prayer since I've been saved.

After a message from God's Word, there was an

Dear Sir,

THIS IS MY CHALLENGE

I am an Indian, pure vegetarian, most forward community in Tamil Nadu, South India. I am a palmistry reader, numerologist, horoscope writer, witchcraft (satanic church) devotee, and Hinduism philosopher. I have been doing arguments with many pastors who are believing Jesus at Uganda. Nobody is perfect and could not be able to answer my questions. For the past four days, I am troubled with one man, who is coming in my dream and answering my questions. I asked that man, "Who are you? Are you Jesus? He told me, "I am not Jesus. I am Tony Alamo." Then I asked, "Who are you? I have not heard your name anywhere else." That man told, "I am the pastor. I will tell my address tomorrow."

I woke up immediately and did not sleep throughout the night. Next day, morning, I went through a street. At that my mind told me to take one bit of paper on the corner of a house. I took and read it and puzzled that it was the address of you, "Tony Alamo". Is it true why I have your address? I don't know. Immediately I am faxing this letter. Really you are true pastor and son of God, Jesus. Please, I want to see you immediately, not in photo, directly, face to face.

When I am writing this letter my two eyes are burning and could not able to continue. I stopped and started next day. Is it Satan's

could use it to preach in the streets of Tangis, because I've been preaching and it tires my voice. My cousin told me to ask you, my brother. So if you could, that blessing would be very good and by faith we are waiting for it. We are opening a new church and I want to let you know that this is the mission that needs financial help. The roof has completely fallen, and acting in faith, could you help us in a love

altar call. I wanted to make sure I got what these people had, and I didn't mind saying the sinners' prayer again. The windows of Heaven opened up. I knew I was saved and Jesus wanted me here. Jesus alone washed all that sin, doubt, and darkness away in His precious blood. Jesus broke that satanic hold that the devil had on me (Only the Lord can do this!!!) and He filled me with His light.

Soon after I moved into the church the Lord sent in an amazing amount of diapers for my baby. My faith was built up from this donation. He is still a faith builder. He's the same yesterday and today and forever. Thank you Jesus! I found Your way, Your salvation, Your mercy, Your church, Your Spirit, Your truth, Your fear, Your faith and strength, Your promise, and a desire to see souls saved from that burning Hell You prepared for the devil, his angels, and all those that reject God.

I have found this truth only at the Holy Alamo Church. Tony Alamo obviously is of the Lord, and he preaches the truth in love for souls. That's

(devil's) force?

I am an electrical engineer working in a tea factory as a manager (making CTC teas). If my dreams are true, if your Jesus is true, if your address is true, please arrange to come over here. I want to discuss with you very soon. I don't want your Bible or advice letter. Reply immediately either phone or fax or DHL courier without fail. Please fax your reply through immediately without fail. If I see your face and physique is correct, I will accept your Jesus and preach the Gospel and convert all my community peoples immediately. Please don't forget to reply this fax and send Visa and ticket. If your face is same as what I have seen in my dream, I will give all money which you paid for me.

Daily your face is coming in my dream and disturbing me at night. "Go and meet this holy man immediately. He will help you and guide you in My way" The above sound/voice is in my dream.

No - I don't want your photo. I have to see you in any conditions. I have to see whether your God is true or not. If it is true, I will convert all my community people (65% of India) immediately and will work under your ministry.

Please don't cheat me. I want to see your God through your face. Your face and physique is always in my mind and heart.

offering? The Bible states he who asks receives. I don't know why, but I have faith that you all will help me. Glory to God.

Please let my cousin know and share it with your congregation. God will repay you back. Very soon, I'll send you a photo of the ministry here in Tangis, and also of the small church that we have. God bless you very much.

why Tony Alamo's church gets so much persecution from the devil. The Bible says all that live godly in Christ Jesus shall suffer persecution. I have a Heaven to gain and a Hell to shun because the Bible says they exist. Love is the keeping of God's commandments, and Christ gives us the power to do it. My five unsaved children (now ranging from 14 to 23) are under the promise that God will save my whole house, as I remain faithful to Him.

Now I have a dedicated husband and four more happy children besides Antavia. We have everything, because we have Christ. Thank God for a heart to serve Him. My children are taught right from wrong. They are raised in the fear and admonition of the Lord. Jesus is the way, the truth, and the life, and can be yours also. Get saved. Why die ye? There's life in Jesus Christ. To God be the glory for this soul-winning ministry He raised up through Tony and Susan Alamo. Praise the Lord.

Professor Ramirez (Continued from page 1)

On a personal note, I congratulate Pastor Alamo for his loyalty to the truth of the gospel of Jesus Christ and his courage as a true Jewish Israelite in confronting the great religious, political, economic and socialist giant Goliath such as the Roman Catholic church is.

Pastor Alamo has had to face diverse charges and a series of false accusations, and finally wound up in prison, all because of his truthful writings which have angered the old Cult Awareness Network of the Roman Catholic church in the United States of North America.

By way of these short lines, we express to Pastor Alamo, on behalf of the Defenders of the Truth churches in Guatemala, which God has allowed me to be president of, our support and solidarity to the Alamo Churches in the United States, and we pray for them so that they faint not, but on the contrary, continue the war against the giant Goliath who continues to defy the true people of God (Christians and Jews) from Vatican City in Rome.

I also want to express that on more than one occasion, attempts have been made on my life and I have received phone calls with threats on my life. However, I believe that NO ONE DIES BEFORE THEIR TIME, and that God is our Shield and our Strength. Amen.

Him.²⁰ God's Spirit is not mingled with theirs in holy matrimony for the purpose of doing His will on earth as it is in Heaven.²¹ They should have read the Word of God, the Truth, for themselves rather than receiving a lie from others. When, like Eve, they have been deceived, they go on to become evangelists for the devil, just as the Apostle Paul before his conversion. If this has been the case with you, let me tell you there is good news for you. There is great hope for those of you who thought you were saved but never were, just like the Apostle Paul, a devout religionist, thought he was saved because he was a Jew, a Pharisee, until Christ revealed Himself in a supernatural way unto him. The Apostle Paul stated that he was the chief of sinners because he persecuted the saints of God.²² This very moment you can be saved, just as the chief of all sinners, Paul, was forgiven and saved.²³ You will experience the tremendous life and power of God living and working both in you and through you unto others.²⁴

Our church receives much mail with thousands of requests for Bibles and literature. Much of our literature is printed in Hebrew, Spanish, French, Italian, German, Russian, Chinese, Telugu, Hindi, Marathi, Bengali and Nepali. Distributors for Alamo literature are on the increase every day throughout the world.

Dear Pastor,

Two weeks prior to receiving the message that you brought to me on healing, I was reading and listening to many messages about healing. One in particular was a tape entitled *Christmas Messages 1994*. You said on the tape that we can't focus on the disease or the circumstance(s), but we have to focus on the **tremendous** healing power of **God!** lest our faith be dampened and our doubts be increased. This really hit home! I honed in on this, and applied with all I could. Then the Lord kept impressing upon me the scripture, "As a man thinketh in his heart so is he." Then when Lydia was giving me the message you brought from the Lord, you stated the exact same scripture. It was the very message my soul was longing for. Then, **Boom!!** It hit me right in the chest and throughout my whole body! **Healing!** I was doing a Christmas shopping ride at the time,

and you can ask my wife, I was one happy, victorious, healed man! I was walking up and down the mall hugging my wife and praising and thanking the Lord! Praise the name of Jesus! And thank you for walking in the Spirit! I quit taking the hypertension medication, and am doing great. My blood pressure is excellent! All the symptoms went away! All glory to Jesus. No more hospital for me!

I have lost about 48 lbs. on the diet and exercise program you have me on. I plan to lose a little more. I also know I have to keep this weight off. I would love to stay on this diet indefinitely if I may. Also I am almost out of the bucket of protein you sent me, which I am very thankful for. If there is any more available I could sure use some. Praise the Lord. Thanks for everything!

Beloved brothers in the Lord,

It is a pleasure to cordially greet you in the name of the Father, and pray that God bless you abundantly. The tracts that you've been sending me in past months have been a blessing to me, and I am most grateful to have received them. The people that have received them have been blessed by them, and were very thankful to have received them also. They have been asking me for more tracts so they can give them to other people. The church here in Colombia is growing, and we have the freedom to distribute the Word of God. I don't know if you'll be able to send me some more of this Bread of Life, there is much hunger. He knows how to bless you a hundredfold. We're needing many Bibles for the poor people. Please, if you can, send them. God bless you.

Prayer

My Lord and my God, have mercy upon my soul, a sinner.¹ I believe that Jesus Christ is the Son of the Living God.² I believe that He died on the cross and shed His precious blood for the forgiveness of all my sins.³ I believe that God raised Jesus from the dead by the power of the Holy Spirit⁴ and that He sits on the right hand of God at this moment, hearing my confession of sin and this prayer.⁵ I open up the door of my heart and I invite You into my heart, Lord Jesus.⁶ Wash all of my filthy sins away in the precious blood that You shed in my place on the cross at Calvary.⁷ You will not turn me away, Lord Jesus; You will forgive my sins and save my soul. I know because Your Word, the Bible says so.⁸ Your Word says that You will turn no one away, and that includes me.⁹ Therefore, I know that You have heard me, and I know that You have answered me, and I know that I am saved.¹⁰ And I thank You, Lord Jesus, for saving my soul, and I will show my thankfulness by doing as You command and sin no more.¹¹
