ANOTHER PEARL HARBOR

By Tony Alamo

God is one thing, and country is quite another. When the leaders of a country are hypocrites, when they are subversive to God and country under the guise of being for God and country, they and their country will be destroyed by God. Pray and meditate long on what I am saying. If we continue allowing godlessness and treason to exist in the United States and the rest of the world, the country, and the entire world is doomed. God wants me to let you know that doom is imminent. I believe this is why God has told me to warn every American and all the godless, subversive people in the world, all those who say they are godly and patriotic but are not, that He is going to destroy all of you soon for your hypocrisy. God will Himself personally do it. God has always condemned the one-world government, the one-world secular church, and the propagandists who are controlled by it, just as He condemned those who were building a one-world government at the tower of Babel.¹ He knows when ungodly men gather together with the idea that they are greater than God as they did at the tower of Babel, that it is Satan causing them to do this.^{1A} He came down at Babel and

Dear Pastor Alamo,

My heart was filled with joy when I took my pen on paper to write you this letter. I hope everything is going on well with you and your ministry, since the Almighty God is still on His powerful throne. Pastor, thanks a lot for the good work you have been doing worldwide. I say God bless you and your ministry.

Sir, as I said the last time I wrote you that I was once a Muslim, but now am a Christian. Pastor, my mother was seriously sick and was admitted at the hospital. She was dying and there was nothing the doctors could do. Many Muslims came there and did all that they could do to heal her, but they weren't able. Later, I sent in some of our church members, including myself, to pray for her, but we were not allowed. But I went to her without my father's idea and prayed for her. After praying, I gave her your book

This is the twenty-first in a series of excerpts from Pastor Alamo's book, *The Messiah*, to be continued in each issue until the book is complete.

The Messiah

According to Bible Prophecy

"To HIM give all the prophets witness"
(Acts 10:43). "In the volume of the Book it is written of Me" (Psalm 40:7, Hebrews 10:7).

IV. PROPHECIES CONCERNING THE SUFFERINGS, DEATH, AND RESURRECTION OF THE MESSIAH (CHRIST)

An Examination of:

(A) Psalm 22 (B) Isaiah 53

(B) Isaiah 53 (continued)

The prophecy begins with the words, "BEHOLD, MY SERVANT," and that is the subject of this entire section, Isaiah 52:13-53:12. It is a graphic portrayal of:

The Suffering Messiah... "Jehovah's Servant"

The first question to be answered is: "Of whom speaketh the prophet this? of himself, or of some other man?" (Acts 8:34).

DEMONSTRATING A LIFE OF SAINTHOOD

By Tony Alamo

This is especially for those who desire to cherish and to promote the Spirit of the primitive church life, the life of being an organic working member of Christ. This is for the prosperity of the pure and undefiled church life.

On the day of judgment we shall account for our life. It will be a plain and undisguised view of our worthiness or unworthiness in all parts of our service to the church for Christ. It will be a view of our public as well as our private lives and inward trials, showing whether we have faithfully demonstrated our wholeness of piety through our living temple, which is sacred to God, and whether or not we have, with joy and with happiness, instructed mankind in the ways of godliness and eternal life.

I have dedicated myself without reserve to the Lord's service so I can "spend and be spent" for the welfare of my fellow creatures (II Cor. 12:15). I endeavor to promote the gospel of God's Son through the ability of the power God has given in me.

It is impossible for anyone to find a true born-of-the-water and of-the-Spirit person who is without humility. Our eyes are opened

by the Spirit, the divine life and power of God's life in us. Without God's Holy Spirit constantly flowing through us, our flesh is far from being humble. Apostasy lies in the flesh, which makes carnal ones think themselves worthy of the air they breathe. When our eyes are opened by the influence of God's divine life and power, we are able to begin thinking of ourselves as we should. Then and only then do we begin to know that God is everything, and that we are less than nothing. When you become humble, it will bring peace, which is rest for your soul. May God, for your sake and for the sake of the expansion of His church, His body, that is, for the sake of His precious Son, give this humility to you, to me, and to everyone else so that we may all enjoy the rest and peace of the Lord.

I do not humble myself before God to please man. I humble myself to please God. I like and love to please God. The kings of the earth are much too engaged in the affairs of the temporal things of this temporal world. We must pray for them so that when they enter the ministry, they may be wholly engaged in the things of the ministry.

confounded them. Before this, the people of the world all spoke the same language. God caused them to speak many languages. Again, the people of the world have given God no alternative but to destroy their evil works. When God does this, when this happens, you will realize too late that God is the one who has sent me to the entire world with this message of His wrath.

In the New Testament, in the book of Acts, Stephen [a man full of faith and the Holy Spirit] was exhibiting God's power and love by keeping God's commandments in everything he did.² Everyone knew him because of the amazing miracles Christ performed through him and because of the way he helped people who were in need.^{2A} His job was to make sure that no one [especially widows] was overlooked in the distribution of food.³ He also proclaimed the good news of Jesus with the boldness and the power of the Holy Spirit.⁴

Stephen did not merely preach the gospel of the Lord Jesus Christ. He also publicly demonstrated God's message and life through the miracles Christ performed through him in the name of Jesus.⁵ The religious leaders, who ran the secular government in those days, tried to disprove the true message about Jesus Christ. However, they were not able to stand against Stephen's wisdom or against the Spirit of God, which was mingled with his spirit.⁶ So they lied about him, that they might have him arrested and brought before the council of the religious leaders. Stephen, in the love of Christ even towards his enemies, responded to their inquisition by telling them the history of the Hebrew people. He began with Abraham, told them of Moses, then spoke of the coming of Christ, the Messiah, the atoning Savior of the world. Stephen, by the Spirit of Christ, concluded with a verbal Holy Spirit attack on the religious-secular leaders, who, like many of their ancestors, resisted the essential message of God's revealed Word and the leadership of the Holy Spirit.⁷

These loving words of Stephen by the Holy Spirit angered the Jewish leaders. This was because he told them God "is terrible to the kings of the earth," and God "is terrible in His doing toward the children of men" (Psa. 76:12, 66:5). He said they should repent of their evil, so that God would not destroy them and put their souls in Hell and in the lake of fire forever.⁸ He told them how the Pharaoh in Egypt in the days of Moses mistreated the people of God, and how God punished the Pharaoh for this by destroying the entire nation, including the deaths of all their firstborn children and the drowning of the entire Egyptian army.⁹ When they were killing Stephen, he called upon God to receive his spirit and to forgive the people who were killing him.¹⁰

Many who profess themselves to be members of Christ's body are not like Stephen. They retain grudges and former hurts.¹¹ They allow these, rather than the Spirit of Christ in God, to control their lives. When they do this, it is impossible for them to recover and become complete. When we surrender and trust our lives to God's hand, we will live and die with joy, knowing that God will take care of the details which are out of our control.¹²

Stephen, a Spirit-filled deacon in the New Testament, tells us, and we are to tell others, that God is terrible to the kings of the earth. God wants me to tell you that in many places of God's Word He states, "He is terrible to the [wicked] kings of the earth" (Psa. 76:12).¹³ Also, "[God] is terrible in His doing toward the [wicked] children of men" (Psa. 66:5).¹⁴ God is terrible towards the evil children of men who obey wicked, unrighteous kings, generals, captains, lieutenants, sergeants, their media, and their cult in Rome, rather than obeying God.¹⁵ These individuals leave the things of God to follow the evil kings of the earth, whom God shall soon destroy.¹⁶ The Lord told me to write this literature for the kings of the world and the people of the world. I am to warn them of God's wrath towards them, which is soon to come.¹⁷

God said, "Hear therefore, O ye kings, and understand; learn, ye that be judges of the ends

of the earth. Give ear, ye that rule the people, and glory in the multitude of nations. For power is given you of the Lord, and sovereignty from the Highest, who shall try your works, and search out your counsels. Because, being [secular] ministers of [the earth], ye have not judged aright, nor kept the law, nor walked after the counsel of God; Horribly and speedily shall He come upon you: for a sharp judgment shall be to them that be in high places. For mercy will soon pardon the meanest: but mighty men shall be mightily tormented. For He which is Lord over all shall fear no man's person, neither shall He stand in awe of any man's greatness: for He hath made the small and great, and careth for all alike. But a sore trial shall come upon the mighty. Unto you therefore, O kings, do I speak, that ye may learn wisdom, and not fall away. For they that keep holiness holly shall be judged holy: and they that have learned such things shall find what to answer. Wherefore set your affection upon My words" (The Wisdom of Solomon 6:1-11).

"The Lord will be terrible unto [all the wicked, both small and great]: for He will famish all the gods of the earth" (Zeph. 2:11). Whether you are a small, unrepentant, evil person in this world or an unrepentant, evil king, it will be "a fearful thing [for you when you] fall into the hands of the living God [the real living God, the God who says He is a terrible God, the God who is a real terrorist towards all who are evil¹⁸]" (Heb. 10:31). Evil, to God, is anyone who doesn't do everything He says.¹⁹ Jesus said, "Ye are My friends, if ye do whatsoever I command you" (John 15:14). "He that saith, I know Him, and keepeth not His commandments, is a liar, and the truth is not in him" (I John 2:4). In Acts 5:29, when the evil authorities commanded the apostles not to preach the gospel of our Lord Jesus Christ any longer, the apostles answered them, saying, "We must obey God, rather than any human authority" (Greek-English New Testament).²⁰ Today, the true people of the Lord will tell the evil, worldly authorities, those who don't care whether or not they spend eternity in Hell, the same thing.²¹

Rome and her false prophets, who disguise themselves as children of the Lord or fundamentalists, have been preaching a Jesus and a God who do not exist.²² This cult and her false prophets, according to God's Word, are all anti-Christians.²³ God has called me to tell you about the real God and the real Jesus in His Word by the Holy Spirit.²⁴ I am to tell you that Jesus Christ is coming back to earth again, and that He shall

entitled *The Messiah* to read. After two days, she was fit as a fiddle and came back home. I encouraged her to keep reading the book. I invited her to church and she got saved. She attended church with me, then she went to my father and shared the Word of God with him and then prayed for him. He then declared that we are all Christians and got baptized, praise the Almighty God! Still, the Muslims are trying to bring us back, but we

give them no chance, and we are still praying to God to help us. Pastor, I'm pleading to you that you send us seven Bibles for my family and one neighbor, which will make us grow spiritually in Christ. I would like to end here and take this opportunity to say a big "thank you" to you and your ministry. God richly bless you.

Yours in Christ,

be back sooner than you think,²⁵ with good rewards for all those who loved Him and kept His commandments, and with great wrath for all those who did not repent or keep His commandments.²⁶ But before this happens, there is wrath that is coming.²⁷

THE PLAGUES ARE COMING

This world is about to receive the first seven of the fourteen plagues mentioned in Revelation chapter eight, verse seven through chapter eleven, verse nineteen. The other seven plagues will follow immediately after.²⁸ In the first seven plagues, several billion people will be slain.²⁹ More than one half the world population will be destroyed with the first seven plagues.³⁰ There will be hail, fire, and blood. All vegetation will burn. A huge meteorite, as big as a mountain, will make the sea turn to blood, and one third of the creatures in the sea will die. Then one third of all the ships will be destroyed, and all the rivers and waters will turn to wormwood. They will be undrinkable. Millions will die from the water and the resulting pollution. One third of the sun, moon, and stars shall soon be darkened (Rev. 8:7-12).

Huge, demonic locusts shall rise out of the bottomless pit, accompanied by so much smoke that the sun and the air will be darkened.³¹ These locusts will have a king, a leader, and have the same power as scorpions. They shall be commanded to hurt only those men which do not have the seal of God on their foreheads, that is, those who are not born of water and of the Spirit of Christ (Rev. 9:2-4).³² The children of Satan will have the seal of Satan placed on their foreheads or their right hands by men, but the seal of God on His children's foreheads is put there by the Holy Spirit.³³ Their sins have been washed away with the blood of Christ Jesus, and they are filled with God's Holy Spirit.³⁴ God knows them very well.³⁵ The seal on the foreheads of Christ's followers is the mind of Christ.³⁶ God sees who they are. He knows them, and they know Him because He lives and works within every one of them.³⁷

The Bible, God's Word, says the locusts will not kill these wicked men, but shall torment them for five months. Their pain will be so awful that they will seek death, but be unable to find it. "Death shall flee from them" (Rev. 9:6). These locust-like beings look like horses prepared for battle, and wear crowns like gold. Their faces will be like men. They will have hair like women, the teeth of lions, and breastplates of iron. Their wings will sound like chariots and

many horses running to battle. They will have tails like scorpions with stingers. God will give them the power to hurt the wicked men of the earth for five months (Rev. 9:1-11).

Four of God's angels shall slay one third of all mankind.³⁸ If the world population is six billion people, two billion will be killed. If the world population is eight or nine billion, there will be around three billion people destroyed by God's four angels and their "army of two hundred thousand thousand" ecclesiastical horse-men wearing breastplates of fire, jacinth, and brimstone.³⁹ The heads of the horses will look like the heads of lions, and fire, smoke and brimstone will pour out of these supernatural beings' mouths. By these three will one third of mankind be killed: through the fire, smoke, and brimstone issuing out of their mouths. Their power is in their mouths. Their tails are like to serpents. They have "heads, and with them they do hurt" (Rev. 9:13-19).

Immediately after this, the Angel of the Lord will descend from Heaven and state "that there should be time no longer" (Rev. 10:6). Just before God gives power unto His two witnesses, as prophesied in chapter eleven of Revelation, a "mighty Angel [which is actually the Angel of the Lord, the Lord Himself]...clothed with a cloud: and a rainbow was upon His head, and His face was as it were the sun, and His feet as pillars of fire...and He set His right foot upon the sea, and His left foot on the earth [here Jesus is signifying ownership of the earth, both land and sea⁴⁰]...And cried with a loud voice, as when a lion roareth...[and] lifted up His hand to Heaven, And swore by Him that live[s] for ever and ever, who created Heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, that there should be time no longer. [Time no longer means the end of time. We are living very close to that moment, which is the very end of time.⁴¹] But in the days of the voice of the seventh angel, [just after the death, resurrection, and ascension into Heaven of the two witnesses] when [the seventh angel] shall begin to sound, the mystery of God should be finished, as He hath declared to His servants the prophets" (Rev. 10:1-3, 5-7). People who study the Scriptures know that there are very few mysteries of God left.⁴²

God's Word says all "peace [shall be taken] from the earth" (Rev. 6:4). This has already happened to the wicked. "The wicked are like the troubled sea, when it cannot rest, whose waters cast up mire and dirt. There is no peace, saith

my God, to the wicked" (Isa. 57:20-21). Today, we can see the very end of the setting up of "the abomination that maketh desolate" before our very eyes (Dan. 12:11).⁴³ This shows how close we are to the last seconds of time. Jesus said when we see this, it is the end of time.⁴⁴

IT'S HERE – THE ABOMINATION THAT MAKETH DESOLATE

Today, the secular powers-that-be have made reading the Bible a sin. It is against their secular law. This is one of "the abomination[s] that maketh desolate" (Dan. 11:31). They have made praying a sin because it is against their secular law. This is another "abomination that maketh desolate." They know that when we pray, God comes to our defense.⁴⁵ "For the eyes of the Lord are over the righteous, and His ears are open unto their prayers: but the face of the Lord is against them that do evil. And who is he that will harm you, if ye [would] be followers of that which is good?" (I Pet. 3:12-13). He avenges us.⁴⁶ "But if thou shalt indeed obey His voice, and do all that I [God] speak; then I will be an enemy unto thine enemies, and an adversary unto thine adversaries" (Ex. 23:22). We are never to avenge ourselves.⁴⁷ This is the one true way that members of Christ's body can prevail in their war with the evil ones, those whose father is the devil.⁴⁸ These evil ones say the Almighty God is sinful because He's against the secular law. This is also an "abomination that maketh desolate." They say that God's law, which is the way we are to conduct ourselves in this world, is evil because it is against their (Satan's) secular law, and they have made God's people, the ones who carry the truth of the gospel to the world, evil, because God's people will not obey the things in the secular law that are contrary to God's law, which is the real law of the entire universe. The Antichrist "shall speak great words against the Most High, and shall wear out the saints of the Most High, and think to change times and laws" (Dan. 7:25). Isaiah states, "Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter! Woe unto them that are wise in their own eyes, and prudent in their own sight!...Which justify the wicked for reward, and take away the righteousness of the righteous from him! Therefore as the fire devoureth the stubble, and the flame consumeth the chaff, so their root shall be as rottenness, and their blossom shall go up as dust: because they have cast away the law of the Lord of hosts, and despised the Word of the Holy One of Israel" (Isa. 5:20-21, 23-24).

ANOTHER PEARL HARBOR

(Continued from page 3)

What they're doing to God's Word and God's children are also "abomination[s] that maketh desolate." Again, the things that the people of the world consider law are contrary to God's law. These are things such as abortion, homosexuality, idolatry, witchcraft, lying, paid false witnesses, and the forbidding of marriage.⁴⁹ The Word of God says that the forbiddance of God's lawful marriage is the "doctrines of devils."⁵⁰ God hates these secular laws because the things that are not of God in this secular world are of the devil.⁵¹ All these are also "abomination[s] that maketh desolate." Today we see the laws of sin and death being kept.⁵² The laws of the devil have become the laws of the land and of the world. But God's law never changes.⁵³ It is the same yesterday and today, as it will be on the Day of Judgment.⁵⁴

"One of the most common areas that we compromise in is not labeling sin for what it is. And if we get weak in this area, it's not long until outright sin is acceptable," states Pastor/Evangelist Roman Kauffman. "Let me give you a few examples of this. Today, sin is no longer identified by its true name. People can't stand it. It's too convicting to identify sin for what it is, and so it's no longer identified by its true name. And Satan likes to disguise it with modern-day terms. Stealing is having long fingers; fornication is considered having a live-in; adultery is having an affair; perversion is called an alternative life-style; killing unborn children is called a choice; profanity and pornography are labeled freedom of expression. And before any of you think tonight that you're not involved in this kind of compromise, let me bring you close to home. Covetousness is considered to be ambition; discouragement is called the blues rather than a lack of faith; being a busybody and a talebearer is called overzealous; and a lie is just fibbing or joking. Does that sound familiar? I'm amazed at how many of God's people are involved in this. This is what can happen when we seek the honor of men rather than the honor of God."⁵⁵ I agree with the pastor one thousand percent. Jesus said, "Think not that I am come to

destroy the law, or the prophets: I am not come to destroy, but to fulfil" (Matt. 5:17). Jesus is saying here that He in a human body will show the world that the law can be more than kept if the Triune God is living in them.⁵⁶

THE GRAND TERRORIST

The Bible not only tells us that Jesus is God,⁵⁷ a terrible God to wickedness, it tells us He is a terrorist to those who are unrepentant sinners.⁵⁸ The Apostle Paul stated, "Knowing therefore the terror of the Lord, we persuade men" (II Cor. 5:11).⁵⁹ Paul also stated that he makes himself keep God's commandments, "Lest that by any means, when I have preached to others, I myself should be a castaway" (I Cor. 9:27). With this statement, Paul tells us that God is demanding and strict with everyone, including those who are "the rulers of the darkness of this world, against spiritual wickedness in high places" (Eph. 6:12).⁶⁰ This means God is terrible to not only the wicked kings of the earth but to all others who are wicked.⁶¹ It is written, "There is no respect of persons with God" (Rom. 2:11).⁶² "Judgment must begin at the house of God" (I Pet. 4:17). After having written approximately two thirds of the New Testament, Paul stated that if he wouldn't continue preaching the gospel in the Holy Spirit, he, like any other disobedient person, would be sent to Hell.⁶³

The Word of the terrible God, the real God, states "He is terrible to the kings of the earth" (Psa. 76:12). The Word commands us to pray to God the Father by the Spirit in the name of Jesus that our enemies should be saved.⁶⁴ If they won't repent and receive the gospel of the Lord Jesus Christ, they will be included with those who shall be killed by the soon-coming plagues in the book of Revelation that I have just mentioned. Then they'll be sent to Hell, and finally, to the lake of fire for eternity.⁶⁵

The real God told us to pray to Him in the time of trouble (Jer. 30:7). If we do, He will hear us, answer us, deliver us, and fight for us.⁶⁶ We, who are the children of the Most High,⁶⁷ are living in a time of many troubles.⁶⁸ The entire world population is living in a time of many troubles. If we pray to God, as the prophets and apostles did in their times of trouble, God will

either save or destroy His and our enemies, just as He destroyed theirs.⁶⁹ I have to keep repeating this. God is "the same yesterday, and to day, and for ever" (Heb. 13:8).⁷⁰ God will destroy the evil kings, the kings who have changed the law of God to the law of Satan in hopes of arresting God's children on false charges and bringing them into their courtrooms, where they will be lied about so that they might be imprisoned or even put to death.⁷¹ They think that by doing this, they can destroy God's people and God's work. However, they greatly underestimate God, who sees all their moves, and they greatly underestimate the power of prayer, the prayers sent to God by His children.⁷²

The great power of God in His children is seen when they are united together as an army of prayer warriors, a nation of born-again kings and priests who approach and bombard the throne of God with their petitions both in the blood of Jesus and in the name of Jesus.⁷³ Jesus said we are to "pray always" for the salvation of souls (Luke 21:36). If the wicked don't repent of their sins, God can and will destroy the destroyer of His people and His work, as well as destroy those who are destroying the earth.⁷⁴ We have to tell God what we want if we are to receive the things we desire. The Apostle James stated, "Ye have not, because ye ask not. Ye ask, and receive not, because ye ask amiss" (Jas. 4:2-3). Jesus said, "Ask, and ye shall receive" (John 16:24).⁷⁵

ROME'S INFLUENCE

Rome has always claimed temporal power and desired to rule over the kings and princes of the earth.⁷⁶ In order to accomplish this end, she has left no means unused to obtain wealth and to influence politicians. Rome uses its influence over politicians to create war and rumors of war by creating disasters through the actions of people who do not appear to be connected to "THE MOTHER OF HARLOTS," she who masterminds the abominations and instructs the politicians to do such evil (Rev. 17:5).⁷⁷ These truthful statements have been made for centuries by millions of Roman Catholic defectors, including priests, nuns, and laity, from what they call the wicked and demonic Roman Catholic religion.⁷⁸ The media, the press, and the propagandists al-

ways exalt Rome and its unscriptural religion, which God in His Word says He hates.⁷⁹ The Bible, in Daniel, says that this fourth and last secular kingdom of the world is the kingdom that Christ shall soon destroy by His powerful Word preached in the Spirit by the members of His body, His church.⁸⁰ It is in vain that the world system, Satan's world kingdom, verbally tears to pieces the testimony of God, of His Word, of those in Heaven, and of His children with its blasphemous, lying words.⁸¹

When Christ was in the world, He overpowered Satan by the Spirit of God in Him.⁸² When God in Christ is alive and working in us, we also have the same power and dominion over sin, Satan, the flesh, the world, death, Hell, and the grave.⁸³ Satan is a defeated foe and cannot in any way prevent us from entering Heaven with eternal life, which we already possess by having God's Spirit in Christ mingled with ours.⁸⁴ God's anger is now kindled against Satan's world system. He, according to His Word, shall soon tear them to pieces and destroy them.⁸⁵

It is now that "the righteous man [can] stand in great boldness before the face of such as have afflicted him, and [those who have] made no account of his labours [in the Lord, which means preaching the gospel and doing what the gospel says we must do]. When they see it, they shall be troubled with terrible fear, and shall be amazed at the strangeness of [our] salvation, so far beyond all that they looked for. And they repenting and groaning for anguish of spirit shall say within themselves, This was he, whom we had sometimes in derision, and a proverb of reproach: We fools accounted his life madness, and his end to be without honour: How is he numbered among the children of God, and his lot is among the saints!"⁸⁶ Therefore have we erred from the way of truth, and the light of righteousness hath not shined unto us, and the sun of righteousnessness rose not upon us. We wearied ourselves in the way of wickedness and destruction: yea, we have gone through deserts, where there lay no way: but as for the way of the Lord, we have not known it. What hath pride profited us? or what good hath riches with our vaunting brought us?

"All those things are passed away like a shadow... For the hope of the ungodly is like dust that is blown away with the wind; like a thin froth that is driven away with the storm; like as the smoke which is dispersed here and there with a tempest, and passeth away as the remembrance of a guest that tarrieth but a day.

"But the righteous live for evermore; their reward also is with the Lord, and the care of

them is with the Most High.⁸⁷ Therefore shall they receive a glorious kingdom, and a beautiful crown from the Lord's hand: for with His right hand shall He cover them, and with His arm shall He protect them.⁸⁸ He shall take to Him His jealousy for complete armour, and make the creature His weapon for the revenge of His enemies. He shall put on righteousness as a breastplate, and true judgment instead of an helmet. He shall take holiness for an invincible shield. His severe wrath shall He sharpen for a sword, and the world shall fight with Him against the unwise. Then shall the right aiming thunderbolts go abroad; and from the clouds, as from a well drawn bow, shall they fly to the mark. And hailstones full of wrath shall be cast as out of a stone bow, and the water of the sea shall rage against them, and the floods shall cruelly drown them. Yea, a mighty wind shall stand up against them, and like a storm shall blow them away: thus iniquity shall lay waste the whole earth, and ill dealing shall overthrow the thrones of the mighty" (The Wisdom of Solomon 5:1-9a, 14-23).

A former nun, M. Francis Cusack, speaking of Rome and its world system in her book, *The Black Pope*, said, "What shall we say of a religious order which prides itself on being called by the name of the Savior of mankind and yet has made the practice of untruth a fine art, and reduced the practice of lying to a science?" She adds, "Some people may say that what I have just said should be objected to strongly. The question is not whether the words which we use are strong or feeble, but whether they are true or false."⁸⁹ M. Francis Cusack stated that she had literally wasted thirty years of her life in what she now deems to be an evil and wicked cult. Like she said, the Vatican has "made the practice of untruth a fine art, and reduced the practice of lying to a science."

A FEW OF SATAN'S FAVORITE LIES

Here are several examples. Did Jerry Falwell really have sex with his mother in an outhouse, like Larry Flynt said he did in his *Hustler Magazine*?⁹⁰ The answer is no. It is a lie. Did the people of Jonestown all, in unison, really commit suicide by drinking poisonous Kool-Aid under the order of Jim Jones, just because they were visited by a couple of government agents, as the propagandists, the news media, and the press told you, and you believed them?⁹¹ The answer is no. In Jonestown, the people who escaped told my late wife Susan and myself that it was the government agents who killed them. They said they poisoned their Kool-Aid. They saw them do

it. I have no idea what the doctrine of Jim Jones was, but several of his followers said when they saw government agents killing their friends with bullets because they wouldn't drink the poisoned Kool-Aid, they decided to escape into the woods. Then some of them who escaped visited some churches, including ours, to tell us their story. They said that it was not suicide at all, that the government agents, or the other people these agents brought with them, had laced the Kool-Aid with poison, then shot those who wouldn't drink it. I believed them. There was genuine terror in their eyes when they recalled the things that they said that some of the people in government had done to them, things the government media lied about.

Some of the people in government and in the media have lied about my church for years. That's how I know the things these people were telling us were the truth. They reported to us that there is no way in the world that anyone could hypnotize or brainwash a thousand people at one time into committing suicide. Ted Charach told me on our telephone call the other day that he knew these things were fact, and stated that he got a tip from Hal Jacques, an independent news editor in Connecticut, and followed up on it. Ted Charach gave Mike Curb the tape he recorded of witnesses saying they were in danger, they were being threatened. Larry Stammer, a religious writer, wanted to do a story on it.

Any pastor of any church will tell you that it's very hard to get even a few people in the church to diligently sweep the sidewalk or mow the lawn, let alone get them to agree to kill themselves, when they know very well their souls would spend eternity in Hell if they did.⁹² No pastor of the Lord Jesus Christ would ever tell their congregation to commit suicide. Religions and countries that have a history of doing such things include the Japanese with their suicide planes in World War II and their hari-kari, Roman Catholicism, which is based in Rome, all idolaters, all those involved in witchcraft, and all those religions or countries which are part of Rome's one-world cult, such as Islam.^{92A} Some governments tell their people to take a cyanide pill if they get captured by their enemies, such as the Japanese and German governments did in World War II, and as Muslim terrorists do today. Some Americans have been told to do this by their commanders or heads of state.

ANOTHER PEARL HARBOR

Clinton? The answer is no!⁹³ We have tapes proving that those people were murdered by poisonous gas and by fire from government tanks. Government troops used one of the Branch Davidians for target practice while he was climbing over a fence to be with his wife and children, who also were being shot at by the “American soldiers” under orders from Janet Reno and Bill Clinton. Would you not climb a fence or go through Hell or high water to get to your wife and children if you saw anyone killing them? Who else but a Vatican Communist soldier would do this? I am patriotic to the red, white, and blue but not to Vatican Communists who are dressed in red, white, and blue. Are they mentally American soldiers? No! They’ve been brainwashed, or rather, brain-damaged, deceived by the devil and the devil’s “rulers of the darkness of this world. [These practice] spiritual wickedness in high places” (Eph. 6:12). They include Rome and all those who are Rome’s captains and lieutenants, the kings of the earth to whom God will soon show Himself to be terrible and a terrorist.⁹⁴

Would Americans kill Christian Americans? They did! But I don’t consider them Americans. Would a true red, white, and blue American President and Attorney General order the deaths of innocent members of Christ’s body primarily because they were not Roman Catholics? They did it! There are hundreds of thousands of books and testimonies as to how Rome has, for centuries, murdered millions of people simply because these people read the Bible and found the Roman murderous cult to be filled with lies, a sewer of corruption.⁹⁵

According to an article entitled, “Waco and the Corruption of American Liberalism” by Llewellyn H. Rockwell, Jr.,⁹⁶ “The media cooperated with the Clinton administration in an amazing cover-up of what was plainly evident. Far from investigating the fire and the lies of the White House, the media [propagandists] demonized the Branch Davidians and smeared anyone the –‘lunatic fringe’– sympathetic with their plight.” According to Mr. Rockwell’s article and many others, these are the lies the propagandists have told you. The Bible says that only those who have chosen to become antichrists would do such a thing.⁹⁷ Jesus said even Satan will not kill or cast Satan out of Satan-possessed people.⁹⁸ Satan just

wants to kill God’s people, Jews, and everyone else who is not part of today’s end-time, anti-Christ movement.⁹⁹

I’ve been told by many hundreds of soldiers that most of the servicemen are on drugs and really don’t know what they’re doing. Some of them have told me they feel that they are being sent into battle to be killed, to diminish America of its manpower, so that either China, Russia, or some other Pope-controlled country can invade the United States. They’ve also told me that in Vietnam, they were not to fire back at those who were shooting at them. They said they were given insufficient amounts of bullets, three a day, while the enemy had as many as they needed.¹⁰⁰ Other members of our nation’s military forces have told me that during Desert Storm, they were gassed by our own military with some form of chemical warfare.¹⁰¹ They say they never have one moment of relief from the pain of their illness, but the government will not compensate them for it. One of these soldiers who told me these things was a guard, named Nemeier, at FCI, the Federal Correctional Institution in Texarkana, Texas. He said the government is unwilling to help him in any way.

After I had been greatly lied about in the courtroom and imprisoned on false charges of tax evasion, I met several of the Branch Davidians in prison. They told me that every time they tried to surrender for something they hadn’t done, something that the government fabricated about them, the soldiers would keep shooting at them. According to the Branch Davidians, David Koresh was shot three different times when he attempted to come out of the building without firearms, and while he was waving a white flag.¹⁰² I believed them because at the very same time the government was doing these things to the Branch Davidians, the government and the media were saying that I and the rest of our church had guns. The Branch Davidians were selling guns, but we have never owned a gun or possessed any carnal weapon. We don’t even have a water gun on our property.

Did Lee Harvey Oswald really kill President Kennedy? The answer is no!¹⁰³ But at the time, the propagandists made everyone think so. Was Bobby Kennedy really shot by Sirhan Sirhan? I’m told that people who were present at the assassination said no!¹⁰⁴ Ted Charach, a friend of mine from my old entertainment days in Hollywood, was closely related to President Kennedy and his brother, Bobby. Ted was the

one at that time who had asked me to do the promotion for the Democratic party. Ted has spent thirty-five years researching and analyzing the death of President Kennedy’s brother, Bobby. He told me while we were on the phone March 11, 2003, that he has hundreds of documents to prove that Sirhan Sirhan attempted to kill Bobby Kennedy, but that not one bullet from Sirhan Sirhan’s gun entered Bobby Kennedy. Mr. Charach told me that Bobby Kennedy was killed by his bodyguards, who were standing behind Mr. Kennedy, and he said he can prove it.

Mr. Charach also disclosed that two Los Angeles police officers, acting under department orders, burned 2,410 assassination photographs in a hospital incinerator before the trial. After the trial, the LAPD destroyed ceiling panels and doorframes from the Ambassador Hotel pantry. These panels and frames proved that the bullets of Sirhan Sirhan were not found in Bobby Kennedy.

Years ago, Mr. Charach recorded an album with many of the details regarding Bobby Kennedy’s death. He also was very much involved in a motion picture entitled, *The Second Gun: Who Really Killed Bobby Kennedy*, which received a Golden Globe nomination. He, with a journalist friend, has also written a book regarding this assassination, which is soon to be published. The book is entitled *The RFK Assassination: Termination II*. Motion picture and book availability is footnoted.¹⁰⁵ Mr. Charach told me that both the movie and the book were loaded with hundreds of witnesses and facts.

In 1969 or 1970, a group of men from Kennedy headquarters met me and my late wife Susan for dinner in a Newhall, California restaurant. Their purpose was to have me join them in a promotion, which would expose these things about Bobby Kennedy’s assassination. Susie told me to decline their offer. The reason I’m exposing these things now is to show that this and hundreds of other important, newsworthy events have been covered up by the news media. Now, I never was that well acquainted with the Democratic party, even though they asked me to head a campaign for them. I only follow politics from afar to see how scripturally close we are to the end of time. I wouldn’t be a very good servant of the Lord if I didn’t keep you abreast of how close it is to the coming of our Lord and Savior, Jesus Christ, the Creator and Savior of all those who come to Him for re-

Dear Pastor Tony Alamo,

I have been wanting to write this letter of thanks to you although I truly believe any words of mine or the human language could never express the gratitude I have for you. How could I truly thank you enough for the fear of the Lord, the wonderful fear of the Lord that has been pouring out of you through all your messages and instructions? Your God-given wisdom keeps me so humble before God.

Before I came to your ministry I went to every kind of church and found out that I knew a lot more about the Lord than many "pastors" when I was just a newly born babe in Christ. Yet as soon as I read your literature, I knew you had a much higher and powerful calling than me and was happy and relieved that I wasn't the only one who was saved.

After studying four pieces of your literature (all of which were written while you were in prison on false charges) the Lord spoke to my spirit. He said, "Cleave to that which is good" (Rom. 12:9). It was then I called your phone number on the back of the literature.

When I called, something very powerful and very unique happened. The man who answered the phone lined up completely with your writings (which completely line up with the Bible). Then he had me talk to a brother in New York, and everything he said lined up with the man who answered the phone who lined up with your literature, that lines up with God's holy Word. Every other church before this moment when talking to the people there, they all had different doctrines or beliefs and they would voice them to much confusion. Until I was walking down

the street perplexed with all these churches and praying to God, "Lord, how do I avoid deception?" (I had been praying this prayer and fasting often.) Suddenly I came to a piece of your literature on the ground that said in big bold print: *TO AVOID DECEPTION*. Yes, this is a miracle indeed, but I wasn't surprised after God revealed Himself to me so powerfully. I knew God was my Father and that He was a miracle working God who answers the prayers of His children.

Pastor Tony, I have been affiliated with your ministry for almost six years now and I have diligently studied all of your literature and listened to literally thousands of your messages on tape. How could I utter a thank you for all this? You have given me a home and all the necessities of life. You brought my family and all my belongings across country. You paid for the birth of my newborn son, whom I named Bernie after I

Brother T.R. distributing Pastor Alamo's soul-winning literature in the Los Angeles area.

prayed to God and asked Him for an anointed name of someone who is holy and yet unused for any child in the church.

Sir, the \$100,000 to \$150,000 I could be making every year could never come close to pay for everything I receive here in your ministry. The brothers and sisters here in Canyon Country, California, have been spotless in their sincerity and testimony in God before me and my family. My heart is smitten in thankfulness to God for you Sir, and the rest of my brothers and sisters in Christ.

Thank you for the wonderful Christmas gifts you sent to my children. I wish you could have seen the face of Aviva, my one and a half year old, while she was opening the gifts. Bernie is about three months old and can't see too well yet, but when I put the teddy bear in front of him, he gave a great big smile.

No one in my life has come close to the concern and care you have shown towards me and that is the truth. I pray to God that through Him I can give just a little back to you one day. May God in Christ, by the Spirit thank you through me some how and some way in Jesus' holy name!

Your brother in Christ,

T.R. Canyon Country, California

Dear Brother Alamo & fellow workers,

Thank you a million times over and over for the books sent to me on *The Messiah*. This testimony is in long time coming to you and your fellow workers. Ever since I received the booklets, *The Messiah*, God has blessed many people around the world. First in the church where I attend, as everyone had gotten a better picture of who Jesus Christ really is. Some have had a greater desire to know Jesus Christ better in their daily walks with Him, and even experience Jesus' manifestation of Himself to their families and friends. The many missionaries have come through to give their report of what God is doing on the mission fields of getting souls saved and miracles being performed. We rejoiced and praised God for the work being done. One missionary took some of the booklets with them to teach from them as to who our Lord is. She just returned a few days ago from Africa, and gave a great report that teaching about Pastor Alamo's *Messiah* book brought about a great harvest of souls being saved and many healed of different types of diseases. Praise God for this beautiful report. Thank you for the many booklets of *The Messiah*. I myself have studied the book and find it very enriched with God's loving Word. My prayer is that every Jewish person who will read this booklet, *The Messiah* will find Jesus Christ our Lord, that they will find Jesus as their personal Savior.

Thank you,

A woman by the name of E.R. called the witnessing line, and said, "My life has just been changed, and I have got to tell someone." She said she has seen your literature many times in New York and never read it because she thought it looked too wordy. But last night, she said her brother brought home *The Real Thing, The Real Deal*. She said she picked it up and read it and has been set free. She said, "I felt the power of God free me." She said she had been saved for several years but didn't know what to do after salvation, or how to do something for the Lord in such a world. She said, "I work so hard to have worldly possessions and I just found out I am using all my strength for things that aren't even real, they mean nothing." She was so excited and so happy, and kept saying, "I have been set free, and I am going to help support this ministry because this ministry is the only ministry that has shown me the way and set me free."

She requested to be put on our mailing list, and to please send her five newsletters each time a new newsletter comes out because she has friends that are in need of this knowledge.

She also requested a variety of literature you have written in the past, and a copy of *The Messiah* book.

J.K.

A woman from New York called saying how tremendously thankful she is for the Chinese newsletter and Chinese *Messiah* book that she just received. She had found only one piece of a newsletter on the street on which was our church's phone number and address. She said she was even looking for more pieces to that newsletter in the trash can. She said there's just no words to describe how she feels inside about how much this literature means to her. She wants to come to our church service in New Jersey, and she really would like lots of Chinese literature to give to the Chinese people in Chinatown, New York where she's lived for forty years. She knows so many people there, she said. They all need this literature.

She's requesting a Chinese Bible, and other newsletters.

Praise the Lord,

Dear Pastor in Christ,

Sir, we very much appreciate it that you took the time out to send us many newsletters along with the book, *The Messiah*. Sir, as a post graduate I can translate your newsletters to our native language (Telugu) and distribute them, sharing the Word of God from your valuable material to people that need to be saved. I had never seen anyone interpret the scriptures so clearly with God's true meaning so understandable as you do. Your newsletter helped our spiritual life by elevating us to a new level of understanding the things of God. I read your literature more and more times and share the Word of God through your literature. Mainly I'm inspired by the *Dry Bones* message. I read several times the

same. I would like to get more and more literature from your side. It gives me a great saving knowledge of the Lord Almighty God. Along with me eight people (youth) regularly go to the residential areas and share the Word of

God through your literature.

May God be with you, and bless you richly,
With prayers, I remain sincerely in Him,

Texas

A woman by the name of S.D. from Carrollton, Texas, called the witnessing line and said she had a vehicle that was broken down that when she went to get it towed away she found a couple of Pastor Alamo's newsletters on the windshield. She normally would just have thrown them away but she took them home and read them. She said many pastors write many books but they don't sound inspired by God like the Bible. They don't stand out as being perfect. She had never read anything like this before. It was perfect. It was just like the Bible, it was so true. She got onto our website and downloaded ten pieces of literature and read them all over the weekend and she said she not only read them but she absorbed them. She said Pastor Alamo doesn't sound like just an earthly person, he sounds like an Apostle, like he has direct communication with the Lord to write this gospel literature.

She said she has been saved for several years and has been doing all that she has been taught to do to be a Christian. She said she had ministers tell her that God is like a washing machine. Every time you get dirty with sin you just get into the Lord and He will wash you clean. She said her eyes were opened to the truth when she read your

literature where you spoke of a fine line that is crossed once you have received salvation and you sin, that you can't just keep going back for forgiveness. She said her life is changed now. She has separated with her boyfriend, she is putting away her gossiping and lying, she is not going to hold back on her tithes. She is putting aside all her ways and serving the Lord with everything she has.

She said she has a nineteen year old son named R.C. that has done a lot of drugs in the past to where it messed up his mind and now he is tormented with demon voices. She said he has said the sinner's prayer but the demons that are living in him won't allow him to get saved. She said she knows he isn't really saved.

She wants to bring him to our services so he can get saved and he can be prayed over. She said, "If only I knew where Pastor Alamo was that I could bring my son to him because I know if he laid hands on him and prayed for him he would be healed." She said she is going on a fast for her son and is going to call the witnessing line every day for encouragement and prayer. She said she weeps for her son. She told the Lord, "If I know my son is lost, how can I be complete?" She said she is going to have her son call the witnessing line. She asked for twenty-

five to fifty newsletters to be sent to her so she can pass them out. She is a school counsellor and is asking for your help and prayers.

Praise the Lord,
J.K.

Since this phone conversation her son has been gloriously saved and is in the church.

A woman from Houston, Texas, found your newsletter and called the witnessing line and said even though she knows the Lord and studies the Word of God, she has never before heard the Word so blatantly honest, so close to the heart, the way you teach it. She said next to the Bible it was the most awesome thing she ever read. She said she knows God is inside of you because of the words that come out from you. She said she was so comforted by your literature. She asked if she could help the ministry pass out the newsletter, and I told her absolutely. She asked if she could have at least one hundred and I told her yes, and if she needed more to let Pastor Alamo know, and we will send her as much as she needs. She was so excited about being able to help pass out the newsletters in her area. She said to tell you thank you so much, and the Almighty God bless you abundantly.

Dear Pastor Tony,

Greetings in the precious name of Jesus! I pray that you are in divine health upon handling this letter. I received the thirty-two part series of prayer in eighteen tapes. I thank you for this. Through God's help, I shared it with the group of intercessors in our town. We pray the prayer pattern prayed in the tapes. We received answered prayers. It resulted in unity of the Christian churches in our town, and this new life in Christ is already acknowledged by our President.

The "Jesus Is Lord Fellowship" celebrated their 24th anniversary with President Gloria Arroyo as one of the guests. Some of the leaders of our nation are coming to know and believe in the Lord Jesus Christ. I also received the newsletters which you've sent me, but I'm sad to tell you that I was unable to respond to you immediately because God knows I don't have the money for postage, but I thank God He blessed me with this opportunity to respond to you. The literatures are almost all distributed. It's very helpful and anointed by God. Some of those who received the literature were spiritually revived.

I also made summarized messages from your newsletters in our own dialect translation, and shared it in my radio ministry.

God bless you richly!

In Christ,

Dear Pastor Tony,

May the good Lord bless your day today as you read my letter. It's my first time to write to you, Pastor, but I feel and sense the mighty cooperation of the Holy Spirit through this simple step. When I first saw your newsletter (in a

Dear Pastor,

The reason why I am writing you this letter is that, by the grace of God, I have one of your newsletters, and I read it and the Lord has changed my life. Now I am living a new life which is in Christ Jesus, and I also have received the Lord Jesus as my personal Savior through reading your newsletter. The person who gave me the newsletter was my friend. I was so challenged to be like you, as a man of God, who preaches the gospel and also spreads the good news to other people who are living in

bondage of sin. Through your help, they can see the light of the gospel. When I finished reading the newsletter, my heart was desiring the Word of God to be preached, because if the sinners die in their sins, I know that surely they will be in the everlasting fire. So if you can, help me to help others by preaching the gospel to them. I end here with my letter. May Almighty God bless you and give you long life to preach.

Yours in Christ,

Dear Pastor Tony Alamo,

In the first place, I would like to say thank you very much for sending me the materials, *The Messiah According to Bible Prophecy* book, two King James Version Bibles and some other assorted World Newsletters. I did greatly rejoice when I received the said materials. Pastor Alamo, your materials are very inspiring, provoking and educative. Again, send me more World Newsletters for distribution, ten *Messiah* books, and fifty Bibles for distribution to those who don't have them. Put me also on your monthly mailing list.

I would like also to make my comments concerning the Alamo Christian Ministries. My comments are that I personally have heard many preachers preaching the Word of God, and have read a lot of Christian books, magazines and booklets written by different ministers of the Word of God, but I have seen there is a big difference with your preaching and written materials that you sent me, Pastor Alamo. Therefore, I am convinced beyond a shadow of a doubt that you are an Apostle/Prophet of God raised in this wicked and perverse generation even though you don't claim to be one, but I for one believe that you are the true Apostle/Prophet of God, not these false apostles and prophets that are mushrooming today, preachers without the fruit of the Holy Spirit. They don't live what they preach. You are the "man of God," a God-fearing man, a man of his word. You live what you preach.

The world needs leaders and preachers like you, Pastor. God should bless you and protect your life until the truth is fully proclaimed.

Pastor Alamo, sure you had an encounter with God in that office. No wonder you don't preach social and compromising messages. You call a spade by its name. You are a man who is not after worldly wealth and to make a name, but to lift the name of Jesus Christ higher and higher. My feelings and convictions, man of God, is that since the Alamo Christian Church provides room for those who truly want to serve God with all their heart, soul, mind and strength, I am saying that I am ready to serve God with my everything. I am thirty-six years old, married, with four children, an ordained minister of the Word of God, called in Apostolic Ministry. I would like you to be my spiritual father and mentor. Currently, I am in ministry, but I am unable to work effectively. One of the problems is that the economy of our country is bad. In fact, my country, Zambia, has been considered to be the second-poorest country in the Southern Region (SADC Region). The problem is because of not having God-fearing leaders. Therefore, I would say that, Pastor Alamo, if there is any way you can help me and my ministry, please do so, as God's Spirit leads. Help me in terms of leadership grooming, training, and other help you feel can help me. I would like also to be trained by you, Pastor Alamo. God bless you and I'm praying for

Christian bookstore), I thought, "At last, a Filipino newsletter!" (because the meaning of ALAMO in Filipino is "YOU KNOW." To my surprise, it's your surname!) Along the way I read it while going home in a bus. About "The Sin of Unbelief," I'm amazed at the straightness of your message and teaching. Unknowingly, I was reading it several times even when I'm home already. It's like a fire inside, start to ablaze, my spirit is shouting "At last the doctrine of nobody's perfect and look to man's teaching has ended!" I write and read in my Bible your given chapter and verses about that topic. I'm sad that there are some Christians

who follow that kind of reasoning. They don't know that it's possible in perfectness and holy living because of the blood of Jesus empowered by the Holy Spirit, Hallelujah! (One reason why God's Mighty Harvest Ministry exists).

It's almost two years that I've followed God in full-time ministry, and now I'm pioneering a church, a four-month old fellowship. I'm a former resident pastor of an independent church who left because of God's conviction, to be sure, I consulted three different counselors. All of them had one answer and reaction that strengthened my conviction to follow it. As of now, I'm dis-

Dear Pastor Alamo,

Calvary greetings to you in the name of our Lord and personal Savior, Jesus Christ.

I came in contact with your materials, *Salt* and the newsletter, when I attended a three-day prayer summit, and on the last day of the summit, a lovely sister handed down to me the materials. Sincerely, I'm stunned at the explicit revelations of the divine truths found in the two materials. I must confess I have not had such revelations with such an easy and deep understanding that I now have when I read through the materials. I'm glad to find out that the anointing of God's Spirit is not only meant for those in the pulpit, but also for those in the pew. Thank you for true guidance and direction, for you point me to the Man who will keep me on the straight and narrow path, the Lord Jesus.

It is because of the new understanding of the infallible Word of God and the divine insight I now have as a result of the two materials, that I'm writing to personally identify with you as a man of God and your ministry in general, and to equally commend you for what the Lord Jesus Christ is using you to do to the billions of souls around the globe. On account of that I write to personally request the following few materials to enhance the divine nature of God in my life as an individual, and as well as for distribution, thereby making myself a distributor of Alamo literature. Through this new challenge, I shall be able to reach the teeming souls trapped by the devil, for the time of release has come - praise God! Because of the above reason, I would want you to keep me on your mailing list, for through this also, I shall be able to create the awareness of your ministry.

Thank you so very kindly and remain blessed in the Lord.

Please be kind to let me be your regular subscriber of your World Newsletter, as a resource, and even more blessed to receive from you a copy of *Dry Bones*, *The Messiah*, and *Melting Cold Hearts*. penance and salvation.¹⁰⁶ I also wanted to show you how the news media covers up things and can overwhelm the entire world with their lies and propaganda.

Did the destruction of both the Federal Building in Oklahoma City and the World Trade Center in New York really happen without some of our government officials being greatly involved? The answer is no!¹⁰⁷ Hundreds of witnesses say that government agents were not only involved, they placed several other bombs in the buildings as well. These witnesses say that it would have been impossible for the Federal Building in Oklahoma City and the World Trade Center buildings to collapse as they did without there being many other bombs in the buildings. But why would the infiltrators in our federal government want the Federal Building in Oklahoma City blown up? I'm told that many eyewitnesses have reported to the *Freedom Network News* and the *Strategic Investment Newsletter* that it was because evidence pertaining to both Waco, Texas, and Mena, Arkansas, had been stored there.¹⁰⁸ If this is true, then it is clear that some of Rome's Vatican saboteurs in our government didn't want even one shred of the evidence that pointed to them to be known, even if it meant blowing those one hundred sixty-nine men, women, and children to pieces. I'm told by many sources that many

eyewitnesses told these things to the FBI. These witnesses stated that the FBI said they would kill them if they ever told anyone else the things that they had told them. These grieving, pitiful people apparently believed that they would find some sympathy and some retaliation against those who killed their wives, their children, and their husbands. What a rude, crude, and sad awakening for the families of the victims to realize that their fellow government co-workers are saboteurs, who are not at all concerned about the members of their families, and are not at all concerned about law or America. How sad to realize that they would go to such an extent to cover up the crime of the Waco massacre and the proof of the illegal drug trafficking which involved high government officials in Mena, Arkansas.

President Clinton, a Roman Catholic who poses as a Baptist, was one of them. Two video tapes, an exposé on President Clinton when he was the governor of the state of Arkansas, were taped and narrated by some of his closest cabinet members, namely Larry Nichols, the former Director of Marketing for the Arkansas Finance Development Authority; Judge Jim Johnson, former Arkansas State Senator and former member of the Arkansas State Supreme Court; Jerry Parks, Bill Clinton's campaign headquarters security chief; Bill Danneneyer, a United States Congressman; Bill Duncan, the IRS Treasury agent in charge of the Mena investigation; Russell Welch, the Arkansas State Police investigator

in charge of the Mena investigation; Doc De-laughter, another Arkansas State Police investigator; Charles Black, the Polk County Deputy Prosecuting Attorney; and State Troopers Larry Patterson and L.D. Brown. The video tapes availability is footnoted.¹⁰⁹ These tapes state, among many other things, that Clinton had a great part in the smuggling of a hundred million dollars worth of cocaine a month and the transportation of weapons out of Mena, Arkansas to Nicaraguan contras.

There are billions of deceived people in the world, and they are dangerous because they've been brain-damaged by the devil's world system. If you're a member of Christ's body, then surely you must know that the only way we have superiority over them is in Christ and His Word.¹¹⁰ We are not allowed to fight them carnally.¹¹¹ Besides, what good would that do? They are far more than the hairs on all of our heads. There is only one way to fight them, and that is to call on God.¹¹² God is stronger and more powerful than everything in the universe, including all the people on the face of this earth. It may seem to many that we're a minority, but with God, we're more than all the people in the world.¹¹³ God shows us clearly how to fight. He says, "Call unto Me, and I will answer thee, and show thee great and mighty things" (Jer. 33:3).

THE SOLUTION

If you want something done about the evils that are happening all over the world, if it's your desire to see the eyes of the people in the world opened so the light of God can shine into their darkness, you need to preach the Word to them,¹¹⁴ and you also need to pray to God to avenge us of our enemies.¹¹⁵ Those who get saved will no longer be our enemies, but our brothers and sisters. So let's cry out to God in the name of Jesus and in the blood of Jesus to destroy all the evil in the world. Let's pray that all the evil people of the world will be saved, or that God will take vengeance upon them for not repenting. All those of us who are now saved were at one time evil ourselves. Therefore we need to have mercy on all the wicked men and women in the world and pray for their salvation. If they don't get saved, God will pour coals of fire on their

El Salvador

Dear Pastor Tony Alamo,

Receive a warm affectionate greeting in Christ Jesus from El Salvador in Central America. Our Heavenly Father allowed somebody to send me in the mail a precious leaflet by your authorship entitled *The Messiah*. I have truly enjoyed it and consider it a text of great value. I am a person that also writes a lot and exacting with its contents. What a joy to find literature that is worth reading! It teaches, it edifies and it gives the honor and glory to the Lord. May God bless you and continue using you in such a beautiful ministry.

For some time now I've been praying to the Lord to know someone like you, identifying with a beautiful ministry like yours. Your idea of being able to share what the Lord has given you pleases me. I would like to present to you for your consideration the possibility of representing your ministry in some way in this country and distribute your material.

I have the ability to transmit your programs on Christian Radio Broadcasts and also if you have video recordings, I have programs and

the Lord has given me good relations with the broadcasting companies.

My name is L.R., married with three sons. I am an engineer by profession, but am no longer doing that because I've received the calling to serve the Lord full time. I am a duly ordained pastor and have the blessing of representing in my country the International Christian Embassy for Jerusalem. We are a non-profit institution and dedicated to the expansion of the Word of God, whatever way possible.

I would like to know more about your ministry and cherish the hope of being able to visit you and your congregation, when the Lord allows. I found your website and am going to read all your interesting articles and if possible and with your authorization I would like to distribute it in its time. I am also going to publicize your web page.

Thank you for your attention to my letter, and while I wait for news from you, I pray that the Lord continue blessing you abundantly. Pastor L.R.

THE WORLD TRADE CENTER—WHY?

Why were the government officials involved with blowing up the World Trade Center? An article in the *San Francisco Examiner* (June 11, 2002, Section A, page 9, col. 1-5), quoted an attorney named Stanley Hilton¹²⁰ who is suing President Bush, Vice President Dick Cheney, National Security Advisor Condoleezza Rice, Secretary of Defense Donald Rumsfeld, and Transportation Secretary Norman Mineta for seven billion dollars. He represents the families of fourteen victims. Four hundred plaintiffs are involved nationwide. This article, as well as an interview called “The Jones Report,” stated that President Bush was involved in the conspiracy to create the September 11th attacks. They state that Bush helped arrange things so that all the security personnel in the United States would look the other way and allow the destruction of the World Trade Center to take place. Mr. Hilton also stated that he has evidence that bin Laden died several years ago of kidney failure. He went on to say that Bush used [dead] bin Laden’s antagonistic image to create a public frenzy, allowing his administration to tighten its political grip. If this is true, Rome, its world government, and its news media (the propagandists) are leading you down another blind alley, as they do every day and night.

Alex Jones of “The Jones Report” also interviewed Stanley Hilton (see website: www.prisonplanet.com/jones_report_031403_hilton.html). Stanley Hilton, an expert on government-sponsored terrorism, stated, “We filed the lawsuit last May against Bush, Cheney, Rumsfeld, and a few of the other terrorists who run the United States government, for complicity in causing as well as in aiding and abetting the 9/11 attacks in order to promote their political agenda.” “We are facing very strong resistance from the government. They are claiming national security takes precedence over everything. They claim they don’t want to release any documents. But I represent people who were victimized by what the government did.” Hilton also stated that he had memos from Bush advisors Wolfowitz, Wormser, Feith, Perle and the rest, written several months before 9/11, in which they fervently wished for a “Pearl Harbor-type incident,” “ANOTHER PEARL HARBOR” to give

them the shock value that would enable them to carry out their agenda. “I have a witness who was married to one of the hijackers. She knew seven of them, because she met them. Essentially, these Arab hijackers were double agents. That is, they were operating inside the United States for ten to fifteen years in ‘cells.’ Some of them used the term al Qaeda (pronounced al-kaada). They’ve used other terms as well. Al Qaeda is a term that means nothing. You could call them Muslim Brotherhood or something else. What they are is a series of cells that have been aided and abetted by the United States government. This woman was married to one of the terrorists at the time of the 1993 World Trade Center bombing and the Oklahoma City bombing. Her ‘ex-husband’ actually traveled to Oklahoma City several weeks before the bombings. They were apparently involved in that. What we have here are double agents in that they appear to be Arab fanatics. However, one of the points this woman stressed was that they are really not Muslims. They are more interested in being playboys than in the Koran. I mean, these people drank and were very secular. They were not the fanatical Muslim zealots that the Bush criminals led us to believe. They received regular payments from the United States government. They were recruited by the CIA, the FBI, and counter-intelligence. They were paid money, and they were allowed to exchange information with United States government agents about various activities.”

Alex Jones then said, “Let me stop you right there, Mr. Hilton. Everything you said was already backed up by mainstream reports. You’ve gotten it now, in sworn testimony in depositions under oath. But something that everybody wants to ignore is that three of the hijackers, at least, were trained at Pensacola Naval Air Station, not at a local airfield, on the base by the government. Now we find that eight of the hijackers, under the names we were given, are still alive in the Middle East and have been doing interviews on television. You know their faces and their names. These are the same people. We also have Mohammad Atta being sent over to the defense language school at Monterey.”

I agree with everything Hilton and Jones have stated in this interview, with the exception of their statements later on in the interview, in which they claim the Jews are the ones seeking world dominion. God said Rome is doing it, not Israel.¹²¹ God said He will destroy Rome¹²² and will fight for Israel.¹²³ There are a few bad Jews, just like there are a few bad Americans, and a few bad people in every nation. God’s chosen people are the Israelis.¹²⁴ God places all the blame for every abomination on earth on Rome.¹²⁵ The Jewish people are being persecuted, prosecuted, and falsely blamed by wicked Rome and her pup-

pets for just about everything. Satan doesn’t like Jews both because they wrote the Bible and because Christ Himself, God Almighty, is a Jew.¹²⁶ So when you hear people attacking Jews, they are either misguided people used by the devil in Rome, or it is the devil himself.

One of my attorneys in New York, Ron Kuby, made a statement in two articles entitled, “Troubling Questions in Troubling Times” and “The World Trade Center: The Horror & Tragedy, the Bravery & Enigma” regarding the 1993 attempt to destroy the World Trade Center.¹²⁷ He said, “The mastermind [of the 1993 World Trade Center bombing] was the government of the United States. It was a phony, government-engineered conspiracy to begin with. It would never have amounted to anything had the government not planned it.”

The Pope, through his American puppets, says there’s going to be more terrorism in the United States, and that it will be in the form of chemical warfare. These statements have frightened the American people to the point where they have agreed to wage war against those who are not really the bad guys, the terrorists. According to hundreds of well-informed, true patriots in the government, the bad guys, the terrorists, the ones that also have chemical warfare, are the fictitious United States President and all those in his administration under Rome’s control. Many Presidents have stated they would never make a move without the Pope, and they have sworn to keep the Pope’s commandments.

THE VATICAN—THE ROOT

When Americans protest a little too angrily against the war, the Pope and his puppets in the United States will instigate many other 9/11s and Pearl Harbors in hopes of making everyone feel ashamed for demonstrating against Bush and the war. But remember who’s causing the Pearl Harbors and 9/11s. When the next Pearl Harbor or 9/11 happens here, remember the Alamo, World Pastor Tony Alamo. I told you so, and I’ve been telling you the same things for thirty-eight years. When are you people in the United States and the rest of the world going to wise up to who’s causing all these evil things to happen to you?

There are millions of books that have been written about Rome and her popes. If you refuse to believe what the source is of all the world’s problems, there will never be an end to them. If you fight only the Pope’s puppets, you’re merely pruning the branches of the most evil cult in the world, and this will only make Rome stronger until God destroys this wicked, Satan-powered beast cult media once and for all.^{127A}

The Pope loves when you believe that his puppets are causing all the trouble. This makes the

Pope, Rome, and the Vatican look like Snow White. You believe he doesn't want to control the world, just because he says in the media, "I don't want war." But his plan to control the world includes to shock and appease, shock and appease, shock and appease, 9/11 and appease, 9/11 and appease, 9/11 and appease until he has his way.

The Pope's media says, "Look what the rag heads have done." His puppets are insane. They take the abuse that belongs to the Pope by doing what he says. The Pope tells Bush, "Don't worry about them mocking you, George. When Americans' hatred gets to the highest pitch against you, we'll make them feel like dogs, and you will be a hero when we start pelting America with more terrorist attacks, more 9/11s. Don't worry about it, George. I'll make you a big man. I'll make the media exalt you. Just don't let anyone know that we've talked. We have to protect our Roman coven above everything else in the world. Remember, George, the United States people will not go to war until they really get ticked off. So, the more belligerent they get, the more terrorists and the more 9/11s we'll give them until they agree to take over the countries we need in our one-world system."

Rome's puppets in the United States pretend they are defenders of the U.S. Constitution, but according to insiders, they are exactly the opposite. The propagandists have us believing that if we kill Iraqis, we will be free from terrorists. But in reality, if we kill those who are not the terrorists, only the terrorists will remain. This is the first time in history that the United States has declared war against any country. This is why God told me He's about to destroy the guilty parties, and this is why God "is terrible to the kings of the earth" (Psa. 76:12) and "terrible in His doing toward the children of men" (Psa. 66:5).

It's obvious to millions of people that the things Ron Kuby said, as well as the other things mentioned in this literature, are positively the truth. God's Word is true and His promises are true.¹²⁸ All of yesterday's and today's troubles are emanating from Rome, "THE MOTHER OF HARLOTS," the Vatican (Rev. 17:5). We know these people are part of the Roman cult and conspiracy to rule the world. Otherwise, they would not be so blatant in doing the things they are obviously doing. We know that the "great red dragon," the devil, empowers Rome with his wicked spirit and has literally mesmerized the entire world with his many evil spirits.¹²⁹

DRAGGING WE THE PEOPLE

Hermann Goering, a Nazi leader next in rank to Hitler himself, said in the Nuremberg trials, "Why, of course, the people [of every nation] don't want war: but, after all, it is the leaders of

the countries who [plan wars], and it is always a simple matter to drag the people along, whether it is a democracy or a fascist dictatorship, or a parliament, or a communist dictatorship. Voice or no voice, the people can always be brought to the bidding of the leaders. That is easy. All you have to do is tell them THEY ARE BEING ATTACKED [BY SOME EVIL PERSON OR COUNTRY] and they will do it. They will denounce the pacifists [those who oppose war], for lack of patriotism and say they are exposing the country to danger." Again, this statement is recorded in the documents of the Nuremberg trials in Nuremberg, Germany.¹³⁰

R. Joseph, Ph.D., in his book, *America Betrayed: Bush, bin Laden, 9/11*,¹³¹ stated, "Based on the wealth of facts detailed and documented in Part II of this book, *America Betrayed*, we are charging high ranking officials in the FBI, CIA, and Bush administration with treason and the mass murder of nearly 3,000 Americans on 9/11/2001. 'Key FBI Headquarters personnel had to be spies or [blind as] moles who were actually working for [the Pope]...Key FBI HQ personnel...continued to, almost inexplicably, throw up roadblocks and undermine Minneapolis' desperate efforts...to stop terrorists... who planned to take control of a plane and fly it into the World Trade Center.' These statements were verified by an unnamed FBI supervisor and by Coleen M. Rowley, an FBI Special Agent & Chief Division Counsel. As detailed in Part II of this book, *America Betrayed*, the reason the FBI, CIA, and Bush administration failed to 'Connect the Dots,' is because they are the dots."

Three months before 9/11, in the July 3, 2001 issue of the supermarket tabloid *Sun*, it was reported that the Vatican predicted there would be a great wave of terrorism in the United States in the early fall. The Vatican has no prophets. They are simply political warmongers and terrorists. Of course, a little more than two months later, the World Trade Center was hit by two remote-controlled airplanes, which triggered several bombs in the buildings at different intervals, and the World Trade Center became ground zero. Nearly three thousand American citizens were killed.

The Vatican is a political organization. They don't know God, but they blaspheme Him in every way. I, Tony Alamo, immediately began writing a message to the people of the United States. I also broadcast several messages on tape telling the people of the United States and the world that the Vatican and its political leaders were definitely going to start a terrorist campaign in the United States in the early fall of 2001. It's easy for the Vatican to predict terrorist attacks because they and those they control are the terrorists.

With the threat of more terrorist attacks, the deceived American public ran to the heads of state rather than to God to find out what they

could do to stop terrorism. The heads of nations gave the Americans no hope. The high powers of spiritual wickedness in this world do not want people in the world to have "hope." They lie to the people by saying that hope is found in them rather than in God.

ECHOES FROM THE PAST

Dr. R. Joseph's book, *America Betrayed* stated, "The new leader of the 'free world,' who promised a 'new world order' did not win power by democratic means. He was appointed after he failed to win the presidency with a majority of the votes. Yet, he did have the backing of banks, industrialists, and transnational corporations, including those controlled or directed by America's leading families, and the father of George Bush."

As Dr. Joseph's book notes in "that same year he took office, the nation was struck by terrorists. One of the nation's most recognizable symbols burned and then crashed to the ground." Dr. Joseph documents, "This is a cunning and well-prepared plot. 'Terrorists were to blame,' the government announced, 'foreign terrorists and their agents.' Yet, what the people were not told was that the man ostensibly in charge of the investigation deleted critical information and rewrote investigative police reports. He did so to protect and cover up government involvement in this dastardly deed." Dr. Joseph's book further alleges that "The government and the nation's media were instead warned that terrorists were running amok, [and that] the nation was in danger, freedom itself was under assault. The nation and freedom must be protected from terrorism, the people were told. The leader who promised a 'new world order' warned the nation that only his party could protect the people from terrorism. Only his party was concerned with national security. He, his minions, and the media which supported him, demanded that the people give them their votes, to give his party a ruling majority, and he derided the patriotism of those who opposed him. Officials of opposing parties were threatened. Laws were hastily passed, supported even by those who opposed his rule. The constitution itself was modified in order [the propagandists said] to protect the citizens, to protect freedom, [and] to protect the nation, the people were told. 'The laws are too liberal' the leader complained. Those 'associated' with the 'terrorists,' were rounded up and jailed without charge, and their property, their homes, their charities, were seized by the state. Citizens, children, government officials, working men and women were encouraged to spy on their friends, neighbors, and co-workers, and to report anyone and anything that might be suspicious. And those deemed suspicious were rounded up without charge, jailed, and denied legal counsel, and most were never seen or heard from again. And then the leader demanded that civil service laws

be altered to give him power to hire only those of his choosing, and to fire those who displeased him. The leader required this power to protect the people from the terrorists who were threatening the nation, it was said. But the true terrorists, those responsible for the 'terrorist attack' [the destruction of the Reichstag, the German Parliament building] were government agents, controlled by the most powerful men in government. As Hermann Goering later boasted, 'Who burned the Reichstag [the German Parliament Building]? I burned it,' bragged Goering." Dr. Joseph's book says, "As the [German] people later learned, but as many suspected even then, it was Hitler, Goering, and the Nazi [party] who [instructed the Nazis to] set fire to the Reichstag."¹³²

The Reichstag fire took place before WWII on the night of February 27, 1933. The Nazis started the fire, blamed it on the Communists and the Jews, and used this incident to enact a decree to go to war "for the protection of the people [of Germany] and the state," a decree which did away with constitutional protections. On February 28, 1933, the day after the fire, Hitler's dictatorship began.¹³³ This is the exact same thing that happened here in the United States the day after 9/11. This is when the Pope and his puppets took over control of the world, or so they thought. But not all of us "cattle" are ignorant as to what they are doing.¹³⁴ Back then he blamed the Commies and the Jews. Today, it's bin Laden who is said to have been dead for years of kidney failure, or the Arabic nations, or Iraq's Saddam Hussein. "Lies and propaganda, isn't it wonderful?" says Heir Pope and his Nazi party of world leaders.¹³⁵ As the Biography Channel stated March 5, 2003, in its two-hour special on the Vatican, the heads of nations say, "Yes, Sir," bow down, and kiss the Pope's feet.

Are Hitler and Goering still alive? The answer is no. Is the Nazi party still alive? Yes. Joseph states that Bush has several Nazi War criminals as his advisors.¹³⁶ We also have their sons and their daughters. The Dr. continued saying these are "the same men who used terrorism and the threat of terrorism to consolidate their power." The Vatican and its puppets are once again blaming someone else, the Arabic nations, for 9/11. According to many, the planes were remote-controlled by someone in the United States. According to many reports, all the passengers were herded on the airplane that was shot down over Pennsylvania.¹³⁷ Experts have said if the plane

had crashed, the debris would not have been scattered over an eight-mile radius.

It is reported by many that all key federal agents either didn't go to work or left the building quickly before the blasts in Oklahoma City and the World Trade Center.¹³⁸ We know the Vatican was involved, because God said she is the "MOTHER OF...ABOMINATIONS OF THE EARTH" (Rev. 17:5). We are told that we are dealing with the continuation of the Nazi party, whose members are many government agents in our country today. According to not only Joseph but thousands of others, our armed forces are being sent in the wrong direction to be gun fodder, and our armed forces are being used to wage urban warfare against American citizens, just as they were at Waco. They are being trained for this because the Vatican knows that the citizens of the world are getting hip to them. So they're planning what they call urban warfare, Americans killing Americans, and so on, throughout the world. They exalt their precision weaponry and the skill of their soldiers. They exalt their speeches against God and His people, just as Sennacherib's spokesmen did in chapter thirty-six of Isaiah.¹³⁹

Dr. Joseph's book also stated that "Like the Nazis who, following the 'terrorist' attack on the Reichstag, passed or issued numerous edicts [these were public notices issued by official federal or state authorities] designed to destroy constitutionally guaranteed civil rights, the Bush administration issued its own edicts after 9/11." "Hitler used the threat of terrorism as a campaign theme and to consolidate his power to gain control of the German parliament. George Bush and his team have followed the same plan." What this book is basically saying is that the Bush administration has patterned itself exactly after Hitler, Goering, and the Nazi party.

Joseph said, "The Nazi-link to the Bush family was first alleged in 1934 by the U.S. Congress, which believed the Hamburg-America Line and Union bank, directed by Prescott Bush, were subsidizing the Nazi movement in Germany and the United States. Corporations associated or directed by Bush and his cronies, had been working with and financing the Nazis and their supporters since 1924." Robert Lederman in the January 18, 2001 issue of the *Philadelphia City Paper.net* in an article entitled, "The Bush Gang," stated, "The Bush family were crucial players in setting up the industrial power behind [Hitler's] Third Reich."¹⁴⁰

"In 1942, the Bush family was still in business with the Nazis, despite the declaration of war by Hitler against the United States. The consequence was that three Bush companies were seized by the U.S. government for being in violation of the Trading with the Enemies Act. As we shall discover, doing business with those who kill Americans is a Bush business tradition. In October of 1942, the government of the United States tried to put the Bush family out of business. U.S. Government Vesting Order No. 248, issued in 1942, resulted in the seizure of Union Bank's assets as they were being used to support the Nazi war effort and were serving as a Nazi front. Two other Vesting Orders were issued that year, and two more Nazi-front companies directed by the Bush bank and his associates were seized: Holland American Trading Corporation and Seamless Steel Equipment Corporation. Prescott Bush was forced to divest himself, at least overtly, of his Nazi associations.

"Following the end of the war, Bush negotiated with his friends in government, trading his Nazi assets and Nazi contacts for political favors, including support when he sought political office. With the helpful [Vatican] assistance of Bush and his cronies including, in particular, Allen Dulles, Nazis were recruited and became high-ranking members of a [Vatican] American Intelligence organization that would later be renamed the CIA, an organization that George H.W. Bush would soon lead. As detailed by Christopher Simpson, BBC News, and UPI, Nazis were recruited, brought to the United States, and then subsidized by [Bush's] CIA to build a power base for the Republican right wing after WWII. Several Nazis became top Bush campaign aides [and advisors]." This is why our government has given our industry over to Germany, Japan, Taiwan, and other countries. Our nation is weakened, our people are without jobs, and some of our people are even homeless because of these monsters. Why are we letting them do this to us? Why are we not praying to God to take vengeance on such evil? What will we do, and what will they do, if God doesn't stop them? If you're born of water and the Spirit, God will hear you and answer you. He will either save these people's souls, or He will kill them, as they have killed others.

ciations. The Bush-Nazi connection was exposed by the Washington based weekly newspaper, *Jewish Week*, and George Bush was forced to fire a number of Nazi and neo-Nazi advisors. Of course, after the election, four of these neo-Nazis were brought back into the fold and were offered high-paying positions in the Republican party.¹⁴¹

San Francisco attorney, Stanley Hilton, stated that "Bush conspired to create the September 11 attacks for his own political gain, and has been using [deceased] Osama bin Laden as a scapegoat."¹⁴² Bush's spokesman, Ari Fleischer, stated, "We expect to get votes in the fall because of the war on terrorism."¹⁴³ Joseph's book, along with many others, said that Hitler and Goering stated this was the best way to get votes and get the people of their country behind him. Could Bush's Nazi advisors have told him the same thing? Did they have anything to do with 9/11, the World Trade Center, and the almost three thousand deaths? This is what Dr. Joseph, Mr. Hilton, and many others have bluntly stated.

Dr. Joseph continues, "The Bush team also ushered in the Operation TIPS program, which encourages tens of thousands of mail carriers, utility workers and others with access to private homes to spy on American citizens and report suspicious activity. The Nazis also enacted similar programs soon after coming to power. With little debate, the 'Patriot Act' was hastily passed by Congress in October of 2001. The 'Patriot Act' constituted a major 'legal' assault on civil liberties and the Constitution. The American Civil Liberties Union describes the 'Patriot Act' as 'significantly boosting the government's law enforcement powers while continuing a trend to cut back on the checks and balances that Americans have traditionally relied on to protect individual liberty.' "This law is based on the faulty assumption that safety must come at the expense of civil liberties," said Laura W. Murphy, Director of the ACLU's Washington National Office. "The USA Patriot Act gives law enforcement agencies nationwide extraordinary new powers unchecked by meaningful judicial review."

"Indeed, like the Nazi laws passed seventy years prior, the 'Patriot Act,' signed into law by Bush, suspends or curtails a number of constitutionally guaranteed civil rights. Individuals can now be arrested and detained indefinitely without charges being filed; police powers are increased, enabling them to monitor private telephone conversations or to conduct secret searches with minimal judicial oversight; private business records can be seized, even if there

is no evidence of a crime; American citizens can be spied on for 'intelligence' purposes without the need of a warrant; and even librarians can be ordered to provide police with lists of all books and reading material checked out by a 'person of interest,' even with no evidence of a crime."

Our government is supposed to be of the people, by the people, and for the people. We are supposed to be the ones in charge. These politicians are supposed to be our servants. They agreed to be our public servants. How do our servants have the gall to lord over us? Their gall and Rome's gall, the Bible says, comes from the, "great red dragon...the Devil" (Rev. 12:3, 9). We the people, according to the U.S. Constitution, really have the right to monitor them. They, according to God, are committing all the crimes. The Vatican and its puppets should be the ones who are monitored. They are the ones who have, for Satan, set up "the abomination that maketh desolate" (Dan. 11:31).

Our memory needn't stretch too far to remember Nixon's Watergate and President Clinton's White House scandals. Our government, through those servants we elected to serve us, is monitoring innocent us. We don't have the power to commit the high crimes they are committing. Most of us have never been members of the Nazi party or been in business with them. I know I never have. I've never been involved in any act of espionage or any act of treason to the United States. Nor have I ever burned or blown up any buildings, told people that I alone could protect them, or run a protection racket like the Vatican and the governments of the world are doing. They say they'll protect you from the terrorists. "Pay me a hundred dollars a month, and I will make sure your windows don't get broken. If you don't pay me a hundred dollars, you'll never be sure that your windows won't get broken." These are two-bit mafia tactics. It's not surprising that people can't see through them. It is because they don't know God and they don't read His Word, the Bible. This is why God "is terrible to the kings of the earth" (Psa. 76:12), and "terrible in His doing toward the children of men" (Psa. 66:5). I have never murdered anyone, nor had any intention to do so. There used to be hardcore laws against treason, espionage, and terrorism. At least ninety-nine percent of the general public has never been involved in anything like that. How has the government conned everyone into believing that we the people should be monitored?

The book *America Betrayed: Bush, bin Laden, 9/11* states that the Bush family is said by millions to be the most Catholic and Nazi family

that has ever occupied the White House.¹⁴⁴ All major evangelical TV networks are Catholic Jesuit priests under the guise of Christianity, wolves in sheep's clothing.¹⁴⁵ These people and groups include "Pat Robertson, Jerry Falwell, the Southern Baptist Convention, Mormons, and 'lay leaders' such as former Senator John Ashcroft [who is now the Attorney General]."¹⁴⁶

Dr. Joseph states, "Non-citizens basically have no rights at all if the President or his Attorney General decides to suspend them. If the person is not a U.S. citizen, they may be arrested on the order of the President or Attorney General. They may be held in secrecy for an indefinite period, have their conversations with attorneys monitored, be tried by a military tribunal and, if found guilty, be executed without the right of appeal or judicial review. In fact, they have no right to a lawyer." No right to a lawyer? This means Rome has started her inquisitions again, even here in North America. "A non-citizen can thus be arrested, tried, and executed in secret—and the same applies to U.S. born citizens who are identified as 'enemy combatants' by the Bush administration."¹⁴⁷

The Roman Gestapo, who has infiltrated our government, is proposing that they, who are the exact opposite of innocent, be allowed once again to pick up innocent people, as the Vatican has done for centuries, falsely accuse them, then put them before a firing squad. Doesn't this sound like the Roman Catholic Nazi government all over again? This is exactly what the Nazis did under the direction of the Pope! Hitler was a Catholic.¹⁴⁸ He studied to be a Roman Catholic priest, but the Pope thought he could be used more effectively in the position of the Führer. These facts are written in Hitler's own book, which is entitled *Mein Kampf*. Do you prefer a Nazi-dictatorship-run government, or a government which is of the people, by the people, and for the people? Do you prefer the freedom that we once had under the U.S. Constitution, which was based on the Bible? Christ died to set us free from the bondage of Satan so that we might exodus, as He did, into Heaven.¹⁴⁹ The devil's time is so short that he's getting sloppy.¹⁵⁰ When people are deceived by the devil, we really need to pray for them, because God is able to break through their darkness and save their souls.¹⁵¹

F.T. Saussy, a historical expert on Roman Catholicism, stated, "Because Catholicism reeked of treason, with its implicit obedience to the Papal Mitre over the British Crown, most of colonial America denied Catholics the right to vote, to hold public office, to own property, or even to worship in their customary forms."¹⁵²

According to the *San Francisco Examiner*, attorney Stanley Hilton sued the United States government because the Vaticanites who have infiltrated our government have opened its doors wide to other Roman Catholic Nazis. The result is that the Vatican now controls everything in the United States, except for the true members of Christ's true church. They cannot control us. This is why they want to kill or imprison us. The Bible said that Rome would control the world just before Christ smashed it to pieces with His plagues.¹⁵³ The world belongs to God in Christ, and He's about to return to possess it.¹⁵⁴ "He is terrible to the kings of the earth" (Psa. 76:12).

According to the *Washington Post's* January 19, 2002 issue, pg. A2, "President Bush's top political advisor said today that Republicans will make the President's handling of the war on terrorism the centerpiece of their strategy to win back the Senate and keep control of the White House in this year's mid-term elections."¹⁵⁵ The *New York Times* is saying it and the *Washington Post*. Who are we to believe? I can tell you who we are to believe. Believe God. We are not to trust these weasels. All I know is that the news media and the government said plenty of false things about myself and my church, which they expounded on in the media for years, so it's impossible for me to believe the media and the government.

If the people of nations are anti-war, the Roman Catholic heads of nations give them reasons for war. Some recent examples include the burning of the Reichstag building in Germany, the bombing of Pearl Harbor, and flying a couple of planes into the World Trade Center. These things and more have been exposed in thousands of books such as the well-researched books of Saussy, Joseph, and others too numerous to footnote. More than this, God has everything recorded in Heaven.¹⁵⁶ Remember, God is "terrible to the [wicked] kings of the earth" (Psa. 76:12) and "terrible in His doing toward the [wicked] children of men" (Psa. 66:5).

The Pope tells all the leaders of the nations that he will give them money from the many banks the Vatican controls, under the condition that the different armies of the world, especially ours, will give their allegiance to him and do what he says.¹⁵⁷ The leaders of nations, none of which have any remarkable brain power, are frightened by this false god and his lies.

The Vatican told us in World War II that the Germans were going to get us if we didn't go to war. The Germans didn't want war, and neither

did we. So the leaders of our nation and the other nations planned an attack on Pearl Harbor, by the Pope's orders, and FDR approved it to get the people of our nation behind the war.¹⁵⁸ They knew that if they bombed Pearl Harbor, the people of the United States would go to war. Hitler knew that Germany would go to war when their Parliament building was burned. Hitler, Goering, and the others in the Nazi party had the Reichstag burned or 9/11 led by the Nazi party.¹⁵⁹

F.T. Saussy stated, "With Pearl Harbor, Hiroshima, and Nagasaki, World War II established the United Nations. Elder President Bush's Persian Gulf War like the war on terrorism of his son, President George W. Bush, beckoned all nations to marry Americans with Rome at gunpoint and together bring the whole world under the increasingly dynamic rule of the Roman Pontiff. This most recent reordering – the subject of what I'm writing here – can conveniently be traced to the elder Bush's first act as President, which was the uttering of a prayer.

"On the day of his inauguration, January 20, 1989, George H.W. Bush was a virtual Roman Catholic due to his confirmation into a church – the Protestant Episcopal Church in the United States, which indeed is united with Roman Catholicism and the Pope. This is a church whose first bishop was ordained in 1784 in Aberdeen, Scotland, by three bishops who notoriously declared allegiance to the Roman Pontiff.

"Most of his adult life, G.H.W. Bush had been a member, and for a while the director, of the Central Intelligence Agency [CIA], an organization founded in 1947 by William J. ('Wild Bill') Donovan for the purpose of providing 'special means' to insure Vatican influence over the secular world. This was subsidized by American taxpayers. Donovan was a devout Roman Catholic, decorated in July 1944 by Pope Pius XII with the Grand Cross of the Order of St. Sylvester, the Vatican's highest award, for a life-

time of public and secret service to the [Roman] Catholic Church.

"It is said (and I can only speculate)," Saussy continues, "that Mr. Bush was also a 33rd degree Freemason, and a member as well of Propaganda Dûe (P2), the shadowy, masonesque society made up of leading French, German, Italian, and American business, political, and media leaders which are dedicated to the Roman Church Militant."¹⁶⁰ They have put all the blame for the abominations in the world which they are committing on the Russians, the Com-mies, the Germans, the Japanese, China, Korea, Vietnam, Iran, Iraq, the Muslims, the United States, Tony Alamo, Jim Jones, David Koresh, and anyone else they can build up to appear frightening. This they do through their mouth, the media. Who can be blamed for carrying out all these abominations except Rome and her puppets?¹⁶¹ God said she's "THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH" (Rev. 17:5). Do you want to believe God or them?

In the mid 1960s, Rome's cult, the government and the media, were saying, "God is dead." This really ticked me off. Almost forty years ago, I, due to my first supernatural experience, knew that God was not dead. Almost all of His prophecies have come to pass.¹⁶² The ones who said God is dead are the ones who are dead in their sins and trespasses.¹⁶³ Sue and I waged war against the devil by preaching the gospel. Many false prophets have risen up, but we are the ones God used to generate the world-wide revival that you see today. Sadly, it is not what it should be. God is using me to work on it.

The popes of Rome and their pagan religion have always said that they are God Himself here on earth. They refuse to give honor to God, they refuse to keep God's law, they refuse to obey the laws of any country, and they not only refuse to answer to anyone on earth, they even refuse to answer to God Almighty Himself. They refuse

Dear Pastor Alamo,

On the doorstep at the front of Our Lady of Mercy clinic, where I am a night watchman, I discovered your message in the World Newsletter that I picked up from the ground. After I finished reading it, I have had somewhat of a change in my life, especially through the prayer that you've included in it. I have made it my daily prayer.

Without trying to deceive you, dear Pastor, I have felt that a great wind of change has been breathed into my heart.

Dear Pastor, wouldn't it be good to send me a correspondence course and your newsletters so that I could distribute this literature to my

brothers and sisters in my country? (For all have sinned and come short of the glory of God). Dear Pastor, my family is swimming in a satanic life. Through your newsletter I have discovered this different life. Therefore, dear Pastor, I am asking you to pray for my family and for me so that for the rest of our lives on this earth we may glorify the name of the Lord and give ourselves entirely to Him and submit our selfish lives completely to Him every day.

Receive, dear Pastor, my most cordial salutations and my best thoughts.

Thanks,

A.J.

to obey any of our laws, and they refuse to answer to anyone on earth, whether they are a king, a president, a member of law enforcement, or anyone else. This is the same as saying they can do anything they please, including committing any crime they please, and still not have to stand trial in this world for it. This is the real mafia, no doubt about it.

Every leader of every country in the world is under Rome's control. This includes the President of the United States of America. This has been the case for centuries. They have pronounced the Pope, and now his puppets, immune from all prosecution.¹⁶⁴ Heads of state are the gods of the pagan idol worshippers. The Pope has given them the power to punish anyone who may oppose the wars they wage or any other heinous crimes the Pope has them commit. Jesus, who created everything in Heaven and on earth and saved my soul, is the real God.¹⁶⁵ He is the only God I will ever worship. He is the only way to Heaven.¹⁶⁶

GOD, HEAR THIS PRAYER

All the children of God in the world know the only chance we have against them is to connect with God in prayer: "O God, show them Thy strength as You showed the entire world. You saved eight souls when You drowned the entire world in Noah's time.¹⁶⁷ Show the world of evil, unrepentant sinners Your incredible military power, as You did the people of Egypt in the days of Moses.¹⁶⁸ You said that all flesh would not be able to survive if You didn't shorten the times.¹⁶⁹ So terrorize the people of Satan with Your plagues and destroy all those who are destroying souls and destroying the earth. Do to them as You did to those in Sodom and Gomorrah, and send the plagues You promised.¹⁷⁰ Touch not the oil and the wine, Your children.¹⁷¹ You've given us Your eternal life.¹⁷² We are justified to have eternal life through the blood of Jesus.¹⁷³ You took away our sins, and we have Your life because You live and work in us.¹⁷⁴ Lord, we ask this in the name of Jesus, Amen and Amen." This is what we must do if we want to be spared from the wrath of God on this earth and spared from an eternity in both Hell and the lake of fire. Pray to God so that He will either save the people of the world or destroy them. The Lord told me He will do it soon.

No doubt the Roman empire and all their puppets will stand trial before God for their many sins, especially blasphemy, on the Day of Judgment.¹⁷⁵ God will repay those who, "hate Him to their face, to destroy them: He will not be slack to him that hateth Him, He will repay him to his face" (Deut. 7:10).

II Peter 3:3-8 states: "Knowing this first, that there shall come in the last days scoffers, walking after their own lusts, And saying, Where is the promise of His coming? for since the fathers fell asleep, all things continue as they were from the beginning of the creation. For this they willingly are ignorant of, that by the Word of God the heavens were of old, and the earth standing out of the water and in the water: Whereby the world that then was, being overflowed with water, perished: But the heavens and the earth, which are now, by the same Word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men. But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day." This statement is figurative.¹⁷⁶ It means people die when they are children. Some die in their teens, some die in their twenties or thirties, and some even die in their fifties, sixties, or seventies. Some may live to be ninety, one hundred, or possibly one hundred twenty. However, God can afford to be patient with His judgment upon them, because He never dies.¹⁷⁷ He lives forever.¹⁷⁸ Sooner or later everyone will face Him, whether they want to face Him or not.¹⁷⁹ Then they will be judged for the things they have done, especially their blasphemy.¹⁸⁰ "It is appointed unto men once to die, but after this the judgment" (Heb. 9:27). The spirit of the devil in them is exceedingly angry about this, but what can he do about it? Nothing! They're mere men made of dust!¹⁸¹ God's plagues soon shall have them.¹⁸²

I was surprised to see that on March 5, 2003, the Biography Channel reiterated that the Pope is in charge of all the kings, queens, and presidents, and that he is sovereign and answers to no one, not even God. The Bible tells us in great detail about this proud man who exalts himself above God and all that is in Heaven and on earth. The Bible plainly states that he is the Antichrist, the very embodiment of the devil.¹⁸³

We know that the Bible is true.¹⁸⁴ Therefore, we know that this is a world-wide conspiracy by Satan, through the Pope in Rome, to rule

the world. To do this, he will have to stifle the entire Word of God, then fill the world with his lies. He has. This has happened because of the lack of bold preaching of the Word of God.

Saddam Hussein says he and his people are righteous. They can never be righteous unless they accept the Lord Jesus Christ as their personal Savior, unless they obey every command of Jesus, and unless they totally give up their false religion.¹⁸⁵ They think that God's people are doing these things to them, but it's not the people of God, the members of Christ's body. It's the Vatican who calls their false Roman Catholic religion "Christianity."¹⁸⁶ I refuse to call myself a Christian any longer because of them. I don't want to be mistaken for one of them. I call myself a member of Christ's body, a member of His true church.¹⁸⁷ Again, Jews, Muslims, and many others hate those who call themselves Christians because they think the ones who killed six million Jews and one and one-half million Muslims were members of Christ. They weren't members of Christ. They were barbarians, wicked Catholics, the founders of Nazism, Socialism, Fascism, and every other evil "ism" in the world. They have also killed millions of members of Christ's church and numerous nationalities of people in every part of the world. Members of Christ's body, His true church, have never killed anyone. They never will. We pray for everyone to be saved.¹⁸⁸ We also pray, "Father, if they refuse Your salvation in the name of Jesus, then Father, we pray You will avenge us of them. Lord, we ask this in the name of Jesus." He promised He will, and His promises are true.¹⁸⁹

God hates anyone who avenges themselves. This is why He said regarding Cain, "Therefore whosoever slayeth Cain, vengeance shall be taken on him sevenfold" (Gen. 4:15). "Vengeance is Mine; I will repay, saith the Lord" (Rom. 12:19). One of the Ten Commandments is "Thou shalt not murder" (Exod. 20:13, orig. Heb.).¹⁹⁰ God Himself wants to be the one to take vengeance upon all those who murder godly people, as wicked Cain murdered his godly brother, Abel.¹⁹¹ Anyone who takes vengeance upon any person who has killed a godly person will receive sevenfold vengeance from God. This is because God and God alone wants to take vengeance on those who kill His precious, anointed people, and He doesn't want anyone to interfere with Him.¹⁹² God hates people who kill His highly favored and anointed people so much that He and He only is the one who wants to

avenge them.¹⁹³ God can dismantle and destroy a wicked person in a far more tormenting way than any mere human in the world.¹⁹⁴ And after He's finished terrorizing and tormenting them while they are on earth, He will make them spend eternity in the hottest place in Hell and in the lake of fire.¹⁹⁵ If you think you can do a better job of vengeance than God, you will receive seven times more punishment than a man who kills God's child, a godly man.

This is why God stated in the Old Testament, "If thine enemy be hungry, give him bread to eat; and if he be thirsty, give him water to drink: For thou shalt heap coals of fire upon his head, and the Lord shall reward thee" (Prov. 25:21-22). In the New Testament, Jesus said, "Love your enemies, do good to them which hate you, Bless them that curse you, and pray for them which despitefully use you" (Luke 6:27-28). God, through Paul, repeated this statement from the Old Testament: "If thine enemy hun-

ger, feed him; if he thirst, give him drink: for in so doing thou shalt heap coals of fire on his head" (Rom. 12:20). When Jesus was dying on the cross, atoning for our sins before the eyes of God's enemies, He stated, "Father, forgive them; for they know not what they do" (Luke 23:34). This was because they were so far into Satan's darkness. While God's enemies were stoning Stephen to death, he looked up, saw Christ standing in the Heavens, and said to the Lord, "Lay not this sin to their charge" (Acts 7:55-60). The Apostle Paul by the Spirit stated, "When the Holy Spirit controls our lives, He will produce this kind of fruit in us: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Here there is no conflict with the law [of God]" (Gal. 5:22-23, orig. Gk.).

Nowhere in the New Testament does God tell anyone who has God's power to murder anyone.¹⁹⁶ A true member of Christ's body, His church, would pray to God: "Lord, we know that every nation has weapons. Lord, we tell them not to use them. We tell everyone to become a member of Your body so that they can pray to

You and You can do the avenging." One thing we do know is that there are rulers of the darkness in this world, rulers of spiritual wickedness in high places.¹⁹⁷

Again, reader, no one can avenge themselves without going to Hell.¹⁹⁸ The job of avenging belongs to God, and God only.¹⁹⁹ If everyone believed this way, everyone would turn in their weapons of mass destruction. They would get saved and let God avenge them, and God certainly would avenge them.²⁰⁰ One thing we do know is that there are "rulers of the darkness of this world, [rulers of] spiritual wickedness in high places" (Eph. 6:12). They love to use carnal weapons. War is a glorious recreation to the wicked. They will be before God soon, and they are not going to like what He's going to eternally do to them.²⁰¹

My God tells me that all of these evil things are happening because of that "great red dragon," the devil, along with his cult, his government, and the media.²⁰² It takes all four of them to do the job. For Christians, it takes God the Father, God the Son, God the Holy Spirit, and

The only possible correct answer is, this prophecy speaks of an individual, MESSIAH, and there is only one Person in the history of the world whom it fits: Christ of the New Testament.¹

Let anyone steep his mind in the contents of this chapter, and then read what is said about Jesus in the Gospels, and as he stands underneath the cross, see if there is not the most perfect correspondence between the two. In Jesus of Nazareth, alone in all history, but in Him perfectly, has this prophecy found fulfillment.

We wish now to call attention in more detail to some of the prophetic wonders, descriptions of the Messiah's rejection, sufferings, death, resurrection, and exaltation in this chapter. As we do so, we call attention repeatedly to this bewildering phenomenon: when Jesus of Nazareth came seven hundred years later, and died on the cross, these predictions were fulfilled with

THE MESSIAH

a literalness that astonishes, and an exactness that parallels mathematical certainty.

(1) The Messiah's astonishing EXALTATION, Isaiah 52:13:

"Behold, My servant shall deal prudently, He shall be exalted and extolled, and be very high."

Before the depths of the Messiah's humiliation is presented in this section (Isa. 52:13-53:12), we are in the very beginning assured of His final VICTORY and GLORY. We call attention to the progressive nature of the words "exalted... extolled...and be very high."

From these words we obtain this chain of thought: He will rise up, He will raise Himself still higher, He will stand on high. And this is rightly connected with the three principal steps in the fulfillment of the prediction in Jesus of Nazareth after His death: namely, His RESURRECTION, His ASCENSION, and His sitting down in EXALTATION at the

RIGHT HAND OF GOD.

Here then we are at once confronted with the Messiah's final end to prepare us, as it were, for the shock of His temporary abasement: the Servant of the Lord (after His sufferings) is seen rising from stage to stage; and at last He reaches an immeasurable height that towers above everything beside.

The New Testament makes very clear the final exaltation of Christ after His sufferings and death:

"Who being the brightness of His glory, and the express image of His Person, and upholding all things by the Word of His power, when He had by Himself purged our sins" by His atoning death on the cross "[He] sat down on the RIGHT HAND OF THE MAJESTY ON HIGH" (Heb. 1:3).

"Christ Jesus, who, being in the form of God, thought it not robbery to be equal with God: But...He humbled Himself, and became obedient unto death, even the death of the cross. WHEREFORE GOD ALSO HATH HIGHLY EXALTED HIM, and given Him a name which is above every name" (Philp. 2:5-9, see also Matt. 28:6, Acts 1:3, 9, Eph. 1:20-23).

1 Some unbelievers have sought to interpret this chapter as referring to "Suffering Israel," the nation, rather than to the "Suffering Messiah," but these five facts prove the theme of Isaiah Chapter 53 to be THE MESSIAH, not the Jewish people:

- (1) This prophecy speaks of an INDIVIDUAL all the way through. It is "HE shall grow up" (verse 2), "HE is despised...a MAN of sorrows" (verse 3), "HE was wounded" (verse 5), and so all through the chapter.
- (2) Verse 8 is conclusive: the Sufferer was stricken for the transgressions of "My people" (Israel); and so He is an individual who suffers vicariously FOR the people; hence, He cannot be "the people."
- (3) He is an INNOCENT Sufferer (verses 7 and 9), which could never be said of the nation Israel.
- (4) He is a VOLUNTARY Sufferer, who willingly "poured out His soul unto death" (verse 12) again depicting the death of an individual, not a nation. Moreover, Israel as a nation has never suffered willingly, voluntarily, or vicariously.
- (5) He is an UNRESISTING Sufferer, who "opened not His mouth" (verse 7), which could never be said of the nation Israel. Words could not make the meaning more clear to those open to truth; Isaiah Chapter 53 describes a sinless, voluntary, unresisting INDIVIDUAL who suffers vicariously for God's people, Israel.

ourselves to do God's work.²⁰³ Again, we need to boldly approach the throne of God through the blood of Jesus Christ with our petitions for God to put an end to the things that Satan is doing through unsaved people, those who say they are Christians but are in reality Catholics, who are busy doing their evil in this world today.²⁰⁴ The devil is a liar and a deceiver, as are his people from Rome and many of the people who are involved in the administrations of every nation.²⁰⁵

PRAY FOR THOSE IN DARKNESS

Most of my congregation used to be Catholic. I love every Catholic person's soul, and I'm instructing people to pray for them, to pray to God for them to stop their lying and deceiving, to pray for them to repent, and to pray for them to become members of Christ's body. Jesus said, "The Comforter, which is the Holy Spirit, whom the Father will send in My name, He shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you" (John 14:26). "And when He is come, He will reprove the world of sin, and of righteousness [He will teach the world of what the right thing is for everyone to do], and of judgment: Of sin, because they believe not on Me; Of righteousness [the right thing], because I go to My Father, and ye see Me no more; Of judgment, because the prince of this world [the devil] is judged. I have yet many things to say unto you, but ye cannot bear them now. Howbeit when He [the Comforter], the Spirit of truth, is come, He will guide you into all truth [which means all righteousness]... He will show you things to come. He shall glorify Me: for He shall receive of Mine, and shall show it unto you" (John 16:8-14).

Now, if the leaders of the world were members of Christ's body with Jesus, the Comforter, living in them, they wouldn't have to go to the Pope for advice or take polls among the general public to see if the unsaved people know what to do. One thing we know is that Jesus, the Comforter, the Holy Spirit, told us in the New Testament, New Covenant, that we are not to murder anyone.²⁰⁶ Now the Pope, President Bush, and everyone else should take heed to not ignore the Holy Spirit, the Comforter, who is urging us all to obey the truth, to be righteous, to do that which is right according to God's holy, infallible Word.²⁰⁷ "Thou shalt not murder" (Ex. 20:13, orig. Heb.). All "murderers [popes, presidents, kings, queens, and anyone else who murders, even under orders]...shall have their part in the lake which burneth with fire and brimstone" (Rev. 21:8). God is not going to listen to any excuse like, "I had to do it. I had to murder Your people. They

commanded me to murder Your people." God never puts anyone in power to disobey Him. People who do such things were not put into power by God, but by deceived voters. It is most important for us to hear from God. If we don't, we all shall fall into the ditch.²⁰⁸ Blind leaders lead their blind followers into the ditch, into Hell, and into the lake of fire.²⁰⁹ Blind leaders cannot lead the blind into the light. Only those who have the light can lead the blind into the light.

No unsaved man knows what to do. Even those of us who are saved don't know what to pray. We must ask God what we ought to pray. "For we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered" (Rom. 8:26). If we seek God, God will hear us and "answer [us], and show [us] great and mighty things" that we have not seen before (Jer. 33:3). God will teach us what to do and teach us what to say.

One of the many things from the Bible that we already know is that God doesn't want us to war with bombs, bullets, or any other carnal weapons.²¹⁰ This is positively the truth. Our soldiers have been told by false prophets that they are overseas fighting for God and for our country. They obviously don't have a clue as to what God's Word, the Bible, says. The murder of our fellow man is absolutely forbidden.²¹¹ God will fight for His people and country if we but ask. Vengeance is the Lord's. It does not belong to us, to the Pope, or to the leaders of nations. His Word says, "From whence come wars and fightings among you? come they not hence, even of your lusts that war in your members?" (Jas. 4:1).

Satan and his people are afraid of the prayers of God's people because they know that God hears and answers them.²¹² There's no way to

solve any of these problems by any means on this earth other than through prayer to God in the name of Jesus.²¹³ Don't try to handle it yourself, because you can't! Ask the Comforter, which is Christ. Get hold of God in Jesus. His Word tells us not to war, but to pray to Him to avenge us instead.²¹⁴ He will take vengeance on all the evil people in the world.²¹⁵

People in the world are more wicked today than they were when God's people were greatly increased in the days of Moses in Egypt.²¹⁶ That was when a new king came to the throne who knew nothing about Joseph. This king plotted against God's people and forced parents to abandon their newborn male babies so that they would die.²¹⁷ Today, women who abort their children within them are much more evil than they've ever been. No one is forcing them to kill their children. In Egypt, Pharaoh made them destroy their boy infants. Today, they not only do it willingly, but eagerly, with zeal. This is one of the reasons God is not going to allow time to go on any longer.²¹⁸ "Except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened" (Matt. 24:22).

God told me that many of His dreadful, terrible plagues will soon be on their way.²¹⁹ Therefore, everyone should repent and believe the gospel now.²²⁰

THE DEVIL REJOICES—IT'S ALL RIGHT TO LIE

The Bible says, "[Satan] is a liar, and the father of it" (John 8:44). Can you, as an individual, trust a liar? I'm talking about any kind of a liar, a civilian liar, a government liar, the Pope, a common person, a king, a president, a propagandist, or a media liar. Can you believe a court

Dear Pastor Alamo,

A man by the name of Robert R. called and said he is writing a book regarding the solution to problems that plague our nation as a whole. He said he has included excerpts out of your literature and wants to speak with you regarding permission to do this. He said he has been receiving your literature since 1992 and has never seen or met a man that teaches like you do. He said, "I have learned a lot from that man." He said, "I don't care what has been happening in my life, no matter what the problems I have had from sickness, marital problems, financial, legal, anything, when I am at my wits end and thoroughly frustrated, I find Tony's literature." He said, "I am telling you this happens without fail every single time. I will be going through

something and get out of my car and there is your literature at my feet. Or times when I really needed direction and didn't know where to go for it, I check the mail and there it is, one of Tony's publications. His publications always come to me right when I need the inspiration and it never fails." He said he hopes you get what he is trying to say when he says, "Whenever I am looking for an answer from God, I get an answer from Tony." He asks that you please call him because he also has two questions that he hopes you can give him insight on for his next book. He said he has read many commentaries and listened to many scholars but none of them can give him the answer. J.K.

that calls itself supreme when they rule it is all right to lie? Well, that's exactly what the Supreme Court of these United States has done. Lying now is case law. They ruled that it's all right to lie.²²¹ Really, we have no one to trust but God, who cannot lie.²²² What He has said shall come to pass.²²³

According to God's Word, Rome gets her instructions from Satan, then passes them on to the kings of the earth.²²⁴ We who are members of Christ's body have the power to cast out devils.²²⁵ Jesus said to all of us who are His disciples, the members of His body, His church, "Whatsoever thou shalt bind on earth shall be bound in Heaven: and whatsoever thou shalt loose on earth shall be loosed in Heaven" (Matt. 16:19). This means we are able to bind all the evil that's happening on earth once we bind it in Heaven. So we must bind everything that's evil on earth in Heaven before it will be bound by the Lord on earth. If everyone would believe and obey this scripture, we would be able to control everything on earth.²²⁶ God, through Jesus, puts us in charge of the things here on earth when we first bind them by prayer in Heaven. If we are in Jesus and Jesus is in us, we are sitting in the driver's seat.²²⁷ Jesus said, "All power is given unto Me in Heaven and in earth" (Matt. 28:18). We, who are joined to Him by the Holy Spirit, are one with Christ.²²⁸ God says if we keep His commandments we will have "the Holy Spirit, whom God hath given to them that obey Him" (Acts 5:32).²²⁹ "And whatsoever we ask, we receive of Him, because we keep His commandments, and do those things that are pleasing in His sight" (1 John 3:22). However, if we don't do the things that are pleasing in His sight then He will not

God bless you.

I want to thank you now for the interest you've taken in me concerning my requests. Besides literature and Bibles, could you please send me audio and video cassette tapes of the messages by Pastor Alamo, for the brothers and sisters in Christ here want to hear and see him so much through video cassettes. May God protect you and bless the ministry of our only World Pastor, the incomparable Tony Alamo.

hear us when we pray to Him to be "terrible to the [wicked] kings of the earth" (Psa. 76:12) and "terrible in His doing toward the [wicked] children of men" (Psa. 66:5), and the devil will remain loose on earth, as he is today.²³⁰

Who will you believe? Will you believe God and those who dispense God's Word into the world or will you believe Rome and the people of the world, who are deceived by Rome? The Bible says, "Let God be true, but every man a liar" (Rom. 3:4). When God is terrible to the kings of the earth and the wicked children of men, where do they go? The media, the press, and the propagandists will tell you that they have gone to Heaven. However, the Word of God states that if they didn't repent while they were alive, their souls are hopeless and have gone first to Hell, then, of course, to the lake of fire.²³¹

Again, this is the end of time.²³² It is certainly not the time to ignore the terrible God, to be angry with the terrorist God, or to be angry with those God lives and works in. It's always been the wrong time to make war with Him because the only way we can win is to yield to Him and do what He says.²³³ What vain pride anyone in the world has if they think they can wage war against the terrible God, who is a terrorist, and win.²³⁴ When God's Word says that Rome is "THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH" (Rev. 17:5), that means EVERY evil thing you see being done on earth has been influenced in one way or another by Rome. Rome points her finger at everyone but herself.

The Vatican, through the leaders of the nations it controls, has for years terrorized the world.²³⁵ These Roman Catholic leaders must do as the Pope tells them, or there will be severe consequences. They must obey, because the Pope has given them high-ranking jobs, and they don't want to lose them. They don't want to wind up with a bullet in their heads, and they don't want to wind up like the Kennedys, Jimmy Hoffa, or others. So, out of fear of losing both their offices and their lives, they will do whatever the Pope tells them to do and say what the Pope tells them to say. If they are caught, they will be blamed, rather than the Pope, the Vatican, and the Pope's Fourth Reich Nazi party. This is one of the reasons God "is terrible to the [wicked] kings of the earth" (Psa. 76:12) and "terrible in His doing toward the [wicked] children of men" (Psa. 66:5). What good will the things they do today be when the plagues of the Lord grind them to powder?²³⁶ Jesus said, "Whoso-

ever shall fall on this stone shall be broken: but on whomsoever it shall fall, it will grind him to powder" (Matt. 21:44). Those who are using their power in this world to create wars, murder the innocent, imprison the innocent with false accusations, and change the laws of God shall soon meet the "King of terrors" (Job 18:14), the God who is "terrible to the [wicked] kings of the earth" (Psa. 76:12) and "terrible in His doing toward the [wicked] children of men" (Psa. 66:5). "Thou shalt not murder" (Exod. 20:13, orig. Heb.).²³⁷

God told me that I am the world's spiritual leader. If I were a secular leader, like the Pope or the heads of nations, there would be no war, because God's New Covenant, the New Testament, forbids it.²³⁸ War is of the flesh, not of God. Again, "From whence come wars and fightings among you? come they not hence, even of your lusts that war in your members?" (Jas. 4:1). To the media, the Pope says, "I don't want war," but to the nations whom he controls, war is the order of the day. What else can we say about politicians? The front part of the candy and ice cream shop is sweet, but remember what goes on in the back room. What better way is there for us to love our enemies than to pray for their salvation, to give them the true Word of God, and to show them the evil things they are doing, which are sin, the transgression of God's law?²³⁹

The popes have always forbidden the reading of the Bible.²⁴⁰ When the first Gutenberg press began printing Bibles, the deceived Catholic laity were shocked. When they read the truth, they realized the contrast between it and the Pope's heresy. When the Catholics saw the heresy of the Pope because they began reading the Bible, they began protesting. This was the beginning of what we now call the Protestant churches. But of course, the true protestors of evil were the first followers of Christ. They include all those individuals who have followed Him through every age. This is why the Pope for years has made it a sin to read the Bible. It exposes his heresy.²⁴¹ This is why Bibles are not allowed in public schools, and why the Pope said he must control the public schools, which he does.^{241A} You have allowed the Vatican politicians to extract the very means by which your children can read the truth and be saved. We can remove these mountains if we desire to move them, by praying to God to remove the darkness from these pitiful souls' eyes. "Lord, let them see the light! In the mighty name of Jesus!"²⁴²

little people, or kings, presidents, and queens.²⁴³ If anyone in government or any individual citizen commits any crime, especially a high crime, they should be prosecuted for the safety of the people of America and the world. However, the Vatican wants to prosecute those of us who are telling you the truth, those of us who are uncovering their wickedness, and those of us who are praying for their salvation in the precious name of Jesus.

WE HAVE THE VICTORY

God's Word says that the people of the world in the last days would say, "Who is able to make war with [the beast, the one-world system]?" (Rev. 13:4). God's Word says He can do it and will do it. God is "able to do exceeding abundantly above all that we ask or think" (Eph. 3:20). This means Christ is more than able to not only make war with the beast, but to easily win and grind him to powder, as the book of Daniel says He will in chapter two, verses thirty-four and thirty-five.²⁴⁴ Read the books of Daniel and Revelation which say God and His people have the victory and win the war!

During World War II, the government and media propagandists had everyone in the United States hating the Japanese and German people so much that in all the schools, even in the small community of Lewistown, Montana, where I lived at the time, the government put Japanese and German flags in the school hallways for us to spit on. Who are we supposed to spit on now? The Middle Easterners? No. Rome and its entire world system wants you to spit on God, on God's Word, on the Bible, on prayers, and on all the members of Christ's body, His church. Every time you spit on these, you can be even more assured that you will not spend eternity with God, but instead in the place that God has carefully prepared for Satan and all those who follow him.²⁴⁵

Was World War II of the Lord or of Rome and Satan? The pro one-world government moguls arranged for Japan to bomb Pearl Harbor. Many millions of people believe that Franklin D. Roosevelt, who was a pawn of Rome, not only knew of, but helped plan, this demonic massacre. These abominations and much more are why God will soon be "terrible to the kings of the earth" (Psa. 76:12), and why He will be "terrible in His doing toward the children of men [who follow these mad, insane, evil men who work abominations on the face of the earth]" (Psa. 66:5). Mr. Roosevelt and many others like him now know these things to be facts. I'm sure they all wish they could come back and undo what they did while they were alive. But now it's too late! Too late! Too late!²⁴⁶

The Apostle Paul was very wicked before he met Jesus. He confessed himself to be the chief of sinners.²⁴⁷ Jesus, in a vision, stopped him on the road to Damascus. This caused Paul's conversion. Then Christ used him in even a more dynamic way than He did Stephen.²⁴⁸ So no matter what you've done in the past, just repent.²⁴⁹ God can do a mighty work in you, as He did in Stephen, Paul, and all the other mighty apostles and disciples of God down through the ages.

Satan in Rome created and financed the war between the United States, Japan, and Germany. Now Satan and Rome have given all of our major industries to Japan, Germany, and other countries. Who in the world is behind the scenes running the big shell games, shuffling everything back and forth, if it's not the devil, his Pope in Rome, and his puppets throughout the world? Rome and the devil are behind the scenes making all these moves.

In World War II, the media told us who to spit on, and they told us who to love. They are doing the same thing today. But God tells us to love even our enemies.²⁵⁰ We love them by praying for their souls, by feeding them the Word of God, and by watering them with the Word of God.²⁵¹ "This is love, that we walk after His commandments" (II John 6). If they don't get saved, God will "Heap coals of fire on [their] head[s]" (Rom. 12:20). Even though we know that Rome is doing these things through the heads of the governments they control, we should not spit on Rome, on these heads of governments, or on the people that follow them. We must preach this end-time gospel of the Lord Jesus Christ to these people, and we must pray to God in the name of Jesus for all of these people to become true members of Christ's body.²⁵² Again, God saved Paul, who was the chief of sinners because he killed members of Christ's body. He can save those who are doing wickedness in the world today as well. Yes, we should be praying to God to save those in Rome and the nations she controls, those who will come out of her.²⁵³ If some of them refuse to be saved, we should be asking God to do what He said He's going to do to them.²⁵⁴ After the seven first plagues and the ministry of the two witnesses,²⁵⁵ Rome's plagues shall "come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her" (Rev. 18:8, read the entire eighteenth chapter of the book of Revelation).

ONE OF THE WORLD'S GREATEST CON JOBS

The devil, Rome, and all Rome's people, who have infiltrated the United States for many decades, have had a lot of fun, especially those who were in the media during World War II spread-

ing lies such as those which stated there were shortages of beef, butter, leather, tobacco, Hershey's candy bars, nylon stockings, and green paint. The people of the United States were not allowed to have these things for years. The creameries were not allowed to make butter. They were allowed to make ice cream and they could sell milk. Those who raised beef cattle were paid not to raise or to sell beef, except to the elite, the Roman cult. Horsemeat butcher shops were opened. The American people had to eat horsemeat. This lie was certainly not because the devil in Rome likes you.

We were told we had to wear cardboard shoes because the boys overseas needed leather for their combat boots. Even when I was eight years old I couldn't believe the audacity of those who were telling such blatant lies. Moreover, I couldn't believe the blatant, corporate stupidity of the people of the United States of America, as well as the people of the world, in their eagerness to believe such things. I wondered if I was the only one in the world with a brain. "My God! My God! You know how I love the souls of all those in the world that Thou hast created, but Father, in Jesus' name, give them brains, as well as Your Spirit, 'the Spirit of wisdom and understanding, the Spirit of counsel and might, the Spirit of knowledge and of the fear of the Lord'" (Isa. 11:2).

"Why," I asked my mother, "was there enough of everything before our troops went to Germany and the South Pacific? Why is there a shortage now? It's the same amount of people, or even less people, because many of our men are being killed over there." My mother would simply answer me, "I don't know." I'm so glad God gave me a brain that did not believe devils and their false religions and propaganda. How wicked of Satan. How wicked of Rome. How wicked of the world system and the media to watch the people that God created out of the dirt of the ground walking around with cardboard shoes when there was plenty of leather. I found out later in life that it was to make people feel that they should get the war over quickly. This lie was from the mind of some demon-possessed monster!

I don't smoke. The Lord told me He didn't make the frail human body to endure smoke. Tobacco farmers were paid not to grow tobacco crops, or to only grow enough so that the boys overseas could have cigarettes, as well as the "elite" throughout the world. If anyone else was found selling these things, they received a fine or a prison sentence. Nylon stockings were not available for women because the government and the propagandists said they needed the nylon material to make parachutes. Lucky Strike cigarettes used to have green packages, but they

stopped using green. Their motto was, “Lucky Strike green has gone to war.” They said they needed the green paint for camouflage. Ridiculous! There are so many lies. Who knows if bin Laden is alive or not? Again, Stanley Hilton, an attorney-at-law, stated in the *San Francisco Examiner* that he has evidence which proves bin Laden died several years ago of kidney failure. As I said before, the people of Satan have fun deceiving the people of the world. One might wonder if Saddam Hussein is still alive.

Were there shortages? For sure the answer is no. The dairy farmers were frightened to death by the government to the point where they wouldn't sell you a pound of butter. These things were happening when I was living in Lewistown in Fergus County, which was in the dairy belt of Montana. There was an article in the newspaper stating that a man gave a brand new car to a farmer for five pounds of butter because he couldn't get butter in the stores and he craved it so much. People who lived in Montana and other parts of the United States at that time will remember these things very well.

Thousands upon thousands of barges full of beef, cigarettes, leather hides, nylon material, butter, cheese, chocolate, and hundreds of other items were dumped into the sea. When my late wife, Susan, worked at the *Los Angeles Examiner* newspaper as a reporter, as well as working as the procurer of talent on the Paul Coates television program, some American government officials told her these actions were to make the American people feel more like they were at war and make them more determined to kill the Germans and Japanese. Then they could have their leather shoes, Hershey's bars, nylon stockings, and all the other things that I mentioned. All these things were done right here in the United States by Rome's new world order, which had infiltrated the American government in the same manner as they had infiltrated the German government, the Japanese government, and every other government in the world. In speaking of the Secret Order of the Jesuits, a branch of the Roman cult, *Harper's Weekly* in May 21, 1870, said, “The operations of this powerful Society [the society of the Jesuits] embrace every part of the world, and are carried on by means of the most intricate machinery ever contrived by man.”²⁵⁶

Susan's ex-husband, Sol Lipowitz, a professional prize fighter, worked for the Pipe Fitters' Union as an enforcer. His job was to beat people up if they crossed the picket line to work when the union members were on strike. During the periods of time when there were no union strikes, her ex-husband, Sol, was recruited by certain government agencies to help dump

hundreds of barges full of fresh beef, Hershey's bars, butter, cigarettes, and all the other items that I mentioned into the ocean. This shows a giant-size world conspiracy. This also shows that THEY believe, without a doubt, that the people in, not only the United States, but the world, are stupid idiots, naive, and easily deceived. They call them “cattle.” Again, as God's Word puts it, Satan “deceiveth the whole world,” and with such stupidity (Rev. 12:9).

When my late wife, Susan, worked for the newspaper and the television program in Los Angeles, many people in-the-know would give her news items, which Rome's media and press would not allow to be televised or printed. They all told her the same story regarding the barges and the corruption in the government and the media. The Los Angeles Police Department beat Susan's former husband almost to death. They left him for dead in an alley after they beat him with baseball bats because he knew too much regarding the corruption in the government, the media, the propagandists, the District Attorney's office, the police department, and the sheriff's department. While Sol was in General Hospital, presumed to be dying from the multiple baseball bat fractures to his head, Sue had to pull his tongue out of his throat because he swallowed it. She said she despised him because he was so anti-Christ, but she knew what the Lord said about loving your enemy.²⁵⁷ When he became conscious, he told her it was the police department that did it because of the things he had told her and others. The editor of the *Los Angeles Examiner*, which is now closed, told Sue that the police wanted to kill her too. She went to Brother Smith's Christian retreat, “Mountain Home,” for a month of fasting and praying. She prayed for God to show her when the danger was over, and the Lord sent an actual dove when it was over.

The brutal beating that Sue's ex-husband received did not kill him. Several years later, after Sue and I were married, he repeatedly attempted to break up our services by making noises outside the windows and by being a general nuisance. Just days after this, while a friend of his was driving him to the Pipe Fitters' Union to pick up his paycheck, an automobile heading in the opposite direction jumped four freeway lanes and the divider, smashing into the car he was riding in and killing them both. I'm sure the Vatican didn't arrange that. Sounds like the hand of God did. The driver's funeral was held in a Catholic mortuary, and her ex-husband's funeral was held at Utter-McKinley's funeral home on Hollywood Boulevard in Hollywood, California.

Can you imagine how ashamed and fright-

ened out of their wits everyone shall be when they stand before the throne of God at the time of judgment?²⁵⁸ Are you easily fooled? Do you not believe I'm telling you the truth? If you do not believe I'm telling you the truth, you make the devil and Rome very happy. They are sitting on a spiritual fence clapping their hands and sticking out their tongues at you. The devil is pinning medals on the breasts of the propagandists, the members of the Vatican, the beast, the news media, and the press for having done such an excellent job of deceiving you. Satan is satisfied now that you have allowed him to consume you through pornography, alcohol, drugs, etc. By doing this, he has consumed God out of you. He has consumed your children as he has you by making it easy to bring drugs into the country for them. He has consumed your country, your government, your industry, your economy, your media, your press, your schools, and everything else with his false prophets, those who spread false messages stating that God is only love and that He wants you to lay up treasures here on earth instead of Heaven.²⁵⁹ What has happened to you? If you could only see your spiritual self in God's mirror.

Have these things ever happened before in the United States or the world? Has there ever been a one-world government run by Satan and Rome, the cult, its media, and its press, a one-world government which blasphemes God by printing the abominable statements of the Pope and the hierarchy of Rome? They are teaching people to blaspheme God and His people and stating that the members of Christ's body are brainwashing people when, in actuality, God's people are preaching the truth of Christ.²⁶⁰ Satan, the Vatican in Rome, the Vatican's world government, and its world-wide propagandists are the ones who brainwash people, or rather, brain-damage people by dirtying their minds.²⁶¹

The prophet Joel speaks of these last days by asking the elders, our great grandfathers and grandmothers and all those before them, “Hath this been in your days, or even in the days of your fathers? [The answer is no!] Tell ye your children of it, and let your children tell their children, and their children another generation” (Joel 1:2-3). These statements have been in the Bible for centuries. A generation is approximately fifty-one years and three or four months. We're at the end of the last generation of time. God told me to tell you and the rest of the world the truth about the Lord Jesus Christ, and the truth about the devil, including where he is from, what he is doing in the world today, and what he's been doing ever since the Garden of Eden.²⁶²

ANOTHER PEARL HARBOR

(Continued from page 21)

Joel 1:4 also tells us that false prophets have done away with the truth of God's Word and have made people believe that God is not "the same yesterday, and to day, and for ever" (Heb. 13:8).²⁶³ The Holy Spirit gave Joel metaphors of wicked men who deleted the Word of God. The metaphors were worms and insects, such as the palmerworm, the locusts, the cankerworm, and the caterpillar. Each one of them took a certain portion of the Word of God away from the people of the world.²⁶⁴ Any minister, or anyone else for that matter who tells you these worms are not symbolic of the Vatican, the Pope in Rome, and his puppets is lying to you. They are either members of Satan's body or those who are so deceived that they are Satan's workers. They desperately need to read and receive the Word of God so they can be saved. But God said He would raise up an army, Joel's army, created of the strongest believers in God of all time. These overcomers would give their entire being unto God. They are individuals who will be as Jesus likened Himself to be, a corn of wheat who died out to His humanity so that the divine nature of Him could break through His brokenness and raise many others, who would also be as Himself.²⁶⁵ Then they too would become grains of wheat dropped into the soil so that their outer man could be broken and the life of God, the Spirit of God, could rise up in them in Christ's resurrection.²⁶⁶ Then God's Spirit mingled with theirs could flow out from them to the world in these last minutes of time, bringing forth many others worthy enough for God to both live in and work in.²⁶⁷ They are the ones who God has called in these last days to restore the true Word of God to the world. These would be called "the sons of God" (John 1:12).²⁶⁸ Their will is to do only that which their Father in Christ, would have them do in Christ in them.²⁶⁹

There are still many people in the world system who shall be saved. Otherwise, God would not have said, "Come out of her, My people, that ye be not partakers of her sins, and that ye receive not of her plagues" (Rev. 18:4).

Now it's the end of the world,²⁷⁰ and what are you going to do about it? The things that are going on in this world are far beyond our human ability to figure out. We can only know what's going on by reading the Word of God.²⁷¹

The Word of God explains everything. God tells us that if the enemy is attempting to terrorize you through his army of satanic men, your only way to have victory is to first get saved and keep God's commandments, then to pray to God to avenge you of the things they are doing to you.²⁷² Many people forget these things in a time of trouble. You must train yourself to trust God and no one else.²⁷³ This is the only way that God has provided for His children to have victory over the many wolves in this world. He said, "Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves" (Matt. 10:16). This wisdom means that you trust God to hear you, answer you, and deliver you. God says, "Call upon Me in the day of trouble: I will deliver thee" (Psa. 50:15). He will, just as He delivered the Jews who prayed to Him and asked Him to intervene in the days of Moses and in the days of Hezekiah.²⁷⁴

When the army of Sennacherib surrounded the city of Jerusalem, they were greatly outnumbered. God sent one angel who destroyed 185,000 of God's enemies, and the enemies of Israel. In the morning, the enemies of God and His people were all dead corpses.²⁷⁵ God will do the same for all of His people. But remember, we must ask Him to do it. God says, "Ask, and ye shall receive" (John 16:24). We must learn to trust wholly in God, and not at all in any device of our own, such as any carnal weapon.²⁷⁶ If we bomb our enemy instead of praying to God for deliverance, we're going to get bombed ourselves, because "whatsoever a man soweth, that shall he also reap" (Gal. 6:7).²⁷⁷ "All they that take the sword shall perish with the sword" (Matt. 26:52).²⁷⁸ I take this to mean that those who live by bombs, chemical warfare, germ warfare, or any other carnal warfare shall die by bombs, chemical warfare, germ warfare, and any other carnal warfare. Again, God said, "Vengeance is Mine; I will repay, saith the Lord" (Rom. 12:19).

Again, remember that God "is terrible to the kings of the earth [and every other wicked person]" (Psa. 76:12).²⁷⁹ Why should it be a hard thing to trust in God when the entire universe is hanging in space by God's Spirit, which is the same as God's hand or His mighty and incredibly powerful arm?²⁸⁰ If everyone would repent, as Nineveh repented under Jonah's preaching, God would spare us.²⁸¹ If you feel that you've gone too far, God says, "Whosoever shall call on the name of the Lord shall be saved" (Acts 2:21).

HEAR THE VOICE OF JONAH—REPENT

Each king and each president should get themselves into sackcloth and ashes, as the king of Nineveh did, and repent of their sins.²⁸² They should become soldiers of the Lord, then pray to God to take vengeance upon the devil and his works. He will hear any one of you who will follow His instructions, and He will also answer your prayers.²⁸³ You will see Him do this before your very eyes, as He said He will.²⁸⁴ He said, "Call upon Me in the day of trouble: I will deliver thee, and thou shalt glorify Me" (Psa. 50:15). Carnal men study carnal war. Spiritual men study spiritual war. The bottom line for spiritual war is to call upon God to do the warring for us.²⁸⁵ The Lord's soldiers believe in God's power to defeat their enemies for them. Only this warfare is legal.²⁸⁶ There shall soon come a day where everyone in Heaven will not study war anymore. Nor shall the people in Hell study war anymore because the war will be over. We in Heaven have already won the war. Those in Hell have lost the war.²⁸⁷ Believe God. He hates the evil in this world and wants to destroy it.²⁸⁸ But He wants us to hate the evil in this world enough to call upon Him to do it.²⁸⁹ All those who believe in evil secularism are in more trouble than they want to be. Trust me on this one.

As you see, God is not a God of love to the wicked.²⁹⁰ God hates them, and there's nothing they can do about the way He feels about them, unless they repent of the evil things they are doing. God wants me to tell every true member of Christ's body to unite to God with me as a mighty army of priestly prayer warriors.²⁹¹ We are to rise up together in prayer to God, as Enoch, Noah, and the entire nation of Israel did on many occasions when they needed God's help.²⁹² We are especially to do so as the prophets, apostles, and Jesus, the Chief Cornerstone of the building of God, did.²⁹³ If we do, God will destroy the destroyer. That is, He will destroy all those who are killing and imprisoning millions of innocent people just because they want to monopolize the condemned world. Their evil souls enjoy doing this, even though their insane minds know their time is short.²⁹⁴ God told me that He will soon destroy everyone involved, including those who refuse to repent from blaspheming God, blaspheming God's Word, and blaspheming God's people.²⁹⁵

Mauritania

Pastor Tony Alamo,

Calvary greetings to you and the entire ministry!!

Your good works to the glory of the Most High God is radiating and inspiring to join the harvest field. May the Lord continue to bless and give you more of His inspiration for the Kingdom work.

I am Minister E.M., in charge of the Presbyterian church here in Nouakchott, Mauritania. I have just browsed your website and the joy of seeing some of your works cannot be expressed. I will be very grateful if you can send some of your inspiring literature to be

distributed to the church members and well-wishers as well.

Sir, I must say that I need you to remember me and the ministry here in your daily prayers for our dreams to come out in reality to the glory of our Lord and Savior Jesus Christ.

In anticipation of a favourable response from your desk, I say may the Almighty who has called us continue to lead and guide us to do His will at all times till the end, to His glory, honour, and praise.

Yours in the service of the Most High.

E.M.

The Psalmist David was a great warrior because he was always meditating on God's Word, and because he was always praying to God in Heaven.²⁹⁶ He prayed to God in Psalm 69:4, Lord, You avenge me of my enemies because they "are more than the hairs of mine head," they are more than I can handle.²⁹⁷ God did it! David died peacefully in his bed.²⁹⁸

Everything today is not beyond our ability in Christ. "If God be for us, who can be against us?" (Rom. 8:31). The answer is no one! God has allowed this environment to be as it is so that we will trust only in Him. He said in John 15:5, "Without Me ye can do nothing." Jesus said our wiseness will be if we "pray always," and added that He will do the avenging (Luke 21:36).²⁹⁹ The only thing that Jesus will look for when He returns to earth is "faith."³⁰⁰ He will look for those who believe in Him and trust only in Him.³⁰¹

Today there are many threats among the nations. Some state that they shall blow us, the United States, off the map. Our leaders respond by saying that we will blow them off the map. We must always remember, "Vengeance is Mine; I will repay, saith the Lord" (Rom. 12:19). Won't you secular leaders please trust God before you all get blown to bits? If you're the right one in the eyes of God, He will destroy your enemies.³⁰² But if you ignore God and try to do it yourself, He will destroy you too.³⁰³ God wants to have the fun. He wants to destroy the evil ones. He sits in the Heavens and laughs when He does it.³⁰⁴ Read Psalm two. If you won't repent, God will destroy you.

When the entire world was almost as bad as we are today, God drowned the entire world, with the exception of Noah and his family, eight souls.³⁰⁵ When God's children cried unto God, He destroyed Egypt. He killed their firstborn, and He drowned the entire Egyptian army.³⁰⁶

He destroyed all the evil ones in Sodom and Gomorrah,³⁰⁷ and again, He killed Sennacherib's army of 185,000 men, as well as many other evil, unrepentant people.³⁰⁸ He shall soon destroy all those who refuse to repent of their sinfulness in these last days. He's going to burn this whole world up very soon.³⁰⁹ If any nation is Hell-bent on destroying any other nation, God will destroy them along with the rest of the evil people. God knows how to deliver His people out of the wicked nations before He destroys them.³¹⁰ But if the Roman infiltrators in our government falsely threaten other governments as Rome commands, and we do what Rome says, God will destroy us, but will make a way of escape for His children. God loves to destroy evil. That's what makes Him good. He does not destroy those you think are evil. He destroys those He knows are evil.³¹¹ That's what makes God a good God.³¹²

In these last days, many will believe God and be purified by the blood of Jesus. The prophet Daniel foretold of this. He said by the Holy Spirit that "Many shall be purified, and made white, and tried; but the wicked shall do wickedly [as they are doing today]: and none of the wicked shall understand; but the wise shall understand" (Dan. 12:10). Understand what? The deep things of God!³¹³

If other nations are really going to send rockets and other weapons of mass destruction to harm innocent men, women, and children, then let's everyone pray, as Hezekiah prayed.³¹⁴ "God, they are obviously wicked because they are not keeping Your commandments. They want to avenge themselves rather than let You do the avenging. God, they are murderers. They want to murder, and they want to destroy the earth. They also want to murder Your people, the ones You are living in, the sons of God, who are the saints.³¹⁵ They want to murder those in the fu-

ture who will believe, before they get a chance to believe, those whose names will, in the near future, be written in the Book of Life.³¹⁶ Lord, You promised to hear our prayers and answer them. So Lord, with speed, if this be the case, save their souls, or do as You did to the first-born of Egypt and the army of Sennacherib, in the mighty name of Jesus. I know You are a God of Your Word.³¹⁷ You command us to keep Your Word. Now Father, You must keep Your Word. You must keep Your promises. Your Word is true and Your promises are true.³¹⁸ So Father, answer us now and let us see the manifestation of that answer before our very eyes. Please do it now in the mighty name of Jesus. Amen. This is the prayer You want all of us to pray, and if we always pray this prayer, we who believe will have the victory."³¹⁹

EIGHT SHALL CHASE TEN BILLION

Many men say, "I'm not afraid to die." However, if they're not saved, they should be afraid of that awful place, the place where they shall spend eternity.³²⁰ Before boasting "I'm not afraid to die," you better get saved. "We are [only] more than conquerors" in Christ Jesus (Rom. 8:37). One praying member of Christ's body shall "chase a thousand, and two put ten thousand to flight" (Deut. 32:30). If this figure is multiplied ten times with each additional person, then three will chase a hundred thousand, four a million, five ten million, six a hundred million, seven a billion, and eight ten billion. Therefore, if only eight true blood-washed, Spirit-filled members of Christ's body approach the throne of God in the blood of Jesus and in the name of Jesus, no evil person will be able to escape, because there's not even ten billion people on earth. How much more quickly will this happen if every member of Christ's body joins together as an army of priests and bombards the throne of God with our prayers? God will be on the move as He has never been before. "The Lord is my rock, and my fortress, and my deliverer; my God, my strength, in whom I will trust; my buckler, and the horn of my salvation, and my high tower. I will call upon the Lord, who is worthy to be praised: so shall I be saved from mine enemies" (Psa. 18:2-3). They won't know what hit them. They're Mystery, Babylon the Great, and we are the mysterious and militant body of Christ.³²¹ When we pray to our Father in the name of Jesus, they won't know where all this wrath is coming from. Again, as Daniel said by the Spirit, they don't understand.³²² They won't have time to figure it out. God will hit them sud-

denly.³²³ The only notice they're getting is from God's true preachers. "If God be for us, who can be against us?" (Rom. 8:31). This is because if God is with us, whether we are two or eight, we are more than they are.³²⁴

Just as the people of Egypt listened to Joseph four hundred years before the time of Moses,³²⁵ the people of the world must listen to me. I'm telling you the truth of what God's Word says, the truth that He's going to destroy many evil people soon.³²⁶ As God rescued Noah and his family from the deluge, as He rescued Lot and his two daughters from Sodom, as He rescued the people from Egypt and from their enemies seven times in the book of Judges, as He rescued the Hebrew children from the fiery furnace, and as He rescued Daniel from the lion's den, He will rescue you, His people, in these last hours of time from the destruction of the world and from the fire, which shall burn the whole world up.³²⁷

All of us must be of "one body, and one Spirit, even as ye are called in one hope of your calling; One Lord, one faith, one baptism, One God and Father of all, who is above all, and through all, and in you all" (Eph. 4:4-6), so that we all can think and act as Christ. We, with Christ, must be as one, and we must move as God wants us to move. He wants us to pray for that which we desire.³²⁸ We must desire the salvation of souls and the destruction of Satan's kingdom. If we don't desire these things we won't get them because God says He only gives us "the desires of [our] heart[s]" (Psa. 37:4), the desires we ask for with all of our hearts. We who are the members of Christ's body are in scripture said to be "the

fulness of Christ" (Eph. 4:13) and "the fulness of God" (Eph. 3:19). So, by our being the fulness of Christ, by our being the fulness of God, and by our knowing God's Word, we know the truth, which is God in Christ in us.³²⁹

For those of you who are not yet members of Christ's body, the fulness of Christ, the fulness of God, you need to become a member of this fulness now, so that you can help those of us who are already members of God in Christ to pray to God against the wrathful devil who's been cast down to earth, the one who wants to destroy your life, your soul, the lives of your loved ones, and their souls.³³⁰ Don't let the wrath of

Satan, as expressed through the members of his cult, his government, and his media, frighten you or deceive you any longer. If it is the desire of your heart, then join us in prayer. God will save those who desire salvation,³³¹ and will destroy the wicked with their wrath.³³² Hopefully you desire salvation. If being saved is the desire of your heart, then become a child of God now. Rise above deception, sin, Satan, the world, your flesh, death, Hell, and the grave. Let Christ, the fulness of the Godhead bodily, enter your spirit by His Spirit. Then you can begin to grow in Christ. Begin now by saying this prayer:

Prayer

My Lord and my God, have mercy upon my soul, a sinner.¹ I believe that Jesus Christ is the Son of the living God.² I believe that He died on the cross and shed His precious blood for the forgiveness of all my sins.³ I believe that God raised Jesus from the dead by the power of the Holy Spirit⁴ and that He sits on the right hand of God at this moment, hearing my confession of sin and this prayer.⁵ I open up the door of my heart and I invite You into my heart, Lord Jesus.⁶ Wash all of my filthy sins away in the precious blood that You shed in my place on the cross at Calvary.⁷ You will not turn me away, Lord Jesus, You will forgive my sins and save my soul. I know because Your Word, the Bible says so.⁸ Your Word says that You will turn no one away, and that includes me.⁹ Therefore, I know that You have heard me, and I know that You have answered me, and I know that I am saved.¹⁰ And I thank You, Lord Jesus, for saving my soul, and I will show my thankfulness by doing as You command and sin no more.¹¹

You've just completed the first step in a series of five steps which are necessary to receive salvation. Your second step is to deny yourself and take up the cross daily for the purpose of mortifying yourself, that is, for putting to death your own will, your soulful self, and the world with all of its lusts. All these must be baptized into the death of Christ.

Step three is your resurrection from the satanic life of Adam unto the sinless life of Christ. Step four is your ascension into a position of au-

thority to reign for God on earth, and the fifth step is to reign for God on earth to the end for the purpose of bringing about the Kingdom of Heaven on earth. You must learn the Word of God, then submit yourself and do what the Word says, so that the Church and the world may see evidence of your submission to God's Word, His order, and His authority in and by you.

Praise the Lord. May God reward you abundantly.
