The anti-Christ one-world government has sunk to the lowest guttural level as never before. They have now started using the same tactics as Larry Flynt, the editor of *Hustler*, pornographic magazine. Flynt stated that Jerry Falwell, a TV evangelist, had sex with his mother in an outside toilet. Of course, Falwell sued, and the Supreme Court found that it's okay to lie. This has given the world government license to falsely accuse world evangelist Tony Alamo of a similar Larry Flynt-type false accusation. The diabolical government has stated, "Christian fundamentalist Tony Alamo is guilty of transporting minors across state lines for the purpose of prostitution."

The young woman the government is using to accuse Pastor Alamo is a woman who has a mental disorder. Her family has a history of mental disorders and insanity. Her mother also has another retarded daughter and two sons that are retarded. There isn't anyone in the world that would not think this to be retarded or insane. No one in their right mind would believe such people. The demonic government knows who they can cook things up with.

In World War II, under the Third Reich, madman Adolph Hitler had insane and retarded people sterilized for fear that they would breed a Germany of retarded and insane people. This thinking, of

course, is a great evil. The New World Order today is using retarded and insane people rather than sterilizing them. They brainwash them and use them to bring false charges against strong Christians, such as Pastor Alamo. They did this September 20, 2008, on Pastor Alamo's 74th birthday. The government, through this girl and her mother, has accused him of transporting minors across state lines for the purpose of prostitution. Insane and retarded people are not to be held responsible for the things they say or do.

The world government is saying that decent Christian schools are dangerous for children because they preach the Bible to them. The government believes the Bible to be dangerous, but, in reality, it is extremely dangerous not to believe what the Bible says. It is the public school system that is dangerous for children to attend. They teach unlawful sex, which is fornication, homosexuality, lesbianism, with underage children. They also teach evolution, which is the exact opposite of the Bible; and if it is believed, it will send a person's soul to Hell and later the lake of fire. They provide the children with condoms and birth control pills. This is why millions of people in the U.S. are homeschooling their children.

Pastor Alamo stated, "Every time we, at the Tony Alamo Christian Ministries,

see a Catholic boy's choir, our hearts break for every one of those young boys. We've all seen and heard the more-than-ample proof that Catholic boys are abused sexually and in other ways. The young girls are abused and violated as well. The Catholic church and schools are far too dangerous for children, both boys and girls, to attend. They are also extremely dangerous for adult men and women."

False accusations of pornography was the excuse given by over one hundred government agents to thoroughly check everything in our school, mission, and Tony Alamo's small living facility, and

nothing was found, as per usual. This type of tactic has been used over and over again by the government on Tony Alamo. They also found no evidence, as in many times past, of weapons, drugs, or pornography, which Pastor Alamo has preached against for over forty-four years. Also, Pastor Alamo has never, and there is nothing on his record of ever being involved in any sex crimes.

This entire case is a bid for the world government to put a stop to the freedom of religion, the freedom of speech, and the freedom to preach the Bible as it is. What will the government say next that you can say and what you cannot say, what you can teach from the Bible and what you cannot teach from the Bible?

I just got done re-reading and studying Pastor Alamo's newsletter entitled *Difficult Mountain*. The way the Holy Spirit was speaking to my heart, I felt I should encourage everyone to read, re-read, and study this amazing, mighty prophecy about this mountain with Pastor Sue and Pastor Tony on it with all the tribulation! The Lord told Pastor Tony over forty-four years ago that there would be great persecution, slanderous character assassination, brutal trials, tribulations, jailing, imprisonment, beatings, stoning, treachery, betrayals, false brethren, false accusers, despisers of the ones that are doing the good work of the Lord, in our very near future. All of these hellish things were, in one way or another, inspired by Satan. The powers of darkness tried and still are trying to make

world to them, the only message that would tell them how to have God's life living in them and through them, the only message able to keep them out of the fiery pits of Hell and the lake of fire, the only message that, if they received it, would save their souls and get them into Heaven for eternity. True Christians must be dubbed "cults" and destroyed, says the Vatican-controlled one-world system. Anything that is of God must be lied about and, if possible, destroyed. But God will do a quick work, and destroy them, and soon, before Jesus' soon return. The devil is the accuser of the saints. He accused the saints through his devilish workers (humans) that he lives and works in. They are the incarnation of Satan on earth, and they do what Satan commands them to do, just as we, who are the continuation of the Lord's incarnation here on earth, do what God commands us to do. Satan is filled with wrath, because he knows that his time, the time before he shall be cast into the lake of fire, is short.

Dear Tony,

You are indeed in my prayers. Take hope knowing the cause of your persecution. "All that will live godly in Christ Jesus shall suffer persecution" (II Tim. 3:12). Jesus said, "Remember the Word that I said unto you, The servant is not greater than his lord. If they have persecuted Me, they will also persecute you; if they have kept My saying, they will keep yours also" (John 15:20).

To All,

In the many years that I have known Tony, I have observed only a strong moral person that I have always looked up to. Tony is a person that has always put his faith completely in Christ (and followed His ways). To me, any charges as those I have read or heard in the media are beyond reality.

When Tony and I were young, we were in the fitness center business together and so I got to know Tony as close as my own brother (Tony was one of the most hard-working and moral persons that I ever associated with).

Dear Reverend Alamo,

Praise the Lord! I was very pleased to receive your package of materials, and I am looking forward to pursuing these materials in depth. Thank you!

I was upset to hear of the recent persecution of your church and ministry by the federal government, in relation to the raid on your church several days ago. I am praying fervently and pleading the blood of Jesus, that all members of your flock are kept safe.

He who is in us is greater than he who is in the world! Be encouraged, Pastor, and keep on taking ground for the Kingdom of God Almighty! You are in my prayers constantly.

Best wishes,

Praise the Lord,

My husband and I are keeping Tony in our prayers and are confident in the Lord that this will pass away like all of the other persecution we have seen the church go through these forty

years. Every time we go through the trial, the church grows stronger and expands. We are a world-wide ministry and no devil in Hell can stop us. The more they afflict us, the more we multiply and grow (Exodus 1:12).

Please let Tony know that we are willing to help out in any way. I have enclosed a letter from myself. My husband wrote a letter that was sent to 12 newspapers nationwide, but no one printed it. We realize the Vatican runs the newspapers, but at least we got to let the editors know what is really going on. Our letters can be used in any way.

To whom it may concern:

What is going on in our country? Here the young children run around with no respect for their parents and authority. They are drinking and taking drugs earlier and earlier, preteens and teens having sex in the classrooms, and then the girls are urged to have abortions. Everyone knows these facts are true. Oh, yeah, I forgot, there is also an alarming amount of school shootings going on. So why am I bringing this up? It is a rough world out there, and our government isn't doing anything about it because they are the problem. Instead, they want to go after true Christians, like Pastor Tony Alamo, who preaches against drinking, drugs, homosexuality, fornication, abortion and all other sins that send people's souls to Hell. There is no pornography going on in his church. I've known Pastor Alamo since I was

Dear Brothers/Sisters in the Lord of the Tony Alamo Christian Ministries,

It is indeed our great concern and we are grieved that a divine servant of God, who is making a great impact in the world by transforming the most simple man's life into being somebody in the eyes of God, through God's divine messages put into his mind by God Himself, has been jailed.

It is indeed my appeal that we, the Future Leaders Orphanage Ministry that was supported by World Pastor Tony Alamo, stand by you in prayers. We indeed know that World Pastor Tony Alamo is innocent, for we all should be aware of this, because the Bible stated it and it must come to pass, that we that are of God will face all these in the end time.

In this view, we here in Africa do know that World Pastor is very much innocent of those lies from the end time government in America. Our children, elders, and all our members of the Future Leaders Orphanage Ministry are therefore with World Pastor Tony Alamo in prayers and we are also in prayers with the entire ministries. May the Lord be with World Pastor, and may the Lord be his judge, because He is the best judge of all judges. Praise the Lord, and God bless you all.

Respectfully yours,

17 years old. I am now 56, and I have a daughter at the church and five grandchildren. I am still sick to my stomach about that demonic raid that happened to the church in Fouke, because, like I told one of my co-workers, if I was visiting my friends at the Tony Alamo Christian Church at Fouke, Arkansas, with my granddaughter (who is 12), those 100 government agents would have kidnapped her. Watch out American Christians, the FBI, ATF, DHS, local police, and sheriff depart-

ment may come to your church next, accuse your pastor, take away your precious children. Pastor Alamo is completely innocent. They completely tore apart his house and office and found no pornography. The children at the Alamo Church live a physically and morally clean Christian life. They are intelligent and very happy. They live in a safe, Godly environment. Why doesn't the government just leave them alone?

Let's see, what exactly is the big crime of the Alamo Christian Church?

They despise perverted homosexuals? NO, not true, they preach that perverted homosexuals have the right to repent and get saved like any other sinner.

They despise the Catholic Church with all their homosexual priests?

NO, not true, they preach that even homosexual Catholic priests have the right to repent and get saved like any other sinner.

They despise the government? NO, not true, the Alamo Christian Church preaches that even the President of the United States can repent and be saved like any other sinner.

Anyone who peeps one syllable against

the homosexuals, the pope's church, or God forbid, say anything against the government, all hell and its fury will be unleashed against him!

The allegations against Pastor Tony Alamo are nothing more than a pack of lies.

I stand with born-again Christians.

You can choose to believe all the lies and stand with the homosexuals, perverted priests and the corrupt government.

It's a free country.

Or is it?

### SATAN BEHIND ALLEGATIONS

I would caution you Christians out there before you jump on the bandwagon to help crucify Tony Alamo and his church. I don't go to his church, nor am I a member, but I sure see a strange inconsistency in what the government and media are saying about him and backsliding former members are saying, and the works that he and his church are doing.

For more than forty years they have been going after the lost and dying that few will help or care about. I believe he and his church have won more souls than all the churches put together.

Christians, do you not think that there is not going to be retaliation from Satan and the government when someone exposes their atrocities and the Vatican plans to destroy and take over this once great nation? Come on! Beware, Christians; we are living in the last days. It's been given unto Satan to make war against the saints (Rev. 13:7).

And even the very elect would be deceived if it were possible (Matt. 24:24). It's just more lies and false accusations from the beast, Satan.

**My Lord and my God, have mercy upon my soul, a sinner.<sup>1</sup> I believe that Jesus Christ is the Son of the living God.<sup>2</sup> I believe that He died on the cross and shed His precious blood for the forgiveness of all my former sins.<sup>3</sup> I believe that God raised Jesus from the dead by the power of the Holy Spirit,<sup>4</sup> and that He sits on the right hand of God at this moment, hearing my confession of sin and this prayer.<sup>5</sup> I open up the door of my heart, and I invite You into my heart, Lord Jesus.<sup>6</sup> Wash all of my filthy sins away in the precious blood that You shed in my place on the cross at Calvary.<sup>7</sup> You will not turn me away, Lord Jesus; You will forgive my sins and save my soul. You've just completed the first step in a series of five steps which are necessary to receive salvation. Your second step is to deny yourself and take up the cross daily for the purpose of mortifying yourself, that is, for putting to death your own will, your soulful self, and the world with all of its lusts. All these must be baptized into the death of Christ.

Step three is your resurrection from the satanic life of Adam unto the sinless life of Christ. Step four is your ascension into a position of authority to

reign for God on earth, and the fifth step is to reign for God on earth to the end for the purpose of bringing about the Kingdom of Heaven on earth. You must learn the Word of God, then submit yourself and do what the Word says, so that the church and the world may see evidence of your submission to God's Word, His order, and His authority in and by you.

Praise the Lord. May God reward you abundantly.
