

GOVERNMENT SUBVERSION AGAINST TONY ALAMO

**LOS ANGELES DISTRICT ATTORNEY
IRA REINER USES CRIMINAL ELEMENT
TO BEAR FALSE WITNESS AGAINST
TONY ALAMO AND HIS CHURCH
ALL CHARGES WERE DROPPED
BECAUSE THEY WERE FALSE**

This Persecution Continues Today—from 1964–2009.

District Attorney Reiner is an avid user of criminal informers¹ to concoct false cases against innocent people. Another paid police and district attorney liar, Leslie Vernon White, who was a seven-time convicted felon, demonstrated how false confessions and testimonies have been concocted. He said that these practices were widespread in the Los Angeles Police Department and district attorney's office. By making a few phone calls from a pay phone, he was able to receive enough information about an

existing case to fabricate a false confession of an unknowing innocent prospect² which, in turn, would get him a weekend leave³ out of jail from District Attorney Reiner. He said that among the criminal informers, the well-used slogan was, "Why spend time, just drop a dime."⁴

A notable defense attorney stated that the criminal informers "don't even need a dime" (to make the fraudulent calls for information to concoct false testimony). He says there are instances where the district attorney would

give criminal informers police case files to review for themselves, making it very easy for criminals to concoct a false confession or testimony against someone else (like the Alamos).⁵

Many defense attorneys insist that District Attorney Reiner and other Los Angeles prosecutors, such as Lancaster's District Attorney Foltz (a convicted child abuser), have had an organized, formalized system of using unreliable, criminal snitches for a long time. They also stated that they have specific examples that this continues, even

though District Attorney Reiner expounds differently.⁶

Reiner absolutely refused to talk to *60 Minutes* on his use of bogus informers.⁷

Just mentioning one of the many cases: District Attorney Reiner initiated false charges against Bobbi Fielder (a candidate for the U.S. Senate). She was almost immediately cleared of all wrong doing by the Superior Court and the charges were dismissed. But in the meantime, because of District Attorney Reiner's false charges, her opportunity to make it into the Senate was obliterated. Reiner had absolutely no grounds for his false charges against Bobbi Fiedler. He was doing no less than smearing a candidate for high office, using the especially deadly mud of felony accusations. He reduced the dignity of the great city of Los Angeles' District Attorney's office to a despicable hatchet job just as he is now doing against Pastor Tony Alamo and his church.⁸

In another case, an ex-police woman was writing a book about the Los Angeles Police Department. As she was nearing completion of the book, she was arrested in a Reiner-inspired police "sting" and falsely charged with pandering. At her trial, the chief witness against her (a police agent) stated that she wanted to help arrest her to keep her from completing her book. After a brief time in jail, she was out on probation; but District Attorney Reiner argued that she should be given at least three years in prison because her crime of pandering

was compounded by having written a book attacking a public institution and public employees. Reiner went on record in a brief as saying that she should be thrown in jail not only for pandering, but also for daring to criticize the government. (If this is supposed to be government, who shall we appoint to protect us from this Mafia-type government?)⁹

Regarding the McMartin preschool molestation case, District Attorney Reiner has been accused of "outrageous government misconduct."¹⁰ After years of trial (one of the costliest and longest in history), District Attorney Reiner had to dismiss the charges against five of the original seven defendants for lack of evidence. The direct results have been the torture of these innocent people.¹¹

From the beginning of this case, hundreds of felony counts of child molestation were all inspired by the incoherent whisperings of a pre-verbal two and a half year old child and his mother, who was a known mental case who later committed suicide.¹²

In 1980, when District Attorney Reiner was Los Angeles City Controller, he was accused by four different legislators of engaging in a smear campaign against them.¹³

Reiner criticizes and demotes other district attorneys (Prosecutor D'Agostino, Chief Deputy Gilbert Garcetti) that criticize him or run against him in elections.¹⁴ The Republican Party stated that Reiner found political fortune by criticizing the spending habits of other public

officials, while he uses county-paid bodyguards to pick up his laundry and chauffeur him around town at a cost of nearly \$400,000.00 a year.¹⁵

In 1980, City Controller Ira Reiner was scolded by the city council for a "major misallocation" of twenty million dollars of city funds. To top this off, his error cost the city over one million dollars more.¹⁶

Reiner was publicly reproved by the California State Bar for violating rules of professional conduct. He in turn stated, "The bar has a distorted view." Reiner's mistake, in this incident alone, cost the city an estimated two million dollars. Reiner refuses to show any remorse.¹⁷

Ira Reiner's wife is a Los Angeles Superior Court judge (Diane Wayne). Howard Jarvis suggested that Reiner's wife was appointed to the Superior Court bench by Governor Jerry Brown as a "political debt" to Reiner.¹⁸

One reporter, in profiling Mr. Reiner, commented about his reluctance to ever discuss his personal life.¹⁹ Many of his "inner circle" friends are of very questionable reputation.

A prostitute, whose clients are among District Attorney Reiner's "elite inner circle," stated that it is a common thing for her clients to speak of District Attorney Reiner's **SEXUAL INVOLVEMENTS WITH CHILDREN!**²⁰

Marvin Mitchelson is a good friend of District Attorney Ira Reiner.

State Bar Chief Trial Counsel James A. Bascue said, "We have

in excess of 20 complaints against Mr. Mitchelson.” Mitchelson is presently facing possible disbarment.²¹

The California State Bar is also investigating allegations made by two former clients that Mitchelson sexually assaulted them—one involved a claim of rape. A June 60 *Minutes* report cited five other women who have accused him of rape or sexual assault.²²

District Attorney Reiner concluded that there was insufficient evidence to prosecute his friend, Marvin Mitchelson. The victims complained that District Attorney Reiner gave Mitchelson preferential treatment.²³

A Los Angeles County Grand Jury repeatedly requested more investigation into the rapes and sexual assaults and why District Attorney Reiner would not prosecute Mitchelson. District Attorney Reiner refused the request, and one juror even resigned in protest.²⁴

Another prostitute, whose clients are among District Attorney Reiner’s “inner circle,” said that it is a well known fact that District Attorney Reiner didn’t pursue charges against Mitchelson because of their friendship. She said that Reiner is known to protect his friends and political associates, who are involved in numerous criminal activities, while fabricating charges against his enemies. She also states that Reiner “looks the other way” in regards to prostitution and cocaine use among his “elite associates.”²⁵

DISTRICT ATTORNEY REINER USES MENTALLY DISTURBED

LANCASTER DISTRICT ATTORNEY (FOLTZ) BY ISSUING MALICIOUS WARRANTS FOR THE PURPOSE OF CHARACTER ASSASSINATION AND SET-UP—LEGALIZED MAFIA MURDER. LOS ANGELES LEGAL MAFIA MEMBER ROBERT BRUCE FOLTZ, LANCASTER DISTRICT ATTORNEY, SHOULD BE DISQUALIFIED FROM OFFICE OF DISTRICT ATTORNEY BECAUSE OF HIS SELF-CONFESSED MENTAL BREAKDOWN PROBLEMS AND NUMEROUS FRAUDS.

Robert Bruce Foltz is a deputy district attorney under District Attorney Ira Reiner.

He is presently under investigation and facing five years probation or possible disbarment by the State Bar of California. In response to the numerous complaints brought against him, he has stated in a legal brief that his malpractice was due to his having “**EXPERIENCED SEVERE PSYCHOLOGICAL IMPLICATIONS** ...resulting in a **TOTAL MENTAL BREAKDOWN.**” “He sought psychological counseling and has been diagnosed as suffering from ‘**CHRONIC NONSPECIFIC DEPRESSION.**’”²⁶

He abandoned his private law practice in September 1984, along with all his clients and their cases which he was handling. He immediately went to work for Ira Reiner at the Los Angeles District Attorney’s office and has been so employed to the present.²⁷

Foltz is presently the defendant

in case No-C-8741 before the Superior Court of the State of California and is being sued for legal malpractice, breach of contract, fraud and intentional infliction of emotional distress. The plaintiffs are alleging that Robert B. Foltz abandoned their case while representing them and then fraudulently led them to believe that he was still pursuing their case for years.²⁸

The plaintiffs’ attorney, Gerald Fink, alleges that Foltz will not produce documents, show up for his deposition, or even return his phone calls made to the district attorney’s office. Foltz’s defense to these charges is to plead insanity and hide behind District Attorney Reiner’s office, hoping that the statute of limitations for damages against him will run out.²⁹ Foltz and Reiner and a few other criminals are manufacturing the story that Tony Alamo is a child abuser. It is our understanding that the district attorney’s office is currently under investigation for using criminals to fabricate stories against citizens in the Los Angeles area.³⁰

Admitted insane man District Attorney Foltz is the pawn that District Attorney Reiner is presently using to harass and bring false child abuse charges against the Holy Alamo Christian Church by the use of false criminal testimony.

AGAINST ALAMO. THEIR OWN TESTIMONIES CORRESPOND IDENTICALLY WITH TACKWOOD'S.

Louis Tackwood is a former gang member with a long criminal record of over forty-one felony counts against him.³¹ He began working as a criminal police informer in 1962.³² After being busted for auto theft, he was let off to walk the streets on the agreement that he would cooperate with (lie for) the police and district attorney's offices. The police would set him up with narcotics, guns, and explosives to use in setting people up for busts.

Tackwood is a professional agent-provocateur (a "police agent who is introduced into any organization with instructions to foment discontent...or to fake a case in order to give his employers the right to act against the organization in question"). "Disruption, entrapment, and false information are his daily duties."³³ Tackwood also states that one of his employers (Criminal Conspiracy Section of the L.A.P.D.) "spend all their time cooking up false criminal conspiracies against targeted organizations." Tackwood stated that because of his long-time service as an illicit informer and agent-provocateur, the district attorney granted him a "license to steal" and in one case "to kill" in return for his services. Tackwood admitted that he had fabricated lies on many occasions and had many people sent to jail, and some

even to death row on Tackwood's lying testimony.³⁴

Three reporters from the *Los Angeles Times*, *Newsweek* and *Washington Post* interviewed Tackwood at length and then took him to a lie detector expert to verify his statements. Chris Gugas, Board Chairman and past president of the American Polygraph Association stated, "The examiner is of the opinion that Louis Tackwood did answer all critical questions truthfully in his examination and that his statements have considerable validity" (in reference to his work and tactics with the police).³⁵

Tackwood said that the intelligence division of the L.A.P.D. that controlled him also controlled murderers, and if they wanted you DEAD, they would set you up for a hit.³⁶

Tackwood said that in working with the Criminal Conspiracy Section (C.C.S.) of L.A.P.D., that they would invent and exaggerate minute points and then blow it into a case. He said, "Everybody thinks that (speaking of the department) when you say 'criminal conspiracy,' you mean that they're out to combat criminal conspiracy, but actually they're out to create it."³⁷

Tackwood's mouth could be bought for a hundred dollars. Tackwood said, "I have a buddy that I would go to Hell and back for, but I still set him up and got him convicted on a dope sale." There is nothing that he wouldn't do for a price.³⁸

Tackwood said that the police regularly use phone taps to monitor

everyone, and then pick out the lines that they want to individually hone in on. His own phone had an extension running right into the glass house (Intelligence Division of L.A.P.D.). This was confirmed by the reporters investigating his story.³⁹

Court documents show that he (Tackwood) has done suspiciously little "hard time" despite his long criminal record of arrest and conviction.⁴⁰

Louis Tackwood was sent into the Alamo Christian Church by District Attorney Reiner and Robert Foltz to fabricate concocted testimony against the Reverend Tony Alamo and his church.

He's an active member of the Episcopalian (one-world Catholic) church and a long time friend of Governor Deukmejian; the two of them are lay readers of the same church.

He was appointed to the Superior Court bench in 1985, by Deukmejian (after Deukmejian became governor).

Judge Armstrong has yet to establish a good reputation among lawyers, and some who have appeared before him feel that "... his weakness is that he's not up on the law..."⁴¹ and that he issues false warrants against citizens at criminals' requests.

The news media constantly berates the Alamo Church by using typical subversive blast words such as "compound," "cult," "brainwashing," "child abuse," etc. and other derogatory one-world customary propagandistic slurs. By now, everyone should be able to see the conspiracy of the one-world church government and media to destroy Christian fundamentalism and American patriotism.

A complete notarized confession of Louis Tackwood is available upon request. Tackwood confesses no abuse at Alamo Church.⁴² Hundreds testify the same.

Hundreds of other notarized testimonies are available at your request, including Bob and Carey Miller and their mother Gerry Miller praising the works of the Alamo Church.

Also available is a 44-page color pictorial magazine of the facilities of the Holy Alamo Christian Church.

In ordinary times, it would be hard to figure out why the American government would try to destroy good works like the Alamo Church. But now, it should be very clear why the I.R.S. would give tax-exempt statuses to every communist organization in the US,⁴³ and then smear anti-communist Alamo by paid false witnesses, then take Alamo's tax-exempt status away, and sue this worthwhile, very effective struggling church for millions, which would take away everyone's home and livelihood at the church. The I.R.S., the Department of Labor, and Department of Finance and Administration, with their paid false witnesses, have all joined hands in this subversive, malicious concert to destroy the Alamo Church. And now the district attorneys will issue orders to the police department to arrest the church people for distributing this literature because they don't believe in the freedom of speech and the freedom of press, if it means exposing themselves and the rest of today's legal Mafia.

With a criminal governmental system like this, how can we go on any longer? We true Christians have the answers to all of today's problems and that is why this criminal government has tried to stop us for the past 25 (now 45) years, and of course, have not succeeded nor will they ever succeed to stop the gospel of the Lord Jesus Christ.

In the Old Testament, in the days of Moses as well as in the New Testament, in the days of the Apostle Paul, they (Moses and

Paul) enforced the Law of God and all corruption was immediately purged. This must be done today!!

This corrupt, unsaved, unregenerated group of criminals that call themselves "the law," must be judged by the law. "The law is for the lawless" (I Tim. 1:9). The Bible states that there is no power other than the power of God. Those powers are the ministers of God, "... the powers that be are ordained of God" (Rom. 13:1). I am a highly chosen minister from the Almighty God with intelligence enough (the intelligence of God's Word) to have weeded out this corruption in both the world government and in the United States at every level, from the White House on down. I have untangled this whole mess for you and have presented it to you (the American public) in a fashion where you can easily understand and assimilate it. The founding fathers of our country knew in Europe when enough was enough, and they put to an end the tyranny and crime of human enslavement and all of its fringe benefits (all government welfare enslavement benefits at the expense of others).

The citizens of today are being punished as criminals when they have done nothing wrong, and the governmental criminals have rewarded their friends, the jailhouse criminals; and society, including our children, have sought exodus, escapism, into the worst

drug culture of history. It is high time to reward these criminals in high places. The Word of God says, "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places" (Eph. 6:12).

But a move like this takes godly leadership and lots of experience. And I believe that I am the man that has the godly leadership qualities and lots of experience dealing with the devil and his armies. This subversive government has infiltrated with their termites every attempt to try to retaliate against their subversions. Clusters of concerned citizens would gather themselves in homes to discuss how to do this and then their termites infiltrate, betray, and have them hauled off to jail cells somewhere on the conspiratorial word of a paid jailhouse snitch (a friend of the D.A., judge, etc.).

God commands, "Resist the devil, and he will flee from you" (James 4:7). (This is a commandment!) God also commands, to give no place to the devil (Eph. 4:27). (This also is a commandment of the Most High and holy God!) That certainly means not to give Satan or his soldiers any place at all (authority over you, or our loved ones or your country).

Most of the churches of today have fallen away unto Satan, just as the Word of God said that they would, and they have been made the most effective tools in the hands of satanic governments because of false ministers who tell them that God and His Word and

His servants are wrong. They tell you not to be controversial, like controversial Jesus and all of His controversial followers. The false churches tell you to lay down for Satan and let him walk all over you and your loved ones. God says that ye shall tread over Satan (Luke 10:19), not Satan over you. But the whole earth shall be deceived (Dan. 11:21-24, Rev. 12:9).

Through the gospel of the Lord Jesus Christ, our church and myself have helped millions to find the living God. Souls have been saved, minds and bodies healed and instantly delivered from drugs and all kinds of evil. A new meaningful course has been set in life. There now is a purpose—a purpose for living and an eternal purpose (everlasting life in Heaven). Jesus said, "Think not that I am come to send peace on earth; I came not to send peace, but a sword" (Matt. 10:34). Jesus came to this world to show us the difference between good and evil, and He told us that we had to make a choice between good and evil. He didn't come to this world to condemn us. We condemn ourselves if we make the wrong choice.

AFFIDAVIT FROM A FORMER JAILHOUSE INFORMANT WHO INFILTRATED INTO THE TONY ALAMO CHRISTIAN CHURCH

I, Louis Tackwood, have been living at the Alamo Christian Fundamental Church for about one year. In all this time, I have never personally seen or heard of any child abuse, but I have seen deep love and devotion for all the

children, both the ones living here and all the children who visit the church. This is why I was proud to have my son, Jason Tackwood, age nine, until the morning of March 30, 1988, when the police invaded our church property with what they said was warrants for my fellow ministers on the false charges of child abuse.

The following statement is a true account of what occurred on that morning to myself and my son at 6:30 a.m., March 30, 1988. A fellow minister informed me that the police were on the church property, so I got up out of bed (I sleep in one of the dorms on the church property), put my clothes on, and started to wake my son up (he had been spending his Easter school break with me at the church). At this time the handle on the door started to turn, I looked up because my bed is the first one facing the door, the next thing I knew, the door was kicked open and a large police with a 12 gauge shotgun was standing there. He cocked the shotgun and said, "Welcome to the party, will you join us outside?" I asked him, could I get my son up. He said, "No," and leveled the shotgun at me and told me to get out and over to the others. When I came out, I saw about six to eight police officers with shotguns and cocked pistols all pointed at two groups of my fellow ministers of the gospel. One of the police put his hands on my neck and pointed his gun to my head and told me to put my hands on a car.

About five minutes went by and the police sent my little boy over to the car where he had to put his

hands on it too. We stood there for 15 minutes. It was very cold and my little boy was shaking.

The police finally told all of us to go into the church. When we got there I was made to sit in one place, my little boy another. The police kept questioning my little boy, but all he would say is he wants to sit with his father. They finally called me over to where they had him sitting (about 20 feet from the rest of us).

When I sat down, the policeman who seemed to be in charge informed me they were taking my son somewhere else. I asked them why. He said for his protection and safety. I told them he was safe with me. My son also stated he didn't want to go anywhere with them. I protested again. My son said, "Daddy, where are they taking me? Are you going?" The officer said your daddy's going to jail. At this point, they made me move back to where the other ministers were being kept. About ten minutes later a lady police called me out of our group and told me she was taking my son to another location. I protested again. My son called me. They told us to be quiet. They took him out to our other property where they made him undress and asked him what he called "stupid questions." "How many times were you spanked with a paddle? Did it hurt?" These

questions confused him because he has never been spanked with a paddle in his life and doesn't understand what misuse is.

Later that night he was so upset because he thought they would come back and make him undress again. I had to take him back to the city where he lives.

I have been at the church for some time, and I've never seen any child abuse. These charges are unfounded and there must be something done about these charges and this constant harassment on my church. I've committed no crimes but rather only preach and teach the Word of God, the King James Version of the Bible.

The only act of child abuse I have ever seen occur on our church property at any time, was on the morning of March 30, 1988, when an army of police raided our church and without regard for our children's feelings, stripped them naked and mentally abused them with false and misleading questions; and the bottom line—they found 20 happy and well treated children. They left 20 confused and frightened ones.

The choice must be your own. You cannot serve God and this wicked mammon government (wicked church government) (Matt. 6:24). You must make a choice.

If you wish to serve the Lord Jesus Christ not as the false churches of today say you must serve Him, but as the Lord Jesus Christ, in the King James Version of the Bible, says that you must serve Him (if you wish to go to Heaven), then stand with us in these last days of tribulation, and let us know that you're standing with the Lord, and help us fight the good fight of faith (II Tim. 4:7). Jesus defeated Satan two thousand years ago. Victory is sure. For as David, we come against this satanic, Goliath, fake, Babylonian, Roman government (THE BEAST) in THE NAME OF THE LORD GOD ALMIGHTY, WHO IS JESUS, OUR SAVIOR, LORD, AND KING.

Contact us immediately. You need our support. According to the Bible, we need each other. If you don't know the Lord Jesus Christ as your personal Savior then say this prayer:

My Lord and my God, have mercy upon my soul, a sinner.¹ I believe that Jesus Christ is the Son of the living God.² I believe that He died on the cross and shed His precious blood for the forgiveness of all my former sins.³ I believe that God raised Jesus from the dead by the power of the Holy Spirit⁴ and that He sits on

I know because Your Word, the Bible, says so.⁸ Your Word says that You will turn no one away, and that includes me.⁹ Therefore, I know that You have heard me, and I know that You have answered me, and I know that I am saved.¹⁰

And I thank You, Lord Jesus, for saving my soul, and I will show my thankfulness by doing as You command and sin no more.¹¹

You've just completed the first step in a series of five steps which are necessary to receive salvation. Your second step is to deny yourself and take up your cross daily and follow Jesus for the purpose of mortifying your flesh, that is, for putting to death your own will, your soulful self, and the world with all of its lusts. All these must be baptized into the watery death of Christ.

Step three is your resurrection from the satanic life of Adam unto the sinless life of Christ.

Step four is your ascension into a position of authority to reign for God with Christ on earth, and the fifth step is to reign for God in Christ on earth to the end for the purpose of bringing about the kingdom of Heaven on earth. You must learn the Word of God, submit yourselves one to another and do what the Word says, so that the church and the world may see evidence of your submission to God's Word, His order, and His authority in and by you.

Praise the Lord. May God bless and reward you abundantly.

Yours in the wonderful name of Jesus,
