

JENNIFER EXPOSES DESIREÉ

April 2, 2011

To All Concerned:

I, Jennifer Suzanne Kolbek, do solemnly swear under oath and declare under penalty of perjury that the facts expressed here are true.

It is with great anger that I write this letter in hopes of bringing some light to the psychopathic liar that Desireé Kolbek, my eldest daughter, being 19 years old, is and has been her entire life. Her false testimony, along with others, has caused our pastor to be unjustly imprisoned.

First, I think it vital to present the definition of a psychopathic, pathological liar so that when I give the various examples you will know what kind of person we are dealing with.

The definition of pathological lying is the following: "Falsification entirely disproportionate to any discernible end in view, may be extensive and very complicated, and may manifest over a period of years or even a lifetime." Psychopathy is a personality disorder characterized by: an abnormal lack of empathy, combined with abnormally immoral conduct, despite an ability to appear normal; unconcerned about the adverse consequences for others of one's actions; pleasure-seeking; remorselessness. The modern-day term for this condition is sociopathic.

I have great heaviness knowing that such an one as Desireé came from my

body, and has destroyed so many homes and has hurt so many. Desireé's psychopathic lying began at a very young age, showing itself throughout her young years, but threw even me for a loop at around 9 years of age, when she made up the most disgusting, sexually deranged lie about me, her own mother.

One night, I had Desireé, who was eight years old at the time, along with my youngest daughter Sharon with me, and we were coming home from church this particular night—it was approximately 9:30 pm. I broke down in the middle of a four-way intersection. A police officer pulled up to see if we needed help, as we were holding up traffic. The officer offered to drive us home, but I did not know this officer from Adam and was not about to load my two girls and myself up in his vehicle without anyone even knowing we were broken down. I told the officer that would not be necessary, if he would just let me use his phone, I could call my husband or friends to come help us. I went to the police car parked directly behind us, with my two girls in the vehicle in front of us, and they could clearly see me as I could clearly see them. It was a very busy intersection. I had to try several different numbers because neither my husband nor neighbors would answer,

which caused me to be away from my vehicle for no more than 5-7 minutes. We ended up getting help from a neighbor and went home. About 6 months later, I was confronted by our Pastor about a story my daughter told about that night. She said that night I left my two girls in the vehicle and crawled into the back seat of a cop car for 30 minutes and had sex with this cop; and according to this psychopathic lying story my daughter told, while I was having sex with this police officer—in the police car directly behind my vehicle—people were coming to my two girls asking them if they needed help. My husband is the ONLY man I have ever had sex with and the ONLY man who has ever touched me. This was such an insane lie. As she told this story repeatedly, it got worse, and each time she told it, she added the most convincing theatrics that many believed her. If she would do this to her own mother, and without an inkling of remorse, without any shame, then know that her psy-

chopathic lies haven't ended with me.

She lived with my sister, Lori, who is not part of the ministry. She lives in Florida. My sister threw Desireé out of her house and said, even when she is fifty years old, she is not welcomed back into her home. She felt her children were not safe around her, and her own words were that Desireé is a "sociopath." From there, she lived with my parents, who also are not part of the ministry, living in Albuquerque. During this time, she began telling outrageous stories of abuse by Pastor Alamo. My husband and I were contacted by the child protective services of New Mexico, saying that an investigation was opened regarding Desireé and told us the accusations against Pastor Alamo, and accusations against us, her parents. Weeks later, we received a letter from the child protective services stating that after a thorough investigation, they were closing the case because the stories told were not sound. In other words, Desireé LIED again. After a month, Desireé ran away to the neighbors down the street, who were total strangers. But they believed the lies and theatrics put on by Desireé and let her live with them. Just after a couple months, she was thrown out of their home as well. Their description of

her was that she was mentally deranged and a pathological liar. They said they had to change all the locks on their doors because they did not feel they, nor their children, were safe with Desireé on the loose. Later she was taken into custody by the state of Oklahoma after she ran away from New Mexico. They said she was uncontrollable and, again, a LIAR in the worst degree.

Her psychopathic lies have caused her to be thrown out of every home that has tried to help her. It is impossible for her to stay in any relationship. As a result, Desireé is now a whore with a criminal record, who gives sexual favors for free. Desireé has told so many lies about Pastor Tony Alamo in the same sexually deranged, psychopathic manner as she did about me. I am innocent of the lies; Tony Alamo is innocent of the lies, and any story Desireé has told cannot be believed.

The government, which has unsuccessfully tried for years to shut down this ministry, knew the only way to prevent many credible, qualified witnesses from testifying on Pastor Tony's behalf would be to try to keep them away from the trial, and from testifying, by kidnapping their children and ordering that no children be allowed to live on property owned by members of the church. Many witnesses were forced to go into hiding for fear they would be arrested, as other members of the church had been, because they wouldn't turn their children over to be wards of the state. Much to

their amazement, two of us did show up to testify on Pastor Alamo's behalf. When the prosecution found out that we were there to testify, they threatened to throw us in jail, but we attempted to testify anyway. The prosecuting attorney immediately questioned us on the whereabouts of our children, knowing it would be the only thing that would get us off the stand. The judge ordered us off the stand and our testimonies stricken after we pled the 5th Amendment to protect our children. I was not allowed to testify because my testimony would have completely discredited Desireé's testimony. Had I been allowed to testify, it would have proven Pastor Alamo's innocence, and they knew this.

In addition, I would like to add that the women that testified falsely against Tony Alamo did not flee the ministry; rather, they left peaceably. They were living their own lives. The FBI pursued these women, harassed them, and promised them scholarships, careers, money, and fame, until they broke. Then they were sent to be deprogrammed and coached on what the government wanted them to say. To prove the FBI knows that Desireé's story is full of lies, Desireé told me after the trial that she wanted to talk to me at the trial, and was in tears, begging to see me, and they wouldn't let her. They were afraid of losing their "prize witness."

What the government is doing is unconstitutional and unlawful.

NINA TELLS ALL ABOUT AMY

April 17, 2011

To whom it may concern:

I, Nina Romero, testify under the pains and penalties of perjury that the following is true.

From the time my sister Amy Eddy was a child, she often had outrageous fits of rage. She was a sexually deranged, pathological liar. She constantly would draw boys' attention to herself by flirting with them and showing her underwear. On many occasions, she would tell of her constant daydreaming of being sensual with boys, and even men. Although she did try to seduce them, before long, they could see her demonic personality. She felt the need to seduce our older brother—touching, kissing, and stripping with him often. I witnessed her putting her hand

down his pants. She admitted to committing incest with him, and then later denied it.

Often, her stories were found to be just another one of her promiscuous fantasies. Another example is when she confessed to having sex with boys that were lined up at the basement door of our house.

From the time I could remember, Amy would go to great lengths—even to the point of harming other people—to get her way. Her rages were violent and caused bodily harm to people. On one of the last times I saw her, Amy attacked me while I tried to calm her during one of her rages. I also witnessed Amy getting inappropriately friendly with her step-brother, Jasper, who is 10 years younger than her. He was eleven at the time.

She shows no concern for anyone who has tried to help her. She will walk over whomever she has to, to get her way, as evidenced by her testifying falsely against our pastor, who has done nothing but good for her.

I will state these things at any time. The above statement is true to the best of my knowledge.

MOTHER TELLS ON DAUGHTER

April 16, 2011

To whom this may concern:

I, Susan Davis, swear under the pains and penalties of perjury that the following is true.

Amy Eddy is my daughter. From a very young age, she has had many serious problems with being promiscuous and lying. She is not the "victim" she portrayed herself to be in the trial of Tony Alamo, and now in a civil suit. It is actually just the opposite.

She was very flirtatious with boys as a young girl. Amy confessed to me that she had sexual relations with boys at the age of eleven while our family was living in Tennessee. She also said that her brother Monty would bring them home to secretly have sex with her. I asked her how that could have happened without my knowledge. She told me that I did not know about everything that went on. She also

said she had sex with her brother Monty.

We moved back to the Alamo Ministries in January 1997. In late 1997, Amy begged me to let her move from our home in Muldrow, Oklahoma to live with Pastor Alamo's family in Fouke, Arkansas. She had visited several times on the weekends, and then she asked to move there permanently. She asked Pastor Alamo, and he said she could if his family didn't mind. (He was incarcerated until July 1998 on false IRS charges.) By January 1998, she moved there, and seemed to be doing well and was very happy there. She continued to live there for 8 years until she was 23 years old, in 2006. Then she went to live with her father.

At that time, she told me she had nothing bad to say about Pastor Alamo, and that she would never turn against him. Once outside of the church, she went

astray very quickly and has since admitted to having sex with her sister Kristine's husband in their house.

She never was hostile towards Pastor Alamo or the church until the FBI paid her to go to Wellspring Retreat in Ohio for "deprogramming." The government flew her to this anti-Christian deprogramming center, which was owned and run by members of the old Cult Awareness Network. The government paid her to spend two weeks there at the same time as two of the other hostile witnesses were sent there, who all witnessed against Pastor Alamo. The government flew them there, and paid \$5,000 for each of the 3 women to have two solid weeks of "counseling" on top of each of them being paid by the government to go there before testifying.

ANGELA TELLS THE TRUTH ABOUT JEANETTE

To Whom It May Concern:

I can testify to the fact that Jeanette Orlando is a liar of the worst kind. I was with Jeanette as she stood by and watched her own dad get asked to leave the ministry on a pack of her lies. She lied with a false confession and said her dad had sex with her and me.

Jeanette's mother, Lenore, lied for her daughter in court, stating she didn't believe Jeanette really told Tony those things about Jeanette's dad, Joey. But Jeanette told me that she had in fact told her mother about her confession of incest to Tony. Not only this, but Jeanette and I had a conversation with Lenore about this false confession to Tony.

Jeanette told so many lies about Tony while in court that I can't cover them all. One of her many lies was that Tony threatened her and her family that if she didn't marry him, he was going to ask her and her family to leave the church. He never said any such thing. This is totally made up. Anything she did, she

did of her own free will, and with her parents' approval. I know because I was there when she claims this happened. It is the same pattern she is doing with Tony. If she can lie about having sex with her own father, why would it be hard for her to lie about Tony?

She also lied under oath when she stated Tony put her out of the church for putting carrots and corn in chicken soup. She knows this is a lie. She knows very well that she was put out of the church for being a compulsive, pathological liar.

Another one of her lies was that in 1994 when she was 15 years old she knew nothing about sex, yet she told me and others that she was secretly having sex in the church daily, with a boy named Justin Miller, when she was only six years old.

She is lying now by claiming to be a "victim." She is no victim. She was very happy while in the church. As a matter of fact, when she was put out of the church,

she cried because she did not want to leave the church when she was told she had to go. She ruined her family's life, she tried to ruin my life, and now she is attempting to ruin Tony's.

The FBI and federal prosecutors knew and encouraged the use of these and other false testimonies to get Tony Alamo convicted. In order to accomplish this, they paid to have some of the false witnesses, including Jeanette, sent to Wellspring, a brain-dirtying, mind-control center, for what they call "counseling" to get them ready to testify falsely.

I was not asked about any of the testimony the false witnesses gave on the stand. If I would have been cross-examined about these and other situations, then I would not have had to write this.

I declare under penalty of perjury that the foregoing is true and correct.

Sincerely,
Angela Morales

From Pastor Alamo

I pray that GOD has mercy on the souls of the girls, the prosecuting attorney, the judge, the people who instigated this, the government that prosecuted me in the first place, and on the Department of Human Services who took the kids away, because JESUS is coming back to earth again,¹ and for sure there is a judgment coming.² I pray GOD will have mercy on their souls because eternity is a long time, Heaven is a long time, and so is the pit of Hell and the Lake of Fire. To be saved, say this prayer:

My LORD and my GOD, have mercy upon my soul, a sinner.³ I believe that JESUS CHRIST is the SON of the living GOD.⁴ I believe that HE died on the cross and shed HIS precious blood for the forgiveness of all my former sins.⁵ I believe that GOD raised JESUS from the dead by the power of the HOLY SPIRIT,⁶ and that HE sits on the right hand of GOD at this moment, hearing my con-

fession of sin and this prayer.⁷ I open up the door of my heart, and I invite YOU into my heart, LORD JESUS.⁸ Wash all of my filthy sins away in the precious blood that YOU shed in my place on the cross at Calvary.⁹ YOU will not turn me away, LORD JESUS; YOU will forgive my sins and save my soul. I know because YOUR WORD, the Bible, says so.¹⁰ YOUR WORD says that YOU will turn no one away, and that includes me.¹¹ Therefore, I know that YOU have heard me, and I know that YOU have answered me, and I know that I am saved.¹² And I thank YOU, LORD JESUS, for saving my soul, and I will show my thankfulness by doing as YOU command and sin no more.¹³

You've just completed the first step in a series of five steps which are necessary to receive salvation. Your second step is to deny yourself and take up your cross daily and follow JESUS for the purpose of mortify-

ing your flesh, that is, for putting to death your own will, your soulful self, and the world with all of its lusts. All these must be baptized into the watery death of CHRIST.

Step three is your resurrection from the satanic life of Adam unto the sinless life of CHRIST. Step four is your ascension into a position of authority to reign for GOD with CHRIST on earth, and the fifth step is to reign for GOD in CHRIST on earth to the end for the purpose of bringing about the kingdom of Heaven on earth. You must learn the WORD of GOD, submit yourselves one to another, and do what the WORD says so that the church and the world may see evidence of your submission to GOD'S WORD, HIS order, and HIS authority in and by you.

Praise the LORD. May GOD bless and reward you abundantly.

Yours in the wonderful name of JESUS,
Pastor Tony Alamo
