LONELY LINDA

by Linda King

Praise the Lord! This is my testimony. I was living in New York with my three daughters. Visibly, I was doing very well. I had many friends, but I felt lonely and empty. Each day I sank deeper into sin. I lived a life of routine. I felt my life had no meaning. Many times I would cry not even knowing why, and I was always very depressed. I felt as if the world was going to fall on me, as if my situation had no remedy until one day I asked myself, "Linda, what are you doing? How far do you think you're going to get like this? What kind of life is this that you're living?"

Days later, I had a dream leading me to believe that if I continued as I was going I would end up in perdition. I dreamed that I was in front of my parent's house. Suddenly, I heard a very intense sound, as the sound of thunder. When I looked up to the sky, it looked as if the sky was opening. Then I saw my dad, and I asked him, "Dad what is this?" I went up into the house, and I said, "Look at the sky, it looks like the world is ending!" My dad said, "No, look over here." And I saw flying saucers. The sky was foggy, but a bright light came out of the opening. I feared because it was as if I suspected that it was the coming of Christ. My fear was because I was not prepared, I was not saved, and I always wanted to go to Heaven. When I ran into the house to hide, I wanted to escape from the back of the house. There, I saw a shadow in front of me, and I stopped myself thinking it was a martian. The shadow spoke to me and told me, "Don't be afraid." Every time the shadow walked toward me I saw the form of my neighbor. She said to me, "Come, let's sit in the living room." Then she said, "Don't be afraid, this is from God." I awoke. And when I awoke and remembered the dream of when the sky opened, I thought to myself, "But my dad is dead." I came to understand that God was warning me to prepare myself, to seek

Dear Pastor,

I want you to know what happened to me this morning. The Lord told me to get up. I got up and started to praise and thank the Lord for getting me up and talking to me. Then the same small voice said, "Go out and read your gun." I thought to myself, "My gun???" So I got my Bible and opened the door to go outside, and your new tract, *Satan's Secret Agents* was there. All of the sudden I knew, "My gun!!!" I started reading it. Sir, for what it's worth, from me, this is the best tract I've read. I'm not writing this to show you how spiritual I am. All I'm saying is that this tract is going to do a great deal for anybody who reads it, and I'm thanking you for writing it. So thank you again.

Praise the Lord!

Yours in Christ,
Rick Tiner

Sincere Thanks from Los Angeles

Sir, I want to sincerely thank you for the new tract, *Satan's Secret Agents*. It's so powerful. It will quicken all those who read it, receive it, and do it. That's what it has done for me. I had to take notes and paste them up on the wall, like

the five steps of how to keep the Triune God living, growing, and working in us, and also other notes.

Thank you for taking and keeping your rightful place in God, and not letting anything nor anyone remove you from it. Praise the Lord!

I also want to thank you for the time you have taken out to reprove, rebuke, and counsel my family and myself. I'm so glad that my sins were exposed.

Good morning Tony,

May God continue to bless you and your wonderful work. I humbly greet you in the wonderful name of our Lord and Saviour Jesus Christ. May God be with you.

It is indeed my pleasure to forward you this letter. I've received two tracts from an inmate here with me. As we talked today of the tracts and their strong spiritual power, I could see he was a spiritual man converted from the ways of the world. I had to smile at him because of the change in him, thanks

to you. He gives your tracts to me and also to others who are here.

The Bible says if we seek God's kingdom first, the rest shall be added unto us. That is very true. I would appreciate if you would send me twenty five tracts a month, so I can share the Living Word of Christ our Lord and Saviour. I would appreciate if you could also forward me the book called "The Messiah." I want everything pertaining to Christian literature forwarded to

me. I want to be a perfect Christian, and with your support, I'm sure I will have no trouble in this area.

I didn't mean for this to be a lengthy letter, but when I speak about Christianity, I get excited. I thank you with all my heart for taking your precious time to read my letter. May God continue to bless you in your divine work towards saving lost souls.

Respectfully written,
B.H. Vacaville, California

Attention Pastor Alamo,

Thanks for your good literature that you sent me. I forwarded you the names of our brothers and sisters in Kenya, whom I requested you send more literature to. Note that when sending to them, remember to quote my name, so that they can know I have gone through your literature and hence, I am the one who thought it wise to request the literature on their behalf.

Finally, here in Irvington, I have 14 friends of mine whom I would like you to send me the literature for so that they can also know this great, good news from you under the guidance of our Lord. If you have any musical materials, don't hesitate to send me.

God bless you, I will always keep on communicating. Who knows, maybe I will one day come to Arkansas, or you will come to New Jersey. Since I started reading your evangelical materials, I am not the same. I have received supreme peace and contentment.

Be blessed,

J. N. Irvington New Jersey

Messages of Tony Alamo

Pastor Evangelist Tony Alamo is known in the U.S.A. as a pioneer of the Revival Movement among the students and hippies in the 1970's. He is also known for his fundamental preaching calling for personal change. Certain clear-cut stands against the political, religious, and financial organizations were the origins of problems encountered with the justice system and the media. However, the many who have been delivered from drugs and other lives having been transformed have accompanied and still accompany his ministry and testify of his being an apostle. He founded the Alamo Christian Churches Consecrated and through many visions he has received an urgent calling to evangelize the world.

An English/Spanish speaking pastor in Chicago asked for 1,000 Spanish tracts to be sent to him along with the 1,000 English tracts he now receives each time a new tract comes out.

Reverend E.M. said that he loves the messages in the literature so much because it is the Holy Spirit writing through Pastor Tony Alamo, and they are winning many souls to the Lord by

taking the tracts out on the streets in Chicago.

He and his congregation go street witnessing and hand out Pastor Alamo's tracts. He said the Lord is really moving in Chicago.

Dearly Beloved Brother Tony,

Many of us out here love you dearly, and pray for you. Heaven loves you and waits for you.

Thank you for your years of courageous examples. Thank you, thank you, a thousand times.

S.A. Corpus Christi, Texas

Dear Tony,

My wish is that you are enjoying good health. I know God will always

protect you and bless each day. You are a magnificent person and above all you have a good heart.

I was surprised when my name was called during mail call. It had been a while since the last time I received any mail. You know that family and friends tend to forget about us when we are in difficult situations, like behind bars. I thought you had forgotten about me, but I see that is not so. You have always given me your word and I know that you do what you promise. By what I can see you have proven

that you are a true friend. You have a certain gift of showing strength through gentleness, of showing faith through service, of showing pride through humility. You obviously know what serving the Lord is all about.

I thank God for putting you in my path. What would I do if I didn't have God by me and a true friend like you? God will have a special place reserved for you in Heaven.

About my son, Alberto, he's fine. Thank you for the gifts you sent him. Your partner, friend and son,

Washington D. C.

A woman who works at the Pentagon called the witnessing line from Washington, D.C. She was almost beside herself with excitement and overjoyed to have received Pastor Alamo's new tract, *Satan's Secret Agents* on her car in the Pentagon parking lot. She said while reading the tract she was so grateful and thankful that the truth of the Lord is being preached that she had to say thank you. "I was just praising the Lord for this literature," she said. "There are so many lies today being preached and it is so hard to find the truth." She requested a copy of the Messiah book and will be receiving more of Pastor Alamo's end time messages.

Another call to the witnessing line was from a woman, a former Catholic, who received a packet of literature at the Potomac Mall in the Washington D. C. area. She had been very involved in the Catholic church all of her life until she received salvation. Since she has been saved, she has never found a church to attend because, as she put it, "They are all so dry, no Spirit, or Life." She has been reading her King James Version Bible, and witnessing to everyone she can, but has found no one who told the whole Word of God until she received these messages from Pastor Alamo. Her favorite piece was *Satan's Secret Agents*. She said, "Pastor Alamo is the only one who tells all just like the Bible. Not soft, not watered down. Thank you Pastor Alamo. I am praying for you."

Tennessee

Dear Pastor Alamo,

I had recently read one of your messages, *God Has No Mother*. It was very powerful. I felt the Spirit of the Lord come down. It was the most anointed literature I have read, besides my Bible. I have been trying to find a church to go to that preaches the true Word of God, but there is none. I was wondering if you would send me some of your gospel literature and some of your service tapes to help me with my walk in Christ. I would be so grateful to you.

What Bible do you read from? I read from the King James Version. I hear of so many new Bibles around these days. I just stick to the one that I know works. I have been saved for almost a year now. It has been the greatest experience of my life. I wondered why I waited so long to do this, but the flesh has no power, and does have a mind of its own.

I am loving every day that I serve the Lord. I learn something new every day, and I thank God for His mercy. He showed me so much mercy by not shoving me into the pits of Hell. That is all we deserve. I think of what He endured for us, and it makes me cry. I am so thankful for the mercy and grace of God, that His Spirit gives me power to overcome anything.

Well, I would be very appreciative to you sir, if you could send me these things. May God bless your ministry, and keep you safe. We can do all things through Christ which strengthens us daily.

Yours in Christ,
J. S.

Beloved Reverend Tony Alamo in Christ,

Greetings to you in the most holy name of Christ. We have received your packages and many testified that their lives changed by reading your literature. They are helping in our church and even outside the church. Your tracts are helping us so much in preaching the Word of God.

We feel happy to inform you that three people were baptized, and I have also translated your tracts. They are inspiring and spiritual, praise the Lord. God is doing His work through you. There are many who heard the Word of God and want to come to church.

We believe that God has chosen people like you who can do the work of God. As we pray daily, we believe that

Jesus would surely answer our prayers. There are so many souls to be harvested. We are ready to handle them.

We always pray for your ministry. We pray and keep on praying till God would observe our prayer. We shall wait for an answer from you.

Thanking you,
B.D.

Dear Sir,

Greetings in the name of our Lord and Savior, Jesus Christ, hope you got my letter and telegram intimating you about the receipt of your kind checks for \$4,000.00. We have already purchased a van and are using it for my evangelistic work. I am having seven lady workers, as they are more useful in our work. Since we already have a van and are started working, we would like to have a small office to carry on our work smoothly from now on.

We await your sanction along with the pastor's support. Everyone in the church is well and we will be sending you photos of the van, the lady workers, and tract distribution.

Thank you,
T.M.

Our dearest Pastor Tony Alamo for this whole world,

Greetings in the name of Jesus, who is highly exalted on high. We wanted to let you know that we are seriously praying for the Alamo Ministries, and for the whole world. We are getting the tracts from there regularly. Recently, we got a package of tracts of *Full*. This really brought additional souls on our church here. Praise be to God. Again, I would like to come over there. Please pray for this. I got diabetes diagnosed now. Please pray for me on this thing also. We are sorry that we were not regular enough to write but every once in awhile. Please forgive us. However, please count us with you. Please think we are yours, because we have all what you have taught us. You have what Jesus taught.

More to write to you all the time.

In Christ, yours sincerely,

World wide

Dear most beloved Tony Alamo, World Pastor,

Greetings to you in the name of our dear coming Lord Jesus Christ. Brother, we used your ministry's name on our paper. We are all very much thankful and anxious to work under your wings. Please accept your fellowship to us. We are all under your workers, so we used your ministry's name as evidence on the paper.

Dear kind-hearted brother, I am sending my congregational work report for these three months. We are herewith sending the new members joined list along with our individual work reports.

According to our ministry as per Acts 2:38 in the name of our Lord we have given 15 baptisms. They accepted Christ as their personal Savior. They are much interested in going on in the Word in our congregations. I am sending the list of the members.

In this year, 500 pamphlets were served to the believers by me, and nearly 25 houses were visited by my members and me. I preached and spread out the Lord's Word to nearly 30 people in our area. I also concentrated on street meetings. Brother, please pray for us and if possible encourage our ten congregational

members by giving monthly subscriptions. We hope that you can do justice as per His will. Thanking you brother.

Yours in His service,
P.K.

Pastor Tony Alamo,

My salutations in the name of our Lord, the Savior Jesus Christ. Pastor, I have been receiving your literature that has been published for years now. With all assurance, I tell you your literature is nothing but 100% scripturally biblical. Once again, thank you Jesus for His life, and for the boldness to write these materials that you write. These scriptures suit you well, "The glory of men I don't receive," and "It is better to obey God rather than man."

Dear pastor, I would like to be with you all in a month or two to learn from you. Possibly would there be

someone willing to help me with some expenses for transportation and lodging accommodations? I want to be like you, to be full of God, full of the power of God. May God raise up men and women throughout all the world, sold out,

consecrated, holy, full of faith like you. Please, Pastor, I ask you because I want to be with you all, with

the Alamo Church. Help!

Dear Pastor Alamo,

May the grace and peace from God our Father and the Lord Jesus Christ be multiplied unto you. This is the voice of your co-worker calling from Ghana, Africa. The purpose of this letter is to congratulate you on the occasion of your release from the Vatican jail. For the past ten years, your ministry and devotion to duty has been a source of inspiration to me. Over the years, the devil has tried to bring us to our knees, but he has failed. Persecution and jailing the servants of God cannot stop the Kingdom of God from advancing.

As of now I have organized the brethren into a group known as Inter-Christian Fellowship. We meet on Sunday evenings. With time, I am going to communicate to you the progress of the fellowship and when necessary, ask for some

pieces of advice. In the future, I intend to set up a non-governmental organizational (non-profit organization) to cater for the needs of the poor and destitute in the Christian community, and also advance the gospel of Jesus Christ. I will give you further information on this later.

For now, I covet your prayer support for everything to go on well with us. I know this is what you are doing in the states and around the world. God richly bless you.

In conclusion, I wish to render my sincere thanks to your ministry for all the support we have received from you, especially with regards to the literature.

I end here with my warmest greetings.

Yours in the ministry,
J.A. Ghana, W. Africa

Dear Brother, I am a regular reader of your Bible literature, and have been listening to your gospel message, and found out that you have gone deeply into the Word of God. I would like to be a member of your church, and would like to receive more tracts and gospel messages so that I can learn more about your church.

I would like to know if you have any interest in establishing your church here in Nigeria. I was a member of the

Catholic church before I received your tract, and from the gospel message I found out that the way I was going was not right.

I have now been distributing your tracts to people, but my dream is to have a branch of your church here in Nigeria, so I would like to know if you have any interest in establishing one.

May God in His infinite mercies be

Dear Sir,

I have noted with great interest what your assembly has achieved over the past few years. I have also noted with interest how the Holy Alamo Church has spread the truth more than all other churches combined. My question is how can you help a young coming evangelist in the third world like Nigeria? I need to reach the unreached with the gospel and all over the world. Does your church provide training for young ministers like me in America?

[“We’ve written a letter to this young man and told him that we do provide training for all those who have been saved, and have consecrated themselves to the Lord, as the Lord has consecrated Himself to the cross.”]

Kindly let me have a reply to this letter as soon as possible. Please pray for me to be strengthened in the Spirit. I shall also be interested to be in America to get firsthand opportunity to receive some spiritual knowledge for the dying Africans, since I believe the preaching of the gospel is not in words only, but in demonstration of the Spirit. Hope to be hearing from you soon.

Dear Pastor Alamo,

I am extremely happy to write you this letter. How are you and the entire Body of our Lord Jesus Christ? Over here, His grace is flowing abundantly on us. I have received your letter and literature, thank you very much. In fact, your gospel has transformed me from a mere churchgoer, to a pure Christian with dedication to focus on Christ Jesus. Those that impressed me most are: *True Believer's Sabbath, Regeneration, and Controlled by the Holy Spirit*. These gospels have transformed me entirely.

At first I was perplexed in life, having no hope, but now the Comforter has made me whole. I don't fear anything anymore, and I'm not bothered by any situations in life because Jesus has given me salvation through the literature I read from you.

I thank God that I can witness to

others who have not seen the truth in Christ. All friends and family members who knew my former life are now surprised at my new life in Christ Jesus, backed by intensive private prayers and regular attendance to church. I've started distributing your literature, but it's rather unfortunate, I have only a copy each of the various gospels, so when I gave them out, then I'm left with none.

Lest I forget, I thank you very much for the Bible you sent to me. It has helped me, a lot. I'm always made a new being by the messages I read from it. In fact, God is real, and this could be found in the Bible. Concerning the distribution of the gospel, I'm now ready to help the winning of souls for Christ Jesus, so send me fifty copies each of *True Believer's Sabbath, Regeneration*, and any others which may contain information about salvation, not for-

getting *Terrified at Nothing*.

Please kindly help me in prayers on the following topics: 1.) growth and spiritual development in Christianity, 2.) witnessing ability, that my witnessing will touch many souls, 3.) to overcome the enemy's attacks, 4.) to understand the Word of God as it applies to the current world, and 5.) to stand in the faith until Christ's appearance. I hope, with your help in prayers, Christ will do more things in my life than what I've requested.

Please kindly give me advice about the world's birth control measures. Is it righteous for believers to practice it? **(Pastor Alamo answered, "Absolutely not.")**

Much greetings to all in Christ Jesus. Amen.

Yours faithfully,

A.I.

Lonely Linda (continued from pg. 1)
Him, that the coming of Jesus Christ is soon. Later will be too late.

Then, I felt the fear of God and said, "My God, I don't want to die without being saved." I was very afraid, and I was thinking about giving my heart to Jesus Christ. During the time that I was thinking about this, a neighbor called me on the telephone and said to me, "Linda, I gave my heart to Jesus." I was surprised and said to her, "I'm very happy for you. I also am thinking about doing it." I was surprised because she was the person in the dream, the one that told me not to be afraid. I thought, could it be that God is calling us? In a few days, I noticed the change in her, she was another person. She told me about the Alamo Christian Church. I helped her pack her things the day she was getting ready to leave. Later, a sister from the church came, and my neighbor introduced her to me. I told the sister to pray for me because I also wanted to be saved. That was a Thursday. On

Saturday, the sister sent someone to look for me to take me to the services (in New Jersey). That day was a wonderful day because my daughters and I gave our hearts to our Lord Jesus Christ.

I was told about the church and the way they lived, keeping the commandments of God. I was so moved with excitement that I even asked the sister if I could move to the Alamo Christian Church. She asked the pastor, and on Sunday night she called me and told me that the pastor said I was welcome. Glory to God! My life was already changing. When I told my friends and neighbors the change I was going to make, they laughed. Others said I was crazy, and others said, "Be careful, don't make a mistake. They're probably a group of crazy people." I began to pray, and I said to God, "If it is Your will that I go there, if it is Your true way, don't allow anyone to stop me, make everything go all right. And if it is not the true way, stop me. Stop it!"

It all couldn't have happened any

faster!! On Thursday, I was already on my way. Praise the Lord! On Saturday, I was already united with the brothers and sisters. Glory to God! My life has really taken a new route because Christ lived, died, resurrected, and ascended for me. I'm worth a lot to Him. I'll never disappoint Him, and I know He'll never disappoint me.

I am now filled with His Spirit, and I'm never alone. Why don't you find peace for your soul? Why don't you receive the same blessings He gave to me?

Truly, in the Alamo Christian Church you will find God through Christ the Word, and you will learn how to live through the Holy Bible. Each day, you feel the presence and the love of God. Yes, this is my testimony. Jesus rescued me and freed me from the clutches of Satan, and He saved me with His blood that He shed on the cross for us. If you want to be rescued, set free, and saved, just give Jesus Christ our Saviour your soul, and you'll see that you will not be alone.

Sincere Thanks

(continued from pg 1)

I was dying a slow spiritual death, and I was not even aware of it. I had lost all confidence towards God. The scary thing about it is that when you're in that state you don't really think you're that bad off. You also can't report anything that's wrong because you know that you have sin on your soul. I'm so thankful that all this is behind even though the sin that I'd committed is a shame and a reproach unto me. Now that it's exposed and I've turned to the Lord with all my heart to strengthen that which remains, I feel so spiritually alive. I have a clear conscience and have gained back my confidence towards God. It feels so good to have my soul clean of sin. Thank God for His chastening through you. You have a greater burden to bear than Moses did, and it must be very vexing at times and a great disappointment to you to see us brothers and sisters not taking our rightful place in the Body.

Sincerely,

Dear Pastor Alamo,

Praise God! Today your literature arrived here safely. As the Lord has called us to this ministry, so our very means of sharing His Word has been protected by Him - even in this place. God makes all things possible. Hallelujah!

The Living Word is very much needed in this place where the Lord Jesus Christ's Sonship has been re-

jected. The gospel tracts you sent will be reproduced very soon for free distribution. I am indeed grateful for the literature which will help us nourish our spiritual lives as we walk in the light of God. I pray that your unending love to the Lord's ministry brings more precious souls back to Him in the age to come.

Furthermore, I'd like to ask for your booklet "Messiah," and if you have some teachings regarding Christian love, courtship and marriage, can I have some to share with my friends who profess to be in the Lord, yet are connected with unbelievers? May the Lord richly bless you.

Sincerely in Christ,
