John Garry Peeler, former undercover BATF, FBI, and DEA officer confesses his and the government's involvement with the Waco Massacre, the World Trade Center, and the Federal Building in Oklahoma City.

John Peeler, Jr., pictured above with his wife, has served seven years of a life sentence in the Arkansas Department of Corrections, East Arkansas Regional Unit, simply because his father refused to obey federal government orders to assassinate World Pastor Tony Alamo.

EVIL INTERNATIONAL ROMAN CATHOLIC GOVERNMENT AGENTS ARE CLAIMING TO BE UNITED STATES OF AMERICA GOVERNMENT AGENTS

THE CONFESSION OF A FORMER FBI, BATF, DEA, AND FEDERAL BUREAU TASK FORCE UNDERCOVER AGENT

After quitting his diabolical work for Rome, under the pretense of being part of the United States government, John G. Peeler tells how the United States of America's law enforcement agencies are enforcing the Pope in Rome's will on U.S. citizens. All of its secret societies pretend to be the servants and the protectors of not only the U.S. citizens but the citizens of the world.¹ However, in reality, Mr. Peeler and many thousands of other former government people say they were out to destroy U.S. citizens, as well as the citizens in all the other nations of the world. John Peeler said that the BATF, DEA, and FBI's plan was not to arrest David Koresh. You can read John Peeler's confession in this literature wherein he states that the BATF, the FBI, and the DEA had no intention of arresting the Branch Davidians. "The whole plan was to kill [David Koresh] and as many of his followers as they could. Three weeks before the massacre, they told me [Peeler] they were calling it a 'turkey shoot' [with David Koresh and his followers being the turkeys]. All of them

were an offshoot of the Seventh Day Adventist Church]."

"I volunteered to go to the Waco 'turkey shoot,'" Peeler said, "They [the government] told me they were taking the most ammunition, the most weapons they ever took in the United States to a bust and that they didn't plan to take David Koresh alive. They planned to kill him." "I was involved in the Oklahoma bombing and the World Trade Center number one and number two attacks," Peeler said (complete confession below).

On April 28, 2003, Joan Decker, who has been a volunteer member of the Holy Alamo Christian Church for thirty-three years, answered the prayer-line phone. The first thing she heard was a man blurting out, "You've got my permission to record this conversation if you would like to."

The copy of this tape and the transcript is on our website. You can hear it exactly as it happened, and you can read it now. The conversation Mr. Peeler had with Joan Decker was almost identical to the conversation that was taped by Don Sweat, another Christian who has been with the Alamo Churches for thirty-two and a half years. Because of the limited space and because of redundancy, we

are printing only the conversation between Mr. Peeler and Don Sweat.

We will refer to Mr. John Peeler as "Peeler" and Mr. Don Sweat as "Don."

Peeler: Hello.

Don: Yes, is John Peeler in?

Peeler: Yes, who is this?

Don: Hi, my name is Don. I work with Pastor Tony Alamo and Alamo Ministries.

Peeler: Hey, yeah. I called earlier and talked with a lady named Joan.

Don: Right.

Peeler: Did you get a chance to listen to the tape, Sir?

Don: No, I haven't, but I understand you wanted someone else to call you. You had some more information.

Peeler: That's right. I volunteered and worked undercover for the United States government. I had the best intentions in the world. In 1988, the [Ku Klux] Klan was burning black churches here in Arkansas and the surrounding southern areas. But anyway, what I'm saying is a real, real complicated mess. I would like for you to pray for my son and myself. I'm no longer with the United States government. The only way I'm with the government now is they harass me on a regular basis and trying to figure out some way to put me in jail. The FBI came to my home a few weeks ago and threatened me. Then they forced me to take a polygraph test. I took a polygraph test, and I passed it. They

are real upset because I no longer do deals for them. But they did me really dirty. What happened, I volunteered and went undercover for the government in 1988. They had a list of people that they had me to get to know these people, get involved with them, and then find out all about them. But most of the people who were on the list were really bad people. Most of these people were like Wilbur Hale, the high Phineas priest, the KKK, him and Richard Wayne Snell. Let me tell you what precipitated this in my conversation with you. What happened, I get Tony Alamo's newsletters most of the time. Sometimes I look at them better than others, but this last one, when I read about the Pearl Harbor thing, it sent shivers through my spine. It really did, because I was involved with a lot of the things that he's talking about in there. I know for a fact that he's one hundred percent correct. You see, "Another Pearl Harbor," I've got a college degree at the University of Arkansas, but I'm working on my master's degree in history now. So anyway, [regarding] Pearl Harbor, [in WWII, President Roosevelt and his whole administration, along with] a lot of the high-ranking officers knew that it was going to happen.

[The bombing of Pearl Harbor made the people of America angry enough to go to war against Japan. FDR, who was a puppet of the Pope and the Pope's man in the White House, knew they needed Pearl Harbor to get the United States involved in the war. FDR knowingly allowed the attack on Pearl Harbor to happen, causing the American people to fight Japan during WWII. FDR gave not only the secrets of the atomic bomb to Russia, to Stalin, he gave the atomic bomb to Stalin in Russia, along with 2.2 pounds of uranium, at a time when the United States' total stock of uranium was only 4.5 pounds. The bomb was transported to Russia from an airport in Great Falls, Montana. Major George Racey Jordan observed the entire conspiracy.²

This FDR atrocity was commanded by the Pope. The command was given to President Roosevelt by Cardinal Spellman, a homosexual, who was the Pope's man in the White House at the time. Cardinal Spellman and secret Catholic Knights of Malta Joe Kennedy used FDR to give Stalin the nuclear device.³ Stalin took his orders from another Cardinal, named Agagianian.⁴ The Vatican, Roosevelt, and Stalin were Jew-haters.⁵ Hitler's entire top

echelon was Catholic.⁶ They proved their hatred for the Jews in the concentration camps in Germany, Poland, and Czechoslovakia.

The White House blamed Julius and Ethel Rosenberg for having given the A-bomb to Russia. Both Julius and Ethel Rosenberg were put to death for Roosevelt's crime.⁷

President Bush is the most Catholic president we've ever had. He is surrounded with cardinals. "From the beginning of his presidency, George Bush has been promoting the (Vatican-Nazi) Jesuit agenda. Two months into his presidency, surrounded by cardinals of Rome, the President dedicated a cultural center in Washington, D.C., to the greatest enemy this Republic has ever had, the Pope of Rome. Bush declared that he is going to enforce the words and teachings of the Pope here in America."⁸ President Bush said, "The best way to honor Pope John Paul II, truly one of the greatest men, is to take his teachings seriously, to listen to his words and put his words and his teachings into action here in America. (Mr. Bush is advocating Catholic-Nazi terrorism, which is Roman Canon Law. The Vatican has been terrorizing the people of the world for centuries!)" Patricia Zapoa, *Catholic News Service*, March 24, 2001.⁹

Back to Peeler: You see, the same thing happened on the World Trade Center. Okay, you see what happened while I was involved with the government. I started out slow. I became a member of the Invisible Empire, the Ku Klux Klan, the Aryan Nation, and all these things. [The BATF, FBI, DEA, the Federal Bureau Task Force, CIA, CFR, Knights of Malta, all these are branches of the Vatican. The Vatican doesn't care at all if you come against a president, a king, a queen, or one of these branches, because they're nothing but smokescreens for the Pope. Just so you don't say anything bad about the "boss," the Vatican, the Pope in Rome powered by Satan, "the great red dragon" (Rev. 12:3)]. I don't believe in what they believe. Don't get me wrong, Don. I thought I was helping God and country. You know what I'm saying?

Don: Right.

Peeler: I thought I was. I knew some black people that had their church that was burned down here in Little Rock. I knew them personally, some of those people. Okay. Anyway, I knew that that was totally wrong, burning churches down and suppressing people just because of the color of their skin. So anyway, I'm not a white supremacist or anything. I'm a Christian first. I belong to a non-denominational church. But anyway, I've heard of Tony Alamo off and on for many years. But in 1988, when I started with the government, Tony Alamo was

one of the guys that's been on the government hit list [to assassinate], to my knowledge, since 1988. You know most of these people on the list you can understand why they are on the list, Don, you know the leader of the Aryan Nation, the leader of the KKK Phineas priesthood. Do you know what you have to do to be a Phineas priest of the KKK, Don?

Don: No.

Peeler: You have to murder two people in cold blood that they tell you to murder. I put over a dozen of those people in federal prison. Do you see what I'm saying?

Don: Right.

Peeler: So I thought I was doing a good thing, but towards the end of my government involvement what happened, you see, is I even went with some federal agents to Alma, Arkansas [Alamo territory] and ate at the [Alamo] restaurant there and talked with some of the followers of Tony Alamo. So you see, I didn't go and pursue it. I didn't become a member of the Tony Alamo Foundation or anything because I had bigger fish to fry. You know what I'm saying?

Don: Yes.

Peeler: But anyway, I can prove beyond a shadow of a doubt these people that I was involved with, most of them were involved with crimes and stuff. But I mean, like the head leader, the Phineas priest of the KKK and another guy named Lane Larrieu and another one named Mike Ash. I was forced to frame these three Aryan Nation and KKK leaders. I was forced to frame them. But during my tenure of involvement with the government, what happened, I met Tim Tuttle, also known as Timothy James McVeigh, five different times. I went to the Oklahoma City Federal Building. I helped, I hope God forgives me, but the government swore to me they were going to stop the bombing before it happened. You see what I'm saying?

Don: Right.

Peeler: But anyway, I was actively involved in the bombing of the Oklahoma Federal Building. About a year ago, the BBC, British Broadcasting Channel, Channel 4 (the largest channel in the world) before Timothy James McVeigh got executed, through his lawyers and his investigators and stuff, they got in touch with me and talked to me. But they figured he was involved so they couldn't save him or anything, so they didn't have me go to court.

But anyways, one of my main things with the government, I refused to do certain deals for them, and one of the deals I refused to do for them was to target [assassinate] and entrap and frame Tony Alamo. As a result of

[me not doing] that, they tried to frame me for murder and put me in jail for murder in 1995, Sir. The main reason they weren't successful is because at the time of the alleged event, I had been shot (most of the agents didn't know it), and I was still in the hospital in an oxygen tent, the time they gave of the alleged offense. They were unable to frame me, so they framed my youngest son. Is this a security [bond] that they are holding over my head? But my son told me this last Sunday when I visited him not to let it bother me anymore, but to tell the whole world about it if I wanted to. But see, my son is with the Eagle Scouts, a lance corporal of the Marine Corp, a Christian kid, never did any dope or anything in his life. He's only had two traffic violations in his entire life. They tried to frame me and were unsuccessful, so they framed my youngest son here in Arkansas. He's doing life without parole for murder. There's no body, there's no weapon, there's no blood, there's no hair, there's no forensic evidence, there's no eyewitnesses. There's just two people that the government got to come forward. The two people are my ex-wife and his estranged wife that they forced them to say that he said that he murdered a person. There is no evidence, Sir. I mean, people that I've talked to, a lot of people, don't believe me. But I've got the newspaper articles and the court transcripts about the case and stuff. But the reason my son was framed is because there was Tony Alamo, and there was a communist leader. There were three people that I refused to target [assassinate], entrap, and frame for the government. So the government, I've become persona non grata, they tried to frame me and were unsuccessful. So they framed my youngest son for murder, and he's doing life without parole in a prison. A company from California came to the prison where he was at to do a movie about him. They had permission there at that prison, Grady, Arkansas, at Varner. So the night before they came, they transferred him to another prison, and that was at Brickeys, Arkansas, in the northeast corner of Arkansas. Now, I'm not blaming Tony Alamo. He didn't have nothing to do with it. It's all my involvement with the government and stuff that messed the whole thing up. You know what I'm saying?

For example, Bill Buford and Glenn Jordan, two of the agents that were with the Bureau of Alcohol, Tobacco and Firearms, out of the TCBY Building in Little Rock, I worked a lot with them.

Peeler said that Buford (his boss) was the one who is pictured on the roof in the film clip at Waco, where he put his machine gun

into the window and murdered his three fellow officers. The film then shows a bullet coming from one of his fellow officers through the outside wall and hitting Buford on his helmet. It knocked him out for a couple of seconds. Buford got up, slid down the roof, and went down the ladder. David Koresh and his followers were blamed for that, but Peeler said Buford did it. I, Tony Alamo, have sent tapes of this very incident, not only to the American media and press, but even out of the country. Recently, I've seen one of the Waco tapes on TV, but that tape doesn't show what Peeler said Buford did to his fellow officers. However, it may be possible to get a copy of the tape from the place I got my copy.¹⁰ There are several video tapes, but the only one that shows who Peeler said is Buford shooting the three officers, is entitled, *Waco, the Big Lie*.

If the media and press are not Satan's mouth, why do they cover up all the millions of things that the Vatican's government, which has infiltrated the American government, is doing? The Catholic-controlled news media, the propagandists, still continue to call David Koresh a murderer, when in fact, the Pope's goons are the murderers. They still continue to say he murdered those three federal government agents and others, when in fact, they murdered them, and they still continue to say he was a cult leader, when in fact, the Pope is not only the cult leader, but is the one who has ordered the many atrocities that we see in the world today. Audio tapes and books show clearly that David Koresh was no cult leader, but a Bible-believing, Seventh Day Adventist preacher.¹¹

The war between the Jews and Arabs is also created by the Roman Catholic Antichrist and his puppet goons. The Jews and Arabs can live very peacefully together, but the Vatican wants their Pope, the one who is creating all the wars, to look like he's the one who will bring about peace. He is the one who will tell the Jews, "If you let me sit on the throne in Jerusalem, because I am God, no one will dare bother you again. I will command them to stop the terrorism (the terrorism he is creating), and they will do what I (the Antichrist) tell them to do." It's easy for the person who is causing terrorism to end terrorism. It's easy to make a toddler stop crying if you just give the toddler some candy or whatever else it wants. The goons he uses to do these things are the followers of the Antichrist cult leader in Rome. The Pope is the very Antichrist.] **Back to Peeler:** But anyway, [Buford, my boss, Jordan and I] were talking about the book of Revelation, the most misunderstood book of the Bible. But anyway, before they went to Waco, to Mount Carmel, **they told**

me that they did not plan to take David Koresh alive. The whole plan was to kill David Koresh and as many of his followers as they could. Maybe God will forgive me, but they [Buford and Jordan] called it a "turkey shoot" that they were going to. Do you see what I'm saying? But I had volunteered earlier to go down there to help get David Koresh away from the compound and to help target [assassinate] him, entrap him, and frame him, because they told me what an evil person he was, and that he was a child molester and stuff. He probably didn't do nothing. He was on the wrong side of the government [the secular government]. But anyway, before they went down there, I sat there in the office and talked to them about it. They told me they were going to kill him. Do you know what I'm saying? David Koresh was going to be dead before the deal was over with. That was a sure deal that they were going to do, okay?

You see, three weeks before the Oklahoma bombing, I had a bad feeling about it. So I wrote letters to the President of the United States [Bill Clinton] and the governor of Arkansas and all different kinds, and the governor of Oklahoma, and told them that on Patriot's Day that Richard Wayne Snell and these different people, Klan leaders and stuff, had planned to blow up the Oklahoma Federal Building. We had busted a lot of these people. The government had jumped on the bandwagon. You see, the Cold War was ending in Russia and so forth, and they were about to, because of Ruby Ridge and different deals that the government had done, they were about to combine the BATF with the FBI. The BATF didn't want that. So just like Pearl Harbor, they knowingly allowed the deal to go through and the people to be involved.

I met with Muslim people. The third guy that was involved that they never caught or captured or anything was a Muslim fella that was the moneyman on the deal. His English was not very good. My English is not very good either, but his was bad and he had a heavy accent. So they never got him or wanted to get him, 'cause the government knew who he was. He was obviously working both sides of the fence anyway, which a lot of people are. In fact, Timothy James McVeigh, we called him Tim Tuttle, was the name he went by, the BBC, he told them through his lawyer and investigator that I was more involved and knew more about the Oklahoma bombing and what really happened than he did. That's why the BBC sent a camera crew and came to my home here in North Little Rock and filmed me for three hours. We went to some of the buildings here in town that they had planned to blow up on the same day,

that they didn't blow up because these buildings were well guarded, and they didn't allow them to be blown up. The Arkansas State Capitol and the TCBY Building were supposed to be blown up on the same day.

But anyway, the Klan joined up in 1990, these Klan leaders were losing membership and losing money. Wilbur Hale went to Saudi Arabia and got in with some terrorist leaders and got them to help him out, because they both hate the Jews. But then, I helped bust a lot of these people. So the government, instead of stopping the deal, they jumped in on the bandwagon and helped the deals to happen and helped them happen better than what they would have happened. Do you see what I'm saying?

Don: Right.

Peeler: They helped them [do the job] better. In fact, I had to go and get manuals in El Dorado, Arkansas, to a store down there. I bought them a whole suitcase full of manuals on how to make bombs and explosives and stuff, and terroristic tactics and stuff, that the government gave me the money and had me go buy to help Timothy James McVeigh to make the ammo bomb that he manufactured. I mean the [Vatican Roman Catholic-controlled] government is heavily, heavily involved with this deal. Okay, so three weeks before Oklahoma I write letters to all these people about it's going to happen. Like the FBI said a month ago, am I with a psychic? "No, I'm not with a psychic," I said. Well, maybe I didn't give them enough time.

Three months before the 9/11 World Trade Center attack, I wrote a letter to Mayor Giuliani, the President of the United States, the director of the CIA, the Pentagon, and about a dozen other government officials and told them the deal was going to happen in the first of September. They are going to attack the World Trade Center. They're going to do it the way they promised they were going to do it in the *Turner Diaries*. You've probably never read the *Turner Diaries*, but the way the *Turner Diaries* ends is they steal an airplane and get a suitcase. This is a KKK publication they got out about how they take over the United States with a RAHWA (Racial Holy War). They are trying to make it the Christian world against the Muslim world. They went and talked to these people at Elohim City in Oklahoma, the KKK compound. They told them a whole lot of information about the thing, and what happened in Oklahoma, and about Timothy James McVeigh and how the deal really happened, and how the government was more involved than they were. See, they started the ball rolling,

then the government, we busted these people, we framed them, they jumped in on the bandwagon. They knowingly allowed it and helped it happen and went out of their way to help it happen. I can prove that the United States government agents were involved in the Oklahoma bombing, in the World Trade Center one and two attacks, both attacks, and the federal agents were involved in the Waco murders. I have told this information and wrote it to senators and congressmen and different people. All they do is send the FBI and give me all these polygraph tests and talk to me and tell me to shut up or something is going to happen to my son. My son told me to quit being afraid of them and to tell anybody that I wanted to tell about it.

So when I got this newsletter the other day in my post office box about Tony Alamo telling about the Pearl Harbor thing, it just sent shivers through me that he's so hundred percent correct, and that most of the people in America refuse to believe it. You know what I'm saying? That he's just a hundred percent on the ball knowing what's happening. I'm sure he's a godly-inspired man, from what the people I've talked to and so forth and the things I've read about him. But besides that, he's just a hundred percent, from what I know about the secular world and what's really happening and what the government's doing, he's just a hundred percent right on the mark. Do you know what I'm saying?

Don: Oh, yes, I do.

Peeler: The government, I'm sure, you know, they read his stuff on a regular basis. I mean, when I was in the BATF office, and the FBI office, they sit around and read his literature on a regular basis. But anyway, I would like to talk to you people. You can do an article about it; you can take a photograph, film, and movie, whatever you want to do. But I think it would be interesting if the American people really knew that Pastor Alamo is a hundred percent right. There are all these [Vatican, Roman Catholic] government conspiracies that are really happening.

Don: Right.

Peeler: Do you see what I'm saying, Don?

Don: Yes.

Peeler: But anyway, what do you think, Don? I mean, I got newspaper articles where they even said that I framed people in federal court. You know, agent John Garry Peeler tried to frame Tom Peterson for a crime. Do you see what I'm saying?

Don: Right.

Peeler: Yup. I got this BBC tape where we're talking about the Oklahoma bombing. When I'm talking to the BBC guys is right before the 9/11 attacks and we're talking about the 9/11 attacks is going to happen. They're debating on whether they need to go by and take pictures of the World Trade Center before it happens. Do you see what I'm saying?

Don: Yes.

Peeler: Yeah. But anyway, there's all these government conspiracies. The name of the tape that they did, the BBC, John Sergeant is the one that made this up, it's called *The Secret Rulers of the World: The New World Order*. The thirty-minute movie made for TV for British Channel 4, the largest channel in the world, but to my knowledge, they did not show this thirty-minute tape or movie in the United States, because the United States media is very controlled by the [Roman Catholic] government, even the media right here in Arkansas. You can't get anything done without the government knowing about it and trying to put the stops to it.

My son is one hundred percent innocent. None of the media wants to jump on his case because the government just totally framed him because of me and to try to get me to shut up and to quit telling people like you about what they're really doing. Is there anything I can do to help your organization, or can you write or do anything to help my son out?

I want you to tell Pastor Alamo right now to be as careful as he can because the government might even assassinate him over this article that he did. For example, they have someone who's real good at fixing your car (this is one of the deals they did a long time ago on a person I knew). They went and put a big screwdriver inside the tubeless tire of the car and this guy had a Corvette and drove it really fast. He was going around the curve, the screwdriver came through the tire, and he rolled off a curve and killed himself. There's stuff they can put in your drink, like for example, Castro, they tried to get people and send them down there to put LSD and different mind-altering drugs in his drinks or ice cream or whatever. Just tell Tony Alamo after this last article he did where he's one hundred percent on the mark and where it shows the government and the special agents for doing what they're doing is totally corrupt and outrageous, that he needs to be extremely careful because the United States government [which is thoroughly controlled by the Vatican Roman Catholic cult "church"] has killed people for less.

Don: You know, what they hate is exactly what Pastor Alamo has done in this last piece of literature, is to be exposed.

Peeler: You're one hundred percent right. It's just like when you turn a light on; the roaches in the room go and hide under the furniture and things because in the light they're afraid something's going to happen to them. The government is the same thing, but when they're afraid, that's when they're the most dangerous. The government, like I said, they've had a targeted list. The list is verbal. They don't publish it. They just tell you the names of the people, and every list that's ever come out that I've talked to them, when I was undercover, when-

ever they called me on my pager or cell phone, but I went on a regular basis and met them at different locations, and different buildings and different parking lots, bridges, and different places. And every time they read a list off of people that they really want, he [Tony Alamo] has been on nearly every list that they've told me about of people that they're interested in and would like me to target [assassinate], get to know, get into, and frame.

And one of the things they do now is one of the guys I know named Gregory Holt, I don't know where he is now, I think the feds put him in jail for something, because he went around trying to expose the feds and write notices and letters about what they're doing and stuff. Gregory Holt, the government got him on some bogus charges and stuff, this guy I know, and what they did, they wanted him to do to Tony Alamo too, but the way they wanted him to do it, is they wanted him to get in with a Tony Alamo mission and to put child pornography on Tony Alamo's computer. You see what I'm saying? To try to discredit him with child pornography. But I mean, that's one of the easiest things to do nowadays. I've never done that. I'm an old guy. I'm fifty-four and I'm not into computers, but I'm saying, he's a younger guy and into computers. But some of these people that they want him to do deals on, they want him to get into their home computers and stuff and put child pornography in their computers.

But anyway, my warning to Pastor Alamo was that the government works in mysterious ways ["MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH" (Rev. 17:5)], and one of the techniques they can use is pretend that Pastor Alamo is on a list, which he is on the list. I know for a fact, because I have talked to people. I've talked to some of the IRS agents that busted him, and they told me that he was definitely framed up and on the list of people to do. Years ago, when I was with the government, they wanted me to bust him on a firearm charge, and when I was in Alma, Arkansas, they were passing out circulars that said they had no firearms or carnal weapons in their compound, and that included, they did not have any BB guns, pellet guns, or water pistols. So anyways, the government has been after Pastor Alamo for many, many years, because the government is afraid of anyone that speaks the truth in this country about some of the terrible things that some of the government officials do. I have known too many government officials from top to bottom that did things that are totally evil, and against God's law and against man's law, but one of the things the government agencies do is if you get on the list, they get people to infiltrate your organization, try to do away with you in certain ways, and if they can't get you any other way, they pull the

Al Capone thing and get you on the tax laws. The tax laws are so complicated that it's a very easy way to get people.

I personally knew William Jefferson Clinton, also known as William Jefferson Blythe. I know the people in the Secret Service, the Bureau of Alcohol, Tobacco, and Firearms, the Federal Bureau of Investigation, the Drug Enforcement Administration, and many of these agencies work the same way. They have what they call the Violent Crime Task Force, and they go after people they want. Pastor Alamo is not violent. He preaches love and peace, to my knowledge, but he is on this list. He didn't sell out to the government and say what the government wants people to say, that the government is good and righteous and is doing right for the people, which they're not doing.

But one of the warnings that I want to give to Pastor Alamo right now is, you notice a lot of people in the United States are dying of cancer. Now this is a scenario, okay, that could happen, okay. The FBI, BATF, CIA, the CIA officially did not work for the United States, but they did work in the United States and do a lot of things, but now under the new Anti-Terrorist Act and the Homeland Security Act, they can legally work in the United States, but I knew CIA agents that have been working in the United States for years doing deals.

But, okay, you're on a list of the government. They can't find anything wrong or anything you're doing. So pretend I am this person. This is pretend now. I'd go to your house, and I'd check over your house, look over it, try to figure out when you come, when you go, where you live, as much information I can about you that I can get. Ok, then after I do that I go to the local water department of the town, and I show them a badge and tell them I'm a federal agent, and what I need is a water person's uniform, because I need to go in and watch this person's house and supervise it. And most of the local government agencies [and utilities] are proud to help out the federal government on a deal. So then I go to your house, and I take my little black bag of dirty tricks with me, which may include, I have lead-lined gloves, and then I have a little thing that looks like a pencil lead, but this little pencil lead is used in Texas and overseas in the oil-producing countries. This little pencil lead is a type of uranium compound. I think it is uranium P-35, but I'm not exactly sure the designation of it. But it looks like a tiny little pencil lead out of a mechanical pencil. It comes in a lead-lined case. And what they do, and the legitimate purposes for this thing is, they drop it down an oil well. And then they drop a few sticks of dynamite with blasting caps with it. Then they explode it. When they explode it, they can get a Geiger counter and look at the fissures of the ground, and figure out which way the fissures go in the ground, and try to figure out where

they need to drill for oil. That is the legitimate purpose of it. But one of the purposes that the [Roman-controlled] United States government uses for this device is, they get this little tiny device, get lead-lined gloves, then I go to your house and knock on the door, and I tell you that your water meter is messed up, that I need to change out your water meter because it's costing you too much money. And you're proud that I'm changing your water meter out, because it's defective and costing you too much money. So I go around there, turn off the water, get into the incoming line on your water meter, then I get this little copper screen wire. I put my lead-lined gloves on, I put this little uranium element inside the copper screen wire, and then I put it on the incoming line to your home or your business. And then what happens is I put it back together, knock on the door, put a note, tell you that your water is fixed, everything is perfect and working well. Now you can go back to using your water again.

So then anyways, about a week later you change the water in your goldfish a little bit, and your goldfish dies, and then you have a parakeet, and your parakeet dies, because some animals are more sensitive than others. And then the fur starts coming out of your dog or your cat, but you just think they're shedding and stuff. Then they start getting sick, and the vet can't figure out what's wrong with them. And then some of your hair starts coming out, but I mean, you are getting older, so maybe some of your hair comes out every now and then and stuff. And then after awhile, the people in the house, especially the ones that are drinking more water than others, are starting to come up with types of cancer that are related to ingesting a radioactive substance, but the doctor doesn't know this, because doctors don't know what to look for and stuff, so you are dying of some kind of poison. Radiation is a type of poison, and one of the best poisons there is. There's all different kind of poisons, but it's one of the best and one of the easiest to poison a person by.

So with the stuff that Pastor Alamo is putting out the truth about what the government's doing, the evil corrupt things that some government officials, I'm not saying the whole government's corrupt, but there's too many people in the government, that work for the [Roman Catholic government that has infiltrated the United States] government that are corrupt, that are doing evil things right now. That's one of the things that caused the collapse of the Roman Empire, when the people in the government collided with each other because they were just totally corrupt, that people couldn't handle it any longer. I am afraid that history tends to repeat itself in spiraling cycles, and we are there right now. But I am warning Pastor Alamo that things like that could happen to him.

Also, I know personally a man that lives right here, we live in the Sherwood area of North Little Rock. I have asked him permis-

EVIL INTERNATIONAL, ROMAN CATHOLIC GOVERNMENT AGENTS ARE CLAIMING TO BE UNITED STATES OF AMERICA GOVERNMENT AGENTS

sion and he will not give me permission to use his name, because he still works for the United States government. He's retired from the United States Air Force, but he works in an official capacity, he got a degree in engineering and science. He works for the Air Force, well, he retired from the Air Force, but what he does now, he goes to a place where he needs to do a deal to someone, and he goes to a pharmacy, and they shipped him a biological agent from a United States government pharmacy. He says he's a diabetic. They ship him something in the mail. He gets it in the mail, the pharmacist because he's a diabetic, an alleged diabetic, I don't think he really is. But anyway, he gets this substance, and they're different substances that are passed different ways. You can pass it through the air. You can use a little ring that's got a little spike on it and spike a person, or you can put it in their water supply, or in a drink, or in some of the food in their refrigerator, or so forth.

But if you notice, for example, look back at history, and you remember John Fitzgerald Kennedy was assassinated, but now even on the History Channel they don't say "the man," they say "the men" that killed President Kennedy. They've even done specials about it. And Pastor Alamo has even relayed it in some of these publications. It is a fairly known common fact now that it wasn't a lone assassin, Lee Harvey Oswald. In fact, according to the government sources, I was not involved in the deal, it was before my time, I am only 54 years old, but anyway, what happened was James Files was the guy that was the trigger man that actually got the shot that got him. And he was proud of that fact, and told it to all the government agents, operatives, and all the people that he met and got in contact with him. I was told by him and by other persons that he bit the end of the shell casing and set it on top of the fence post of the grassy knoll, the bullet that he fired, to show that he did it. But now, last I heard about the guy, he's in Marion penitentiary for some deal that he did get caught on that he might have done or might not have done, but he's had all his teeth removed where they can't trace him back to the shell casing that got President Kennedy.

So there's a whole lot of things that are going on, but if you remember the Kennedy incident, you'll remember, okay, allegedly the Warren Commission says that there is a lone assassin, Lee Harvey Oswald did it, and then Jack Ruby, a good friend of the police and government officials and so forth, is running some kind of a strip club. Anyway, he goes right into the police station, zaps him on national TV in front of God and everybody, and then all of a sudden he's in a cell and he

decides to talk to people, and then all of a sudden he comes down with a case of cancer that kills him really, really quickly.

But I am saying, the government has the technology and the scientists, and the wherewithal now that they can do things that people, if you can make it look like an accident, like my good friend Kathy Ferguson of Trooper Gate, Danny Ferguson's estranged wife. Okay, she was a nurse, but she was working as a receptionist in Memorial Hospital. She was an ex-beauty contest winner when she was young. She was in all kinds of beauty contests, a really beautiful, wonderful young lady. She went to a non-denominational charismatic church after she broke up with Danny Ferguson of Trooper Gate. But the government and Clinton and the Secret Service, Terry Edwards, the United States Secret Service agent, they knew that she knew way too much. So what they did, they assassinated her. But the way they did it, she never owned a firearm in her life, and she was right-handed, and she allegedly shot herself in the back left-hand side of the head and killed herself. And people that are beauty contest winners don't shoot themselves in the head, and people that are nurses, they've got the key to the medicine cabinet, they usually do a drug overdose most of the time. So when the United States Secret Service, over here in the Stephens Building in Little Rock, after that happened, they were not sure, the agents over there in the building, they knew it was a hit, but they didn't know who did it. And they didn't know whether it was the CIA, FBI, ATF, Secret Service, or who or which agent or agency did it, but they knew it was done.

In fact, one IRS agent told me to pray for him. He said that he hoped that God would forgive him. He's praying to God that God would forgive him for what he did to Pastor Alamo. And he told me that he knew for a fact Pastor Alamo was framed up on the tax beef, but I am sure Pastor Alamo and a lot of people know that by now. [I knew it well before I was framed.]

And this guy that's working for the Drug Warfare Center, going around killing people in the United States and worldwide, he enjoys his job, he's an average looking guy, and does it really well. But I am saying it's unfortunate that I can't get him saved, get him straightened up, or get him to talk to Pastor Alamo and understand who God and Yeshua is, and Jesus Christ is, and get straight with God, and find out who the Savior is, and get his life straight, and try to repent and quit these things.

There are too many people that are willing, in these latter days, there are too many people that are willing to sell out to government agencies and people for money and favors and all these kinds of things. And it is very, very unfortunate.

But it's very unfortunate that we are in times like this where people can do things, kill people, murder people, slander people, do all kind

of evil things to people, and get away with it in the name of doing the greater good for the [Roman-controlled] government of the United States [which is a member of the Roman, Nazi, Vatican-controlled, one-world government].

This is a very serious warning, and I am saying his food, drink, people around him. Just be careful, because he's telling enough truth. I've known for years that he's been on the list. You know what I am saying?

Don: Yes.

Peeler: And I am sorry that I haven't come forward before and told you about the list, and, you know, that people are after him. Well, let me tell you, a lot of things that look like accidents nowadays are really not accidents. And a lot of things happen, a lot of people have a lot of questions about a lot of things that are going down, because, with technology, the government's able to do things, and people die from sicknesses and disease and accidents.

But if you look at *The Clinton Chronicles*, there's over fifty persons that they have evidence and facts and information about that Clinton had murdered to keep and gain his power and so forth, to cover up things and places and people that needed to be covered up because the government made mistakes, and they had to cover up their mistakes.

Are you going to pass this warning on to Pastor Alamo, I hope?

Don: Yes, I certainly am. And we really appreciate the information.

Peeler: You are quite welcome, and like I said, I apologize to you and God too that I didn't come forward earlier. Because, you know, I've studied Christianity and so forth, and if you know that a person is going to be killed or harmed, and don't do anything about it, at Judgment Day you will be partially responsible for their demise. You see what I am saying?

Don: Oh, absolutely.

Peeler: That's how I understand Christianity. Do you think that is correct?

Don: Yes, I do.

Peeler: I think it is, too, so I am saying, I am trying to stop anything from happening to Pastor Alamo, because it's unfortunate that there are too many people and too many people in [Roman-controlled] government agencies that are afraid of the truth and don't want the truth to come out. I am sure that there are a lot of people, a lot of agencies right now that are looking at his last newsletter about "Another Pearl Harbor" and thinking about it, and being very upset that he's getting the truth out about the World Trade Center. It was another Pearl Harbor. Just like they said on the History Channel not too long ago, there were many people from the President, and the top upper echelons of the [Roman-controlled] United States government, that knew it was going to happen and let it happen.

Now, since World War II, when the CIA was started, they got a lot of the old German

high command and German officers of the SS and worldwide intelligence divisions, and had them to help them start the Central Intelligence Agency, and used a lot of their techniques that they had used over there [in Germany], that are very unfortunate that they have continued and passed down these techniques of going after certain people and certain organizations for their religious or political affiliations.¹²

Don: Well, that's for sure what they are doing to Pastor Alamo because he's exposing them, and we really thank you for the warning and for the information, and I will make sure that it gets passed on to Pastor Alamo.

Peeler: Well, I appreciate that, and be sure to keep me on your mailing list and send me a couple copies of your next issue, especially if I'm in it.

PASTOR ALAMO'S MESSAGE

The greatest war of all time, the greatest war of them all, is the saints' war against Satan.¹³ Through God's Word, we both discover and understand everything about the great enemy of God and God's people.¹⁴ Through God's Word, we clearly see and understand the devil's policies, the devil's power, and the chief plan he has against the saints of God. We also discover the seat of his empire, Rome, from which his wickedness emanates to all the world.¹⁵

We are told to "Put on the whole armour of God" (Eph. 6:11), we are told to "Put...on the Lord Jesus Christ" (Rom. 13:14), and we are told to "put on the new man" (Eph. 4:24). All these are the same.¹⁶ How is it possible for the Christian to be clothed with spiritual armor? From where does the Christian receive God's powerful arms and armor so that he might wage war against Satan, the great red dragon? We must learn to lawfully use God's weapon, which is God's Word, so we may, with success, fight and win the entire war against the devil.¹⁷ Christ is the Word of God, and the Word of God is not only our armor but also God, who came to the world as a man (John 1:1, 14).¹⁸ He

Dear Pastor Alamo,

Sanctified greetings to you, the blessed, and may you continue to win more souls for the work of the Almighty Lord. Pastor, I am a young Ghanian of 23-years-old, and a student in a college. Truly speaking, I had never been in a church before, neither have I ever thought of being a Christian, until recently. I was born into a traditional family who never entertained Christianity. My day of salvation came when, in a lecture hall, I was presented with one of your newsletters by a good Samaritan. I could not wait until the end of the lecture before I read it. In fact, I was touched by the Holy Spirit when I read about the wonderful things the Lord did to Jennifer Kolbek on the sick bed, and the teachings you provided. I say this to the glory of the Lord, that I am now a total convert—a Christian, who never had time for the leisure gods, but now teach many people about the Word of

had both our human nature and the divine nature within.¹⁹ Christ, the Word our God, commands us to "be vigilant" (1 Pet. 5:8), to "be diligent" (2 Pet. 3:14), and to fight, with zeal, the spiritual war between the saint and Satan. If we refuse to be zealous about it, Jesus, in Revelation 3:16-19, states, "I will spue thee out of My mouth [meaning you will no longer be a member of Christ's body. You will no longer be a servant of God]. Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked: I counsel thee to buy of Me gold tried in the fire, that thou mayest be rich; and white raiment, that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with eyesalve [the Word of God, which is Spirit and life], that thou mayest see. As many as I love, I rebuke and chasten: be zealous therefore, and repent."

Again, this is the war between all the saints and Satan. This last of all wars is said to be the cruellest war ever fought by man.²⁰ Jesus, in speaking of the end of the world, said, "Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time" (Rev. 12:12).²¹ This conflict is the very last war, and it is taking place at this very moment.²² This war concerns every person in the world. No person can be neutral or be merely a civilian in this greatest of all conflicts. This war that I'm speaking of is taking place in

Ghana

God, especially my family. My father has burnt all the wood carvings he possessed as gods, and my mother with all the family members of 15 are now Christians. There is now a total change in my life and I now believe in the Lord with faith. I think the Lord wants to use me as His messenger, and in view of that, I would even like to stop studying accounting, and serve the Lord. At present, I have two Bibles, and I read all day and night from the day I accepted Christ as my personal Savior. At present, I would like your assistance and guidance in pursuance to the work of the Lord. Thank you.

Yours in Christ,

A.L.

every person's soul.²³ If any person attempts to take a neutral or civilian stance in this conflict, that person already belongs to Satan.²⁴ No one can say they are 4-F, which would mean they are not qualified to fight in this greatest of all wars. Nor may anyone say they are deaf, dumb, blind, an invalid, or impotent in any way as an excuse to get out of this war. Again, every person in the world is involved, whether they like it or not. You are either with God against Satan, or you are with Satan against God.²⁵ Jesus said, "He that is not with Me is against Me" (Matt. 12:30). God's Word, in Proverbs 8:36, which is Christ, the Word, says, "All they that hate Me love death." "Christ [the Word of God, is our] wisdom" (1 Corinthians 1:30).

The saints' wisdom to wage war against Satan is easily understood when the Word of God is read.²⁶ Anyone who is interested in winning this great conflict may do so by simply accepting the Bible's entire lesson, that is, by embracing and loving the entire course of the Christian life on earth.

EXAMPLES

One of God's many scriptural lessons teaches us to expose Satan and his devices.²⁷ We do this by following the examples of the other righteous men in the Bible, those who named the names of those wicked and evil men that Satan was using.²⁸ Thanks be to God for those godly men who have shown us what wicked, evil men, driven by Satan, can do.²⁹ "Now these things were our examples, to the intent we should not lust after evil things, as they [the wicked, evil men and women throughout God's Word] also lusted" (1 Corinthians 10:6). These righteous men, who have named the names of the righteous and the wicked in the Bible, have won their eternal crown by shedding the light of God's Word into the world regarding these matters and by keeping the light of God, God's Word, in them until the end.³⁰

God told His prophet Joel that in the last days He would "pour out [His] Spirit upon all flesh" (Joel 2:28).³¹ God's Spirit is poured out upon all flesh by the preaching of His servants and handmaids, those who preach the Word of God to the lost people of the world. Jesus said the Word of God is Spirit and life in these words: "The words that I speak unto you, they are Spirit, and they are life" (John 6:63). The way God pours His Spirit out upon all flesh is through His genuine preachers and His teachers, those who minister the Word of God to the world.³² To prophesy is not merely to tell things of the future.³³ The work of the prophet is, by faith, to walk in the Spirit of our Lord Jesus Christ, who is for us a quickening, a life-giving Spirit.³⁴ Prophets are always witnesses for God by the Holy Spirit. Therefore, they are more than "justified by faith [in Christ Jesus to enter Heaven and to], have peace with God through our Lord Jesus Christ" (Rom. 5:1).³⁵ Also, by faith, we have access to the power or grace of God, and by God in Christ living in us, we stand and rejoice in hope of the glory of God.³⁶

for whatsoever doth make manifest is light.”⁵⁰ The job of the church, the prophets of the Lord, is to obediently make manifest the wickedness of the world,⁵¹ the necessity of godliness, and the way to salvation in Christ, which is God in Christ by the Spirit living and working both in and through us.⁵² If I and other witnesses of God, by the light that God has given us, let you fellow humans know where wickedness is, who the devil is using, and what the devil is up to, you have more light than you did before God’s light, through us, manifested it to you. How could we reprove and rebuke, all the things in the world that need to be reproved and rebuked, if they were not made known to us by Christ, the light? “But all things that are reproved are made manifest by the light: for whatsoever doth make manifest is light” (Eph. 5:13). The original Greek says it like this, “But everything exposed by the light becomes visible, for it is light that makes everything visible” (Eph. 5:13). Jesus said, “And this is the condemnation, that light is come into the world, and men loved darkness rather than light [they love to hide evil and those who are wickedly doing evil rather than making them visible, as God’s Word commands] because their deeds were evil. For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved” (John 3:19-20).

Jesus also said, “I am the light of the world” (John 8:12). He stated that His children “are the light[s] of the world” (Matt. 5:14), “a chosen generation, a royal priesthood, an holy nation, a peculiar people [peculiar in this context means a people belonging especially or exclusively to God and to no one else⁵³]; that [they] should show forth the praises of Him who hath called [them] out of darkness into His marvelous light: Which in time past were not a people, but are now the people of God” (1 Pet. 2:9-10).

If we, as Christians, refuse to point out who the devil is using and where he is in this world, then we are not manifesting the light upon that darkness.⁵⁴ Therefore, we are deliberately disobeying God, which is sin, and we are allowing Satan to have an advantage over ourselves, our brothers, our sisters, and all our fellow humans in the world (2 Corinthians 2:11).⁵⁵ We are to “love [our] brethren,” and are even commanded to “love

[our] enemies” (1 John 3:14, Matt. 5:44).⁵⁶ How could we love our brethren and our enemies if we leave them in darkness by not exposing what darkness is by the light? If we don’t expose the darkness to the light, they who are in darkness will remain there, and at the end of the world, they will be lost.⁵⁷ Then the blood of their souls will be on our hands because we didn’t warn them.⁵⁸ The light of God’s Word, through His prophets, exposes darkness.⁵⁹ In this way, they take vengeance upon the “spiritual wickedness in high places” (Eph. 6:12). The light of God’s Word pulls down darkness, pulls down “every high thing that exalteth itself against the knowledge of God” (2 Corinthians 10:5).

Paul, by the Spirit, stated, “Do ye not know that the saints shall judge the world [that is, we shall judge the world by God’s Word]?” (1 Corinthians 6:2). These words are His judgments, not ours. His Word is our life, our light, and the light of the world.⁶⁰ Unfortunately for the people of the world, they love darkness rather than light and life, which could save their souls if they would only receive it. The Psalmist David said the same thing in these words: “Let the saints be joyful in glory [they glory because God is using them as His mouthpiece to exterminate, with His Word, the darkness which is in this world⁶¹]: let them sing aloud upon their [couches]. Let the high praises of God be in their mouth [to prophesy, to expose that which is dark to the light of God], and a twoedged sword in their hand [which again is the Spirit of the Word of God⁶²]; To execute [preach] vengeance upon the heathen, and punishments upon the people; To bind their kings with chains, and their nobles with fetters of iron; To execute [preach]...the judgment written: this honour have all His saints. Praise ye the Lord” (Psa. 149:5-9).

RESPONSIBILITY

When anyone hears the Word of God, it becomes known unto them. Therefore, they know it just like we do, even though they have not accepted it, and of course, have not experienced the reality of it.⁶³ God’s Word assures us they are guilty of rejecting Him, who is the Word. Their will, which is located in their soul, is responsible for their rejection of God the Word.⁶⁴ It is their will. It is their decision, and

they shall be judged as members of wickedness on the Day of Judgment.⁶⁵ It is their own fault that their souls will have to spend eternity in Hell, then the Lake of Fire, because they willed it to be that way in their souls while they lived here on earth. If they had not heard, they would not be guilty, because “where no law is, there is no transgression” (Rom. 4:15). “But I say, Have they not heard? Yes verily, their sound went into all the earth, and their words unto the ends of the world” (Rom. 10:18).

SHOCKING TRUTH

God stated through His prophet Joel, in the latter days, “I will pour out My Spirit upon all flesh; and your sons and your daughters shall prophesy” (Joel 2:28). The Spirit of God [through preaching] is now being poured out upon “all flesh,” meaning every person. When God pours out His words through the Holy Spirit speaking through the mouths of His ministers, people hear the reality of God through His Son, Christ Jesus, who with the Father is living out His life in other human bodies, bodies which are generated, consecrated, and obedient to Him.⁶⁶ He has become a quickening Spirit or a life-giving Spirit to us.⁶⁷ Many have been resurrected with Christ into the new heavenly, divine realm of God (Col. 3:1).⁶⁸ They have become regenerated, “born of water and of the Spirit” (John 3:5).⁶⁹ They are now sons of God, members of the body of Christ, and they have become new creatures in Him.⁷⁰ “If any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new” (2 Corinthians 5:17). The faithful, regenerated souls are “sitting together in heavenly places in Christ Jesus” (Eph. 2:6).⁷¹ They were born again into the Kingdom of God by the thousands of millions, without number. However, the shocking truth is that very few of them shall enter the Kingdom of Heaven.⁷² Some willingly fall away into unregeneration. They will “[walk] no more with [Christ]” (John 6:66).⁷³ Christ will blot their names out of the Lamb’s book of life and “spue [them] out of [His] mouth” (Rev. 3:16).⁷⁴ Jesus said, “Strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it” (Matt. 7:14).

Many Catholic people in which the Spirit of God has begun to work have knelt before the living God, repented of their sins, and asked

EVIL INTERNATIONAL, ROMAN CATHOLIC GOVERNMENT AGENTS ARE CLAIMING TO BE UNITED STATES OF AMERICA GOVERNMENT AGENTS

Jesus to come into their hearts. They were gloriously and miraculously saved, "born again" "of water and of the Spirit," then filled with the Baptism of the Holy Spirit (John 3:3, 5). What did the devil, who lives in many professing Protestants, do to them? He sent them back to the Catholic cult. One large denominational church after another, as well as the Mr. Bigs, which are most of the T.V. evangelists, are the ones who did this and continue to do this. This is one of Satan's secret demonic tricks. Many have watched this. These people do this because they do not want to make any waves. They don't want any persecution from the Roman cult. They don't want the Roman cult, powered by Satan, coming after them. They are exactly like the unworthy ones mentioned in Numbers chapter thirteen, those witnesses who were told to spy out the land and tell Moses about the good land which the Lord their God had given them.⁷⁵ Even after God destroyed Egypt, its firstborn, and its entire army, and even after God opened the Red Sea for all Israel to walk through upon dry ground, they did not remember the powerful might of God or all His signs and wonders, which they had so recently seen and experienced in Egypt,⁷⁶ but believed in their hearts that God was not capable to overthrow the giants.⁷⁷ After Israel disbelieved God's abilities, God drove the giants out with tiny insects, hornets.⁷⁸ Those who fear Satan and those who disbelieve God "shall have their part in the lake which burneth with fire and brimstone" (Rev. 21:8). When "God be for us, who can be against us?" (Rom. 8:31).⁷⁹

Those who send people back to the Roman cult, including those false Protestant leaders which have joined themselves with Satan, are saying that Satan, the dragon, is more powerful than God, who destroyed the works of Satan, the "great red dragon," in the body of Jesus around two thousand years ago (Rev. 12:3).⁸⁰ Christ destroyed sin in the flesh by His Spirit living in us.⁸¹ He also destroyed Satan, death, Hell, and the grave for all those who walk in the Spirit, that is, for all those who walk in "the law of the Spirit of life in Christ Jesus" (Rom. 8:2).⁸²

When the Spirit of God in Christ lives and works in us, then that same Spirit which was in Christ, the Son of man, mortifies or kills the sin that once dwelt in our flesh.⁸³ It is the Spirit of God in Christ which does it. "Without [Christ] [we] can do nothing" (John 15:5).⁸⁴ So now we are more than able to walk according to "the law of the Spirit of life in Christ Jesus" rather than "the law of sin and death" in the flesh (Rom. 8:2). "We are more than conquerors through Him that loved us" (Rom. 8:37).⁸⁵ "Now if any man have not the Spirit of Christ, he is none of His" (Rom. 8:9). In other words, without the Spirit of Christ in you, you're not a Christian, a member of Christ's body.⁸⁶

COMPROMISING

The devil makes the wicked believe they can compromise God's Word. They want to believe him because they believe this will immunize them from persecution. They obey Satan, forgetting that they shall soon stand at Judgment before God.⁸⁷ Those who follow Satan will spend eternity with him in the Lake of Fire.⁸⁸ How utterly foolish! Verily they are deceived! The only way we hurt the devil is to resist him.⁸⁹ "Resist the devil, and he will flee from [us]" (James 4:7). We resist him with the Word of God.⁹⁰ If we don't resist Satan with the Word of God, we commit sin. This becomes death to us because disobedience to God is not only a sin, it is the same as the sin of witchcraft, and no witch shall enter the Kingdom of Heaven (Ex. 22:18).⁹¹ Romans 6:21 states, "For the end of those things is death." Verses 22-23 encourage the saints of God by saying, "Now being made free from sin, and [having] become servants to God, ye have your fruit unto holiness, and the end everlasting life. For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord." But the ungodly false prophets, these ungodly wicked ones, send people back into fallen denominational church organizations that have united themselves with the one-world, Vatican-controlled, political and sinful cult in Rome. The stronger the servant of God, the stronger will be his stand against sin, Satan, the world, death, Hell, and the grave.⁹²

Worshipping God is the same as keeping all of His commandments, which includes communication with Him, communion.⁹³ But the others, the Bible says in Revelation 13:4, serve or "[worship] the beast, saying, Who is like unto the beast? who is able to make war with

him?"⁹⁴ Mr. Peeler's statement above shows the fulfillment of this prophecy of Christ in Revelation chapter 13, verses 5-6: "And there was given unto him a mouth speaking great things and blasphemies⁹⁵...And he opened his mouth in blasphemy against God, to blaspheme His name, and His tabernacle. [We who are born of the Spirit are His tabernacle].⁹⁶ 'Know ye not that ye are the temple (or tabernacle) of God?' (1 Corinthians 3:16)], and [blaspheme] them that dwell in Heaven." Verse seven states, "And it was given unto him [Satan, the dragon, with his temporary power⁹⁷] to make war with the saints." "And all that dwell upon the earth shall worship him [Satan], whose names are not written in the book of life of the Lamb slain from the foundation of the world."

Everyone that has "an ear [to hear the spiritual things from God], let him hear. He that leadeth into captivity shall go into captivity [this means those fallen denominational leaders who lead or send the newly saved Christians back into Satan's Roman cult shall spend eternity in Hell and the Lake of Fire]: he that killeth with the sword must be killed with the sword" (Rev. 13:8-10). The original Hebrew and Aramaic state, "He who murders with the sword must be murdered with the sword." The false prophets murder souls by putting a false meaning to God's Word.⁹⁸ God's true Word shall murder them forever in Hell and the Lake of Fire.⁹⁹ In other words, those who twist the Word of God to mean something that it doesn't mean, causing souls to believe the opposite of what God says, such as causing them to believe that carnal weapons and carnal wars are condoned by the Lord our God, or that homosexuality or other demon possessions, which are exceedingly sinful because they are exactly in opposition to God's Word, are condoned by the Lord. The truth is that all these are condemned by the Lord.¹⁰⁰ Therefore, all those who lead people to Hell, then the Lake of Fire, the captivity of Satan, must be murdered with the sword, the Word of God. They must spend eternity in the same Lake of Fire with Satan, with his angels, and with all those who follow him.¹⁰¹ If you believe the truth of God, God says, "Here is the patience and the faith of the saints" (Rev. 13:10).

The people who were once saved and became antichrist, as well as those who pretend to be Christians and are not, not only take a

stand against God in this wicked world, they fight whoever does not join them.¹⁰² They'll go after the servants of God with everything they have in their power.

My late wife Susan and myself, like the Apostle Paul, “determined not to know any thing among [us], save Jesus Christ, and Him crucified” (1 Corinthians 2:2). We vowed to give our lives before we would ever compromise God’s Word. God’s Word means exactly what it says, and nothing shall change God, the Word.¹⁰³ God is the “same yesterday, and to day, and for ever,” and He, the Word, shall judge every unrepentant sinner through the saints (Heb. 13:8).¹⁰⁴ He adds that we, who are one with Him, shall also judge the angels, whether you or they like it or not.¹⁰⁵ It’s going to be the most astounding thing in the universe to see those false prophets and compromisers, those who have allowed themselves to be deceived into a one-world satanic-powered church cult government by the media, the propagandists, stand before God on the Day of Judgment.¹⁰⁶

Jesus said, “Think not that I am come to send peace on earth [that is, to make peace with the devil, the powers of darkness]: I came not to send peace, but [to bring the Word, the light, the] sword” (Matt. 10:34),¹⁰⁷ as well as to “destroy the works of [darkness]” (1 John 3:8), not to compromise with Satan, his darkness, and those who have compromised with His Word.

DOING IT

Christ didn't come into the world just to do the best He could. He didn't try to get on the cross, He got on the cross.¹⁰⁸ He didn't try to die for the sins of the world, He did die for the sins of the world.¹⁰⁹ He didn't try the best He could to go to Hell, He did go to Hell for us.¹¹⁰ He didn't try to get out of Hell, by His mighty power, He got out of Hell.¹¹¹ He didn't try to ascend into Heaven, He really ascended into Heaven before the eyes of over five hundred people.¹¹² Doing the best we can is not enough. We must be members of Christ's body. We must be perfect. Perfection is accomplished by God in Christ living and working both in and through us.¹¹³

Jesus said, "ALL POWER is given unto ME IN HEAVEN AND IN EARTH" (Matt. 28:18). This is because Christ never compromised, never sinned, and never gave place

to the devil, as these demonic creatures who call themselves Christian ministers do in this world today.¹¹⁴ They are false prophets, wolves in sheep's clothing (Matt. 7:15). They tell you, "Just send us your money and you'll be blessed. You'll go to Heaven. You'll be able to buy a new home, a new car, and send your children to demonic colleges and universities [however, they leave the word 'demonic' out]. You'll be able to enjoy your present life and have fun." However, Christ tells us to "deny [ourselves daily], and take up [our] cross daily, and follow [Him]" (Luke 9:23).¹¹⁵

The lives of Jesus, the prophets, and the apostles were not what anyone could call worldly fun.¹¹⁶ Only false prophets would say that the Lord saved us to be comfortable and have worldly fun, or say they've been called to preach money.¹¹⁷ God truly states that if we keep all of His commandments, and He means all of them, He will provide for us.¹¹⁸ He provides for us as our souls prosper. "Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth" (3 John 2).

ENCOURAGEMENT

God commands us to “Love not the world,” that is, not to desire the things of this world, but to desire the things of the world to come (1 John 2:15).¹¹⁹ Fun to a Christian is the encouragement we receive when we know that the Spirit of God in Christ is living and working in us and when, by God’s power in us, we know we have overcome sin, Satan, the world, the flesh, and ourselves, so that our souls, by keeping God’s commandments, are preserved or sealed in Him.¹²⁰ We are not sealed in Him if we break His commandments. If we break His commandments, this breaks the seal.¹²¹ The consistent walk in the Holy Spirit is the seal, the power that keeps us.^{121A} If we “draw back [from God],” we break the seal, and “there remaineth [for us] no more sacrifice for sins [no more repentance]” (Heb. 10:38, 26).

The false prophets will tell you that I am unscriptural. Read the Bible for yourself. You will see that I am not unscriptural. "There is a sin unto death... and there is a sin not unto death" (1 John 5:16-17). If we begin living a life of sin, read the Bible, the seal is broken.¹²² Keeping God's commandments gives us encouragement, and this encouragement that

we get by our overcoming evil is “joy unspeakable and full of glory” (1 Pet. 1:8). The people of the world don’t have the kind of fun that the saints do. The saints refuse to believe that the temporal things of this world are fun.¹²³ The children of darkness have “worldly fun,” but for this, they shall surely reap Hell and the Lake of Fire.¹²⁴

The false prophets never tell you, as the Bible tells you, that you must "yield your members servants to righteousness unto holiness" (Rom. 6:19), that is, surrender your entire self to the lifestyle of Christ, the Spirit of God, so that God in Christ can live both in you and through you, continuing His work here on earth.¹²⁵ These false prophets make you believe that sending your money to them is all that God wants you to do. They tell you that this is the whole work of God. Of course, if that's what you believe, Satan will not persecute you. After all, he already has you. You are condemned for supporting false prophets. Supporting false prophets is the same as supporting Satan. They assure you that they'll get the true Word of God spread throughout the world.

God sent His disciples into the world to follow and preach the truth and to reject all those who would refuse the truth. When His disciples were rejected by anyone Christ never instructed them to say "God loves you, brother," "God loves you, sister," "I love you, brother," or "I love you, sister."¹²⁶ What the Lord does command His disciples to do to those who reject Him is "shake off the dust under your feet for a testimony against them" (Mark 6:11). Don't even wish them any peace. "Let your peace return to you" (Matt. 10:13). "If there come any unto you, and bring not this doctrine, receive him not into your house, neither bid him God speed: For he that biddeth him God speed is partaker of his evil deeds" (2 John 10-11).

CONSECRATION

God forbids and condemns all those who believe they are to unite themselves with the devil's cult and media. God's Word, however, offers them mercy by telling them, "Come out from among them, and be ye SEPARATE, saith the Lord, and touch not the unclean thing; and I will receive you, And will be a Father unto you, and ye shall be My sons and daughters, saith the Lord Almighty"

EVIL INTERNATIONAL, ROMAN CATHOLIC GOVERNMENT AGENTS ARE CLAIMING TO BE UNITED STATES OF AMERICA GOVERNMENT AGENTS

(2 Cor. 6:17-18).¹²⁷ “The bloodthirsty [those who murder] hate the upright: but the just seek his soul” (Prov. 29:10).¹²⁸

We all can plainly see in the true Word of God, which is not in one of these new anti-Christ government Bibles, that we are not to be “unequally yoked together with unbelievers” (2 Corinthians 6:14). We are not to marry them, become partners with them in business, or hang around them, hoping that one day they are going to believe,¹²⁹ and we are not to unite the body of Christ with false religions.¹³⁰ This is what the false prophet, his cult, his government, and his mouth, the media, are telling the deceived world. They falsely and demonically state that in order for the people of the world to have peace on earth, they must first unite themselves to all demonic religions, which are all joined with Rome in one way or another. God plainly warns us that to do such a thing is an unforgivable sin. Therefore, it is the same as blasphemy of the Holy Spirit, which is unforgivable both in Heaven and on earth.¹³¹

Anyone condoning carnal wars, carnal weapons, murder, homosexuality, adultery, fornication, the forbidding of marriage, or any other thing which is contrary to the Word of God is a cult, and anyone who believes them is a cultist and is on their way to Hell and the Lake of Fire.¹³² The Bible commands us to depart from them all.¹³³ Again, “receive [them] not into your house, neither bid [them] God speed: For he that biddeth [them] God speed is partaker of [their] evil deeds” (2 John 10-11). “For what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? And what concord hath Christ with Belial [the devil]? or what part hath he that believeth with an infidel? And what agreement hath the temple of God with idols?” (2 Corinthians 6:14-16). Jesus called us out of darkness into light.¹³⁴ We are to fellowship with the Lord and those who are the saints of the Lord.¹³⁵ We are to resist the devil, and never give place to him (Eph. 4:27). We are

to “Resist the devil, and he will flee from [us]” (James 4:7).

When I was a young Christian, many years ago, I was astounded to find that the people in the southern states, the Bible-belt, no longer recognized the true Word of God. I am no longer astounded at this because God said, “the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; And they [rather than believing the Word of God] shall turn away their ears from the truth, and shall be turned unto fables” (2 Tim. 4:3-4). They are headed for eternal destruction. How could it be possible that the people in the Bible-belt, who were saved and raised on the gospel, could receive “another gospel: Which is not another [gospel]” (Gal. 1:6-7)? It is a fantasy, a fable, a pipe-dream. Paul stated twice in Galatians 1:8-9, “Though we, or an angel from Heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed.”

In genuine Christians, the minute something hits their ears, it filters down to their heart.¹³⁶ If the Word of God is written upon the table of your heart in the blood of Jesus Christ,¹³⁷ everything will turn from your heart to your head, and you will say, “Wait a minute. God said, the Bible says, and that’s it!” They’re not going to receive false doctrine, because false doctrine can never save a soul, but destroys the human soul.¹³⁸ That’s why it’s so important for the people of Satan to make a law forbidding the Bible to be read or distributed. Satan cannot control a human being whose faith is in the living God, one who is born into the Kingdom of God through faith in the Gospel of the Lord Jesus Christ.¹³⁹ There’s no hold of Satan upon him. But God automatically answers him. Jesus said, the Bible says, God said.¹⁴⁰ Satan cannot keep anyone in confusion whose trust and faith is in the living God, that is, who has faith in His Word.¹⁴¹

Brothers and sisters, I stand before you today. I preach my heart out to you. I plead, and I beg, and I say to you that you are standing right at the door of the coming of Jesus Christ.¹⁴² This whole world has no idea what

it’s heading for. The world and those in the world who are lost are heading for destruction.¹⁴³ We have never known violence comparable to what this nation is going to know. You have lost your place with God, and you have compromised with the devil. You have also allowed yourself to become susceptible to every demon power in Hell. We have got to believe God.¹⁴⁴ We have to get back to the true gospel. That which was written of old still has not changed.¹⁴⁵ It is still the gospel which helps men and women break their way through to God, the gospel which makes people say to each other, “I talked about you brother, but I ask you to forgive me, I was wrong,” or say, “Sister, I said things about you that were untrue. I ask you to forgive me, because I know it is the will of God for me to do this to keep myself free from sin,¹⁴⁶ and I know that the time is drawing nigh of the coming of Jesus Christ,¹⁴⁷ and I know we must repent or be judged as sinners and spend eternity in the Lake of Fire.”¹⁴⁸

If we commit one sin, no matter how small, we’ve broken them all. “For whosoever shall keep the whole law, and yet offend in one point, he is guilty of all” (James 2:10). We’re going to have to make straight that which is crooked.¹⁴⁹ We’re going to have to prepare to meet our God.¹⁵⁰

So again, if we refuse to be the lights of the world, the whole world will continue to be “dead in trespasses and sins” (Eph. 2:1). They will continue in their world of darkness if we do not preach the light of the Word of God into their hearts.¹⁵¹ They will never wake up until the Day of Judgment. At that time, it will be far too late for them to repent of their sins. Those who thought they were Christians but are not, because they didn’t believe the gospel enough to obey it, will be “weighed in the balances, and...found wanting” (Dan. 5:27). They will spend eternity in the Lake of Fire.¹⁵² Those people say they are Christians, yet don’t believe that they have to keep the commandments, such as exposing the enemy, and they don’t believe God’s Word, which says we are never to join false religions, which are not only enemies of God but the enemy of God’s children who are the tabernacle of God.¹⁵³ They will be held accountable by God for the

blood of every soul that is lost over their refusal to alert the world about who the devil is using and how he is using them,¹⁵⁴ as well as for joining Satan's one-world government, cult, and media, which is the same as worshipping Satan and his beast.¹⁵⁵

God never hides the names of the wicked people in the Bible, as the false Christians do today. The Word of God tells of the sin of Adam,¹⁵⁶ Eve,¹⁵⁷ Cain,¹⁵⁸ Lamech,¹⁵⁹ and all the wicked people of the world, which God drowned.¹⁶⁰ It tells of the sins of Ham,¹⁶¹ Nimrod,¹⁶² Amraphel,¹⁶³ Arioch,¹⁶⁴ Chedorlaomer,¹⁶⁵ Tidal,¹⁶⁶ Sodom, Gomorrah,¹⁶⁷ Esau,¹⁶⁸ Pharaoh,¹⁶⁹ Korah,¹⁷⁰ Dathan,¹⁷¹ Abiram,¹⁷² Achan,¹⁷³ Saul,¹⁷⁴ David,¹⁷⁵ Absalom,¹⁷⁶ Adonijah,¹⁷⁷ Jeroboam,¹⁷⁸ Ahab,¹⁷⁹ Jezebel,¹⁸⁰ Sennacherib,¹⁸¹ Pelatiah,¹⁸² Belshazzar,¹⁸³ Herod,¹⁸⁴ Judas Iscariot,¹⁸⁵ Ananias,¹⁸⁶ Sapphira,¹⁸⁷ Elymas,¹⁸⁸ Demetrius,¹⁸⁹ Hymenaeus, Alexander,¹⁹⁰ and many others.¹⁹¹ The Lord deliberately exposes all these and many more so that they can be examples for us as to what not to do.¹⁹² The Bible also tells us of all the good people, the people of the Lord.¹⁹³

Where does this doctrine come from that states we are not supposed to expose the devil and those he is using, such as false religions? The Bible tells everyone where it comes from. It's coming from Satan, the "great red dragon" (Rev. 12:3).¹⁹⁴ Many false prophets preach this false doctrine, and woe unto you if you fall for it. Jesus said Satan will not cast out Satan, which means Satan will not expose Satan (Matt. 12:25-26). The Lord and His people expose Satan.¹⁹⁵ Those who hide the devil are the devil.

All those who play any kind of sport must know who their opponents are and how they will compete against their opponents, or else they can't win. The secular world is set up to know who its opponents are. How much more should the spiritual realm know who their enemy is and expose them to the world? This is why God's Word tells us, "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour" (1 Pet. 5:8).

MEASURING UP

Our enemies are spiritual enemies. They are satanic spirits, who do their work against us in the bodies of weak humans.¹⁹⁶ They are easily detected, but only after we know the

correct meaning of the Word of God. When we know the Word of God, we contrast the things they are doing with the Word of God. When we see them do the exact opposite of what God tells everyone to do in His Word, we see they are not followers of Christ, but followers of the devil, for anything other than God is Satan. They are blind leaders who lead their entire congregations "into the ditch" (Matt. 15:14). This means they shall all spend eternity in the Lake of Fire.¹⁹⁷

We must have the knowledge of God.¹⁹⁸ God states, "My people are destroyed for lack of knowledge" (Hos. 4:6). By this He means they are destroyed by their lack of the knowledge of God. Here the word "destroyed" means they will spend eternity in the Lake of Fire. If we truly are the members of Christ's body, the church, His bride, the New Jerusalem, the Kingdom of Heaven, we will warn people of the wrath of God which is soon to come, just as Christ, the prophets, and the apostles did.¹⁹⁹

THE HIGHER POWERS

God's infallible Word states, "Let every soul be subject unto the higher powers" (Rom. 13:1). The higher powers are "the minister[s] of God" (Rom. 13:4). Why? Because "there is no power but of God" (Rom. 13:1), and God's power is not the one-world anti-Christ cult, government, or media. These are the powers of the devil.²⁰⁰ Again, Christ said, "All power is given unto Me in Heaven and in earth," not to Rome, Rome's Antichrist, Satan, the dragon, or Rome's one-world government and media (Matt. 28:18). Again, God's authorities on earth are His ministers, those who minister HIS WORD (Rom. 13:1-4).

We must never read or listen to the heresy in the new "Bibles" which have been printed under the direction of Satan's Antichrist in Rome, who is given his power by Satan, the great red dragon. These new Bible versions exalt the world government beast, Rome's enforcement agency. They are Satan's Roman Antichrist, one-world government Bibles. There are many new Bibles which Satan provides for you. One of them is the Amplified Version, which says, "Let every person be loyally subject to the governing (civil) authorities," the civil authorities such as the Nazis, who have murdered and continue to murder millions of people (Rom.

13:1). The civil authorities say homosexuality is honorable, even though God said demonic spirits such as this are condemned.²⁰¹

A lack of space doesn't allow me to tell you all the other things God said are sin, such as abortion, which is, in the eyes of God, first-degree murder and is punishable by eternity in the Lake of Fire, as well as all the other sins that the civil authorities condone and protect.²⁰² Civil authorities are not voted in by God but by unregenerated people, unconsecrated people, people who are "dead in trespasses and sins" (Eph. 2:1). Romans 13:1-4 states that God's authorities are His ministers, those who preach His Word, those who fear Him and keep His commandments.²⁰³ Those who are God's authorities, God's ministers, are the ones in the world you must fear if you intend to enter the Kingdom of Heaven.²⁰⁴ Again, the governing civil authorities are not the higher powers. God's ministers are the only ministers of God's power. "There is no power but of God" (Rom. 13:1). The governing civil authorities must be subject to the higher powers, but will they be? The answer is "no." Rome is given its power not by God, but by Satan, the great dragon.²⁰⁵

There is no justice in the world because Rome's satanic cult, government, and media are the civil, carnal authorities.²⁰⁶ This includes all those who are its puppets, its mouth, the media. However, no matter what Satan is doing in the world today, we are commanded by God not only to expose them, but to love our enemies. We are to bless them that curse us, to do good to those that hate us (we are not to bomb them or blow them and their tiny little children up), and to pray for those who despitefully use us and persecute us (Matt. 5:44). This does not mean we are to love the devil. We are commanded to hate him.^{206A} We are to hate the deeds of the people, but not to hate the people. We are to love the whole world by telling them the truth, the only truth, in this world which is filled with lies.²⁰⁷

We, the ministers of God, who are God's authorities on earth, would never instruct anyone to murder unless we wanted to spend eternity in Hell with Satan, his angels, and all the other unrepentant sinners who follow him. We would never, under any circumstance, plan the massacre at Waco, which the satanic Roman

civil authorities called a “turkey shoot.”²⁰⁸ Tapes of David Koresh preaching show that he did not think he was Jesus or God. He exalted our Lord Jesus Christ. The media, who God said is the mouth of Satan, told you another pack of lies regarding him, just as they have told you lies about many other people of God for centuries. You can order tapes with David Koresh preaching the true gospel, which show him to be a true Christian, from the address below.²⁰⁹ However, I do disagree with his earning money by the sale of guns and with his possession of carnal weapons, because the Lord forbids it.²¹⁰

We could never and would never plan the bombing of the Oklahoma Federal Building or the destruction of the World Trade Center. This sort of cruelty is what made the anti-Christ Roman Vatican cult infamous for hundreds and hundreds of years. The Bible and history plainly tell us these things.²¹¹ The above mentioned atrocities are the work of Rome’s satanic Nazi party. Heaven, by the Holy Spirit, has uncloaked her. Satan’s cult, government, and media are no longer a mystery to most of the thinking population of the world. These satanic Roman Nazis have deceitfully wormed their way into the very fabric of the U.S. administration, as well as into the fabric of the administrations of all the other countries of the world.²¹² They have deceitfully weaseled their way into the very fabric of the former true and excellent United States government, which was drafted by our founding fathers.²¹³ True American government is of the people, by the people, and for the people, under God’s Word, the Bible.

God’s authorities would never burn anyone at the stake just because they don’t believe as they do, although the Roman Catholic cult has done this for centuries.²¹⁴ A Christian nation would never condone the sin of homosexuality. Those who walk in the

love of Christ, which is the keeping of God’s commandments (1 John 5:3),²¹⁵ consistently warn all sinners, including homosexuals, of the truth. That truth is that they have a demon possession. If they submit themselves to Christ, He will cast that filthy, unclean spirit out of them so they don’t have to spend eternity burning in the Lake of Fire.

Christians would never tell the lie that it’s all right to commit first-degree murder, abortion, because we would be telling people to do something that will send their souls to Hell and to the Lake of Fire forever.²¹⁶ We would never approve adultery, which is when a man commits fornication with another man’s wife.²¹⁷ Although Satan’s cult, Roman government, and media condemn the Bible, because they know the Bible condemns them, the true members of Christ’s body, His church, His bride, the New Jerusalem, Heaven, insist that the whole world read the Bible and do what it says if they want to be saved from the Lake of Fire.²¹⁸ I provide Bibles for all those who can’t afford them.

God’s authorities, His ministers, would never pay billions of dollars to farmers to not grow food, as the Vatican’s world government does.^{218A} Give true members of Christ’s body, God’s authorities, those billions of dollars, and Christ in us will see to it that the whole hungry, thirsty, and naked world is fed, given drink, and clothed, just as Jesus commands us to do.²¹⁹ We do it as much as we can with what little we have, because Christ said, “Inasmuch as ye have done it unto one of the least of these My brethren, ye have done it unto Me” (Matt. 25:40). Anyone who murders someone is the same as murdering Christ, because inasmuch as ye have done it unto one of the least of these His brethren, ye have done it unto Him. “God so loved the world, that He gave His only begotten Son” as our substitute so that men would be saved, rather than be murdered by Roman Nazi anti-Christ cultists, their government, and Satan’s blasphemous media, who encourages all these wicked things (John 3:16).²²⁰

God’s authorities are constantly being lied about, persecuted, falsely prosecuted, threatened, imprisoned, and murdered by the

Antichrist.²²¹ However, God’s higher authorities here on earth would never send assassins to murder those who render any kind of evil against us.²²² This is because God commands us and everyone else, “Thou shalt do no murder” (Matt. 19:18). We who are God’s authorities, His ministers, the higher powers, would never try to rule this present world, because this present world is not only condemned, but is soon to burn up. Only a fool would try to rule something that is condemned, soon to be destroyed. Only those who are members of Satan, the great red dragon’s Roman anti-Christ government, cult, and media would be so foolish.

ONCE LOVED, NOW HATED

We see Rome’s satanic Nazi Fourth Reich using United States troops to murder the leaders and peoples of nations so that the Roman Antichrist can place his own like-minded leaders in the place of those he ordered to be assassinated or murdered.²²³ These actions are causing all the nations of the world to hate the people of the United States of America. We who were once the most loved nation are now the most hated. The Antichrist in Rome doesn’t allow his world-controlled media to fully tell the truth about what the people of other nations think about us or why they think this way. They hate us because of what the Antichrist, through the high-ranking Roman Nazi agents which have infiltrated our government, is doing to them.^{223A} When these nations respond to the Roman Nazi agents’ unholy aggression which is coming from the U.S. through the orders of the Antichrist in Rome, the Pope’s media and his puppets lead us to believe we should go to war against them. Would you not hate someone who’s bombing you, your family, and your friends for no apparent reason? “I am for peace: but when I speak, they are for war” (Psa. 120:7).

God’s Word states that in the last days Satan would deceive the whole world (Rev. 12:9). This has happened. You, the people of the world, are deceived. Everything that God is telling you is the real truth; however, you believed the Antichrist rather than Christ. How do you expect to escape the never-ending torments of Hell and

the Lake of Fire when you stand before God's great white throne of judgment for your belief in Satan rather than God? You believed Satan rather than God and God's Son, who died and shed His blood for you. This is the same as blasphemy of the Holy Spirit, which is unforgivable on earth and in Heaven.^{223B} How do you expect to escape the judgment of Hell and the never-ending torments when you, in Hell, shall be cast into the Lake of Fire? Entering Heaven and escaping the pit of Hell and the Lake of Fire is possible simply by believing in God and proving it by doing what He commands, rather than letting Satan tempt you into sin.²²⁴ Satan wants you to spend a never-ending eternity in the Lake of Fire with him.

Christ and His saints' kingdom is "not of this world" (John 18:36). The saints of God look forward to another world, which is the eternal Kingdom of Heaven, a Heaven filled with holy pleasures forevermore, happiness, and joy. Why should we be concerned with this present world when concern for it would cost us our eternal souls?²²⁵ "For what shall it profit a man, if he shall gain the whole world, and lose his own soul? Or what shall a man give in exchange for his soul?" (Mark 8:36-37).

How could we win one soul by obeying the corrupt Antichrist laws, which Satan has belched into the world today? If I and the other people of God don't tell the world and the people in civil government who the higher powers are, how can they be saved?²²⁶ The answer is that they would not be saved. "For God sent not His Son into the world to condemn the world [because the world already was and still is condemned]; but that the world through Him might be saved" (John 3:17).²²⁷ The world with its Roman Catholic civil authorities is already condemned.²²⁸ This is why Christ came into the world, to save them and all the other sinners.²²⁹ The Apostle Paul stated, "Christ Jesus came into the world to save sinners; of whom I am chief" (1 Tim. 1:15). Jesus said, "He that believeth on Him [Christ, who is the Word of God²³⁰] is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God" (John 3:18). "And His name is called The Word of God" (Rev. 19:13).²³¹ "Whosoever believeth in Him [the Word of God] should not perish, but have everlasting life" (John 3:16).²³² If the condemned world with its civil authorities begins

believing the message of Christ through God's authorities, His ministers, they can be saved.²³³ No one but God's authorities would ever preach the entire truth to them.

God appointed His authorities from on high.²³⁴ We were not voted in by mere men. We were called, chosen, and appointed by God.²³⁵ God has put so much fear in me by letting me hear His voice, then letting me see, feel, and hear the sounds of the torments of the people in Hell that I fear only God, not the devil, which Christ already defeated around two thousand years ago.²³⁶ Also, the Lord appeared before me while I was wide awake.²³⁷ My eyes were wide open. I saw Jesus. The Lord also gave me many visions, dreams, signs, and wonders.²³⁸ I am a supernaturally saved and chosen vessel of the living God. I come to you as an ambassador from God Himself. I am one of God's higher powers on this earth. I am a minister of the Lord, and I am to warn all of you who are the members of the Roman cult government and media.²³⁹ You are not the higher powers. All of you have told lies in order to be elected by mere humans. I was not elected by mere humans. I was called, chosen, and elected by God. I didn't run for office. I never shook your hand, kissed your babies, or promised you anything in order to be chosen by God. The Almighty, holy, eternal, living God called me, voted for me, and elected me. I've been in office almost forty years, and no human being can vote me out.

Christ along with all those of us who follow Christ and preach His Word are hated by the wicked Roman anti-Christ authorities in the world.²⁴⁰ Jesus spoke to His disciples with a message to every disciple of Christ through every age. He said, "If the world [the civil authorities] hate you, ye know that it hated Me before it hated you" (John 15:18). God hates your larceny, your assassinations, your "turkey shoots," your massacres, your kamikaze attacks, such as those at the World Trade Center, your bombings, your betrayals, your stealth, and all of your evil, sinful wickedness.²⁴¹ God hates your carnal weapons of mass destruction, and He hates your carnal, pre-planned satanic wars.²⁴² He hates your schemes, your desires to rule the world and mankind.²⁴³ He hates your Antichrist and the way you follow him.²⁴⁴ He hates your "love of money [which] is the root of all evil" (1 Tim. 6:10).²⁴⁵ He hates the spirit of Satan dwelling in those you who are butchers of humans.

He hates the seducing spirits. He hates the satanic spirits dwelling in those of you who are being used to wear out the saints.²⁴⁶ He hates the satanic demons in the false prophets who are leading millions of souls into Hell, then into the Lake of Fire with them.²⁴⁷ There are so many of them I can't list them all. He hates their satanic bargaining tables.²⁴⁸ God hates your hatred towards the Jews, His chosen people,²⁴⁹ and towards spiritual Israel, which is His body, His church, His bride, the New Jerusalem, "The Kingdom of Heaven [which] is at hand," the true Christians (Matt. 10:7).²⁵⁰ He hates the demonic spirit of pride in you, which chooses the way of Satan rather than the way of God.²⁵¹ The Psalmist David stated, "I hate them with perfect hatred" (Psa. 139:22). Jesus said, "Thou [His authorities] hatest the DEEDS of the Nicolaitans, which I also hate" (Rev. 2:6). God doesn't hate the Nicolaitans, but He hates their DEEDS. God doesn't hate you, but He hates your DEEDS. Repent of your evil deeds, or burn in Hell and the Lake of Fire forever (Matt. 25:41, Rev. 20:15, 21:8).²⁵² Any servant of God hates your deeds as well, but doesn't hate you. We hate the devil that possesses you.²⁵³ God wants to possess you. He died for you. He paid for you with His life and His blood on the cross at Calvary.²⁵⁴

Give up the crumbs of this world and receive immortality in Heaven forever.²⁵⁵ Only the dogs eat the crumbs off of the Lord's table.²⁵⁶ We mere humans have only one choice. We can either repent of our sins and follow Christ, or not repent and spend eternity in the Lake of Fire.²⁵⁷ Spending eternity in the Lake of Fire is not a choice; therefore, if you have a brain, God is making you an offer that you can't refuse, unless you are the ultimate masochist or a vegetable, which means you are insane. You will not think this way when you are in the Lake of Fire gnashing your teeth and chewing your tongue for pain throughout eternity.²⁵⁸ It is the wonderful goodness of God towards all humanity that makes this clear and merciful offer through His Word, the Bible. It is your blueprint to Heaven. Jesus our Lord tells us to "repent...and believe the gospel" (Mark 1:15), "or else [He] will come unto [us] quickly" (Rev. 2:5). He warns everyone, "I will come on thee as a thief, and thou shalt not know what hour I will come upon thee" (Rev. 3:3). If you don't repent, you will soon be standing before the

great white throne of God.²⁵⁹ There you will not have your way. God never changes His Word or judgments.²⁶⁰ You will be paralyzed with horror. You will be terrified beyond your imagination because the bleak, naked truth or ultimate reality will have you firmly in its grip while you are being cast into the eternal flame, which cannot be quenched.²⁶¹ Then “the smoke of [your] torment ascendeth up for ever and ever” (Rev. 14:11).²⁶² Those who fear Satan rather than God, those who disbelieve God, “and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone” (Rev. 21:8).²⁶³ To receive mercy for your condemned soul, cry out to God in this prayer:

My LORD and my GOD, have mercy upon my soul, a sinner.²⁶⁴ I believe that JESUS CHRIST is the SON of the living GOD.²⁶⁵ I believe that HE died on the cross and shed HIS precious blood for the forgiveness of all my former sins.²⁶⁶ I believe that GOD raised JESUS from the dead by the power of the HOLY SPIRIT,²⁶⁷ and that HE sits on the right hand of GOD

at this moment hearing my confession of sin and this prayer.²⁶⁸ I open up the door of my heart, and I invite YOU into my heart, LORD JESUS.²⁶⁹ Wash all of my filthy sins away in the precious blood that YOU shed in my place on the cross at Calvary.²⁷⁰ YOU will not turn me away, LORD JESUS; YOU will forgive my sins and save my soul. I know because YOUR WORD, the Bible, says so.²⁷¹ YOUR WORD says that YOU will turn no one away, and that includes me.²⁷² Therefore, I know that YOU have heard me, and I know that YOU have answered me, and I know that I am saved.²⁷³ And I thank YOU, LORD JESUS, for saving my soul, and I will show my thankfulness by doing as YOU command and sin no more.²⁷⁴

After salvation, JESUS said to be baptized, fully submerged in water, in the name of the FATHER, and of the SON, and of the HOLY SPIRIT.²⁷⁵ Then study the King James Version Bible, and, for your benefit and the benefit of others, do what it says.²⁷⁶

CHRIST and GOD the FATHER now live in you through the HOLY SPIRIT. There is a way you can receive a fuller portion of the divine nature of GOD in you. The more the divine nature of GOD lives in you, the more you will be able to stand against the temptations that have so easily moved so many millions of Christians away from salvation. Pray for the baptism in the HOLY SPIRIT.²⁷⁷ For

instructions on how to receive the baptism in the HOLY SPIRIT and to receive more of GOD'S holy nature, ask for our literature or call. For without holiness, no man shall see GOD (Heb. 12:14).

If you want the world saved, as JESUS commands, then don't rob GOD of HIS tithes and offerings. GOD said, “Will a man rob GOD? Yet ye have robbed ME. But ye say, Wherein have we robbed THEE? In tithes and offerings. Ye are cursed with a curse: for ye have robbed ME, even this whole nation [and this whole world]. Bring ye all the tithes [a ‘tithe’ is 10% of your gross income] into the storehouse, that there may be meat [spiritual food] in MINE house [souls saved], and prove ME now herewith, saith the LORD of HOSTS, if I will not open you the windows of Heaven, and pour you out a blessing, that there shall not be room enough to receive it. And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast her fruit before the time in the field, saith the LORD of HOSTS. And all nations shall call you blessed: for ye shall be a delightsome land, saith the LORD of HOSTS” (Mal. 3:8-12).
