

# ARE YOU OWNED BY JESUS OR BY THE VATICAN (THE DEVIL)?

by Tony Alamo

Communitarianism is the Vatican's justification for the community's rights taking precedence over those of the individual. In the U.S. Constitution we are guaranteed the rights we are born with: life, LIBERTY, and the pursuit of happiness. The last right, from the philosophy of John Locke (an 18<sup>th</sup> century writer whose writings influenced Thomas Jefferson in his writing of the Declaration of Independence), was "property." Property is not just land. You are your own property. Do you want to own yourself, or do you want someone else to own you? The hatred or abhorrence of slavery was a fundamental element in the original draft of the Declaration of Independence.

How can we justify individual rights when the community makes claims to them? According to the U.S. Constitution, the community is not the one with the rights; you, the individual, have the rights. The community has no rights under the U.S. Constitution. Individuals have rights and responsibilities, but the community as a whole—what constitutional law refers to this? What in the U.S. Constitution, the Bill of Rights, or the Declaration of Independence has anything to do with such a thing? Whenever you try to justify, subsume, subordinate, or consensusize the individual's rights, you'll get something different than what we are guaranteed under the Constitution.

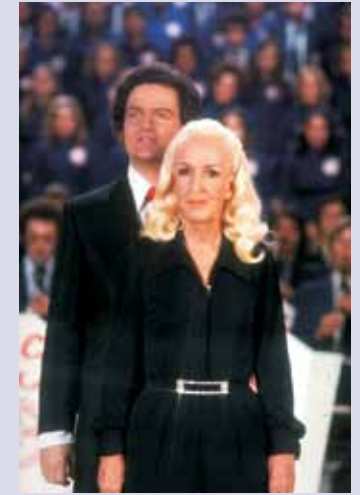

Communitarianism, again, is the Vatican's justification for taking away

your individual rights in exchange for the rights of the community, defined now as the "Vatican's global community." This is being pitched to you, by the Vatican's media, as the new, enlightened form of political discourse, political correctness, and Roman Catholic Canon law. (According to the Vatican one-worlders, you are "selfish" if you insist on your individual rights and freedoms.) This is called "Sustainable Development" by the U.N. One World Government, led by the Vatican. They say that this is good for the planet. They tell you it is in everyone's best interest, that this is for your security, for your health, for protecting your children, for limiting workplace violence, for putting an end to bullying, and for protecting everyone's rights in the future.

All of these are praiseworthy and commendable ideas. However, they always result in more restrictive laws that affect everyone. What does that mean? One example is that in certain areas, if you don't mow your lawn, you have violated the law. They criminalize citizens for minding their own business and trying to live peaceable lives while decriminalizing criminals. In many towns, good ordinances have been criminalized.

Will your child have a criminal record if he calls another kid a "queer"? Will you be held responsible if your employee shoots someone and you knew he was upset over a breakup with his wife? Will your fifteen-year-old daughter be strip-searched at the air-

port? Will you lose custody of your ten-year-old because he is obese? Or will you lose custody of the rest of your children because the Vatican accuses you of being a pedophile, says the church your children attend must be destroyed, and decides your children must be adopted out or be sent to foster homes run by homosexuals and lesbians? (All of this can happen if your church is not a Catholic church. [Most government officials and judges, from the President on down, are Catholics.] They will take all your property and dispose of it for pennies on the dollar.)

Will you be evicted from your apartment because you smoked on your balcony in violation of a local ordinance? Will you be taxed for driving fifteen miles to work instead of riding your bike? Will you be fined for watering your vegetable garden? Will your Smart Meter be used to tell advertisers what to sell you? Will your Smart vehicle with remote shut-off capability be shut down by someone in your state capital while you're driving? Will your neighbor report you to the Community-oriented Policing Unit of your local police department because you seem to be acting strangely? Will you be denied the right to use the water in your well? Will you be required to pay triple your original electricity rates because your town has decided to go into the power business (Community Aggregate Power Generation)? Will you be required to donate acres of your ranchland for county open space before you can put a house on it? Will you pay years of property tax without receiving any services for it because Redevelopment debt has crip-

pled your city? Will you be required to do your mandatory volunteering before you can get your child into Little League? Will you be accused of not caring about the planet if you question Sustainable Development? Your rights have been taken away. Welcome to the Vatican's New World Order of the twenty-first century.

For centuries, the Vatican has always stated, "To Hell with the U.S. Constitution."<sup>1</sup> They are now coming up with a new law which states their troops can kill you without a trial if you speak against the government. But I and my church are not against the United States government, the United States Constitution, the Bill of Rights, or the Declaration of Independence. All these new laws are coming from the Roman Catholic Church's Vatican New World Order Canon law, not the United States' law. They are currently running both laws side by side, making it difficult to discern the evil they are doing. The laws I've mentioned that they're making up are not U.S. laws at all. They are destroying the U.S. Constitution, the Bill of Rights, and the Declaration of Independence—our freedoms.

The Vatican is the homosexual pedophile church cult. Why are their churches not closed down, their property not taken, and their children not adopted out? GOD calls this evil worldwide organization "MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH [the anti-Christ government and church cult, the beast]. And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of JESUS" (Revelation 17:5-6).

The bottom line is that the plans of the U.N. Roman Catholic Vatican world government and the New World

Order are to take control of all land use and not leave any of the decision making in the hands of private citizens, private property owners. It is assumed that people are not good stewards of their land, and that the government will do a better job if it is in control. Who in the government do you believe can do a better job of this than you can? Obama? Clinton? Bush? Perhaps Jimmy Carter? Individual rights in general are to give way to the needs of communities as determined by the Vatican goons. Moreover, people should be rounded up off of the land and packed into human settlements or "islands of human habitation," as they are called in the plans of the U.N. Vatican's One World Government, so they will be close to employment centers and transportation. Another program, called the Wildlands Project, spells out how most of the land is to be set aside for non-humans. In anticipation of our objections to such plans, our civil rights will be dissolved.

The U.N. Vatican's One World Government plan cites the affluence of Americans as being a major problem which needs to be corrected. It calls for lowering the standard of living for Americans so that the people in poorer countries will have more; a redistribution of wealth. Although people around the world aspire to achieve the levels of prosperity we have in our country, and will risk their lives to get here, Americans are cast in a very negative light and will be taken down to a condition closer to that of the average person in the world. Only then will there be social justice, which is a cornerstone of the U.N. Vatican's One World Government's plan.

The United Nations has no business

interfering with the personal property of American citizens. The United States and the Vatican's U.N. One World Government have very different laws. The Roman Catholic U.N. law is one world Roman Canon law which says, "To Hell with the U.S. Constitution!" But I say, as an American, "To Hell with Roman Canon law. It has no place in our country."

The law of the United States of America, which I love, is the United States Constitution, the Bill of Rights, and the Declaration of Independence, which states, "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights ['unalienable' means 'that may not be taken away or transferred'], that among these are life, liberty, and the pursuit of happiness. That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed, that whenever any form of government becomes destructive [like the Vatican's anti-Christ U.N.] of these ends, it is the right of the people to alter or to abolish it [I say abolish it!], and to institute new government [that is GODLY and American], laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to affect their safety and happiness. Prudence, indeed, will dictate that governments long established should not be changed for light and transient causes..."

The U.N. Vatican's One World Government policies date back to the 1970s but they got their real start in 1992 at the United Nations Earth Summit in Rio de Janeiro, when President Bush signed onto them along with the leaders of 178 other countries. Because these are what they call "soft laws," they did not have to be ratified by our Congress. The following year, President Clinton began to implement these changes by creating the President's

Hello Papa Alamo,

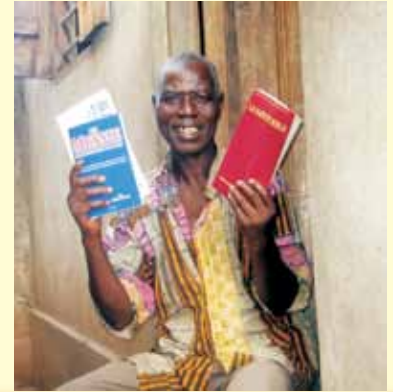

This man is a Muslim who never recognized or accepted our Lord Jesus Christ as the Messiah. He had asked me, when Jesus was raised from the dead where did Jesus go? I spoke to him about Jesus, and he agreed to give his life to Him.

Pray a lot for him so that he will bear much fruit for the Lord; that other Muslims will be converted through him.

May the peace of God, which passes all understanding be with you, with Papa Alamo and with all of his ministry all throughout the whole world.

Yours,

Atchou Kokou, from Lomé, Togo

Council on Sustainable Development (PCSD). Made up of cabinet level government officials, captains of industry (including Ken Lay of Enron), and non-profit groups such as the Sierra Club, one of the first tasks of the PCSD was to give a multi-million dollar grant to the American Planning Association to design a legislative guidebook to be used as a blueprint for every city, county, and state in the United States in order to implement the U.N. Vatican's One World Government plan.

"OK," you say. "This may be interesting, but I don't see how that really affects me." Here are a few ways in which you will be affected: no matter where you live, you will more than likely see that there have been hundreds of condos built or planned in the center of your town, like so many pigeon-hole chicken coops, in which to herd the general population. Over the last twelve years, there has been a "planning revolution" across the U.S. It was the implementation of what the Vatican calls "Growing Smart." They call what they are doing "Growing Smart" because they want you to believe that if you read their book and follow their plan, go along with what they are doing, that you, like so many little sheep, will be "growing smart." However, it's all Vatican propaganda, Vatican brainwash. Your commercial, industrial,

and multi-residential land was secretly, without your knowledge, rezoned to "mixed use." Nearly everything that got approvals for development was designed the same way: ground floor retail with two or three stories of residential above. "Mixed use" is very hard to finance for construction, and very hard to manage, since it has to have a high density of people in order to justify the retail. Much of this type of development is uninhabited, and most of the ground floor retail is also empty. There is a high bankruptcy rate on this type of multi-use construction.

How does this affect you? Most of your towns provided funding and/or infrastructure development for these private projects. They used Redevelopment Agency funds, which is your money, specifically, your property taxes. Have you noticed there's very little money left in your city's General Fund now, and most of that is going to pay police and fire? Your street lights are off, your parks are shaggy, your roads are pot-holed, and your county hospitals are closing. The money that should be used for these things has been diverted into the Vatican's Redevelopment Agency for the past thirty years. It's one of the only agencies in government that can float a bond without a vote of the people. They did that, and

*(Continued on page 4)*

**ARE YOU OWNED BY JESUS**  
OR  
**BY THE VATICAN (THE DEVIL)?**

*(Continued from page 3)*

now you're going to be paying off those bonds for the next thirty to forty-five years with your property taxes. Did you know that?

What does all this have to do with the Vatican's master plan? Redevelopment is a tool used to further the Vatican's agenda of world domination, of remaking America's cities. With redevelopment, cities have the right to take your property by eminent domain—against your will, the property owner—and give it or sell it to a private developer. They'll be telling you that it's better for you, however, since they've put in nice street lights and colored paving downtown. Cities have had thousands of condos built in the redevelopment areas and are telling you that you are terrible for wanting your own yard, for wanting privacy, for not

wanting to be dictated to by a Condo Homeowner's Association Board, for being anti-social, for not going along to get along, and for not moving into a cramped, overpriced apartment downtown, where they can use your property taxes to pay off that huge bond debt. It's not working, and you don't want to move, so they have to force you.

"Human habitation," as it is referred to now, is restricted to lands within the Urban Growth Boundaries of the city. Only certain building designs are permitted. Rural property is more and more restricted in what it can be used for. Although counties say they support agricultural uses, eating locally produced food, farmer's markets, etc., there are so many regulations restricting water and land use (such as scenic corridors, inland rural corridors, bay lands corridors, area plans, specific plans, redevelopment plans, huge fees, and fines) that farmers are losing their lands altogether. County roads are not being paved. The push

is for people to get off the land, become more dependent upon Rome's U.N. Government, and come into the cities. They want people to get out of the suburbs and move into the cities, to leave their private homes and move into condos, to get rid of their private cars and start riding their bikes. They want everybody to ride bikes so that they can avoid building parking lots in the metropolitan areas. They want to condition everybody into living as the Chinese and Japanese do—to sleep in little, coffin-size spaces. Won't that be fun!?

We're losing our homes since this recession/depression began, and many of us could never afford those homes to begin with. We got cheap money, used whatever we had to get into those homes, and now some of us lost them. You were lured, indebted, and ruined. Whole neighborhoods are empty in some areas, and some are being bulldozed. Cities cannot afford to extend services outside of their metropolitan areas. Very soon, people will not be able to afford single family homes, and will not be able to afford private cars. You will be more dependent upon Rome's Canon law, which is not the United States Constitution, the Bill of Rights, and the Declaration of Independence.

When you say that you hate these new laws, you are not saying that you hate the U.S. Constitution, the Bill of Rights, or the Declaration of Independence. You're saying you hate the Roman Canon law, which is the same as saying you hate the United Nations' anti-Christ law, the devil's law.<sup>2</sup> Now they say they're going to shoot us without trial if we speak evil of the law, but what law are they talking about? Are they talking about the laws of our land, which the President of the United States swears to uphold and defend? By this I mean the U.S. Constitution, the

Tony Alamo Ministries,

How are you doing? I pray that this letter reaches you in good health and that you are blessed and highly favored, you and your family in the name of Jesus Christ.

I was so happy to hear from you personally. The spiritual substance that you sent me from your radio broadcast was so moving it really helped give me more spiritual sight. The guys in study are as enthusiastic as I am about the material that you sent me. We're studying about benefits, prosperity, adversity and long-suffering. What you sent came just at the right time. We have been praying for over 63 days straight that a revival be brought in the Spirit to this unit here in Newport, and that He would assign the task and commission to you to bring. You have inspired us so much with your time and service to us, being led by the will of God. We rejoice and give God the glory for you and all that you have done by Him, our Lord and Savior, Jesus Christ!

So many people come up to me and ask me for your world newsletters, especially about "Dry Bones." I can't keep any material. Praise God!

I'm not going to hold you long, I know that you are a very busy person and that God is using you in so many areas of His Kingdom here in this earth. I want to encourage you to continue to be led by the Spirit of Truth. We, the brothers in Brothers in Life Bible Study, say "thank you, and we love you and we will keep you in our prayers that you be highly favored in His eye sight at all times!"

I look forward to hearing from you soon. Write back when you have the time. May you prosper as much as your soul prospers! You, your family, and the saints of the church, His employed, and blessed, and faithful in Jesus Christ!

Your brother and friend in the Body of Christ Jesus,

A.E. Newport, Arkansas  
God bless you and keep you!

# Testimony of Debbie Ondrisek

April 16, 2013

To whom this concerns:

I have been a member of the Tony Alamo Christian Ministries for over 43 years, having had a true conversion experience at this Ministry in 1970. During the early years of this Ministry, the new converts who came out of lives of drug addiction and crime were fed, clothed, and housed by donations from various churches, grocery stores, and others whose hearts God had touched.

As time went on and the Ministry grew in population, there was a great need for more properties with living facilities to house all the new members. Many couples were getting married and starting families. The brothers and sisters went to work in the fields of Bakersfield, CA, to pay for an apartment building and other properties on which the new converts lived. I labored in the fields hoeing cotton, tying up grape vines, and packing pears in a packing facility. The money we earned was used to pay for food, housing, clothing, and eventually for TV broadcasts which featured our zealous choir and orchestra, and also testimonies of the new converts, and a powerful message brought by Susan Alamo.

In 1974 some of the church operation was moved to the Ft. Smith, Alma, Dyer, Arkansas area where businesses were opened and used as workshops to rehabilitate new con-

verts, and to help pay for the needs of the Ministry. We opened a restaurant and grocery store which enabled us to get our food at a wholesale price; we opened a clothing store and two gas stations which also helped bring our costs down for the things they provided. The properties we purchased were used by the church members and for the church members. Tony Alamo never swam in our pools nor lived in the hundreds of houses and apartments we bought. He didn't ride in the trucks or vans we bought for our families and for the use of the working brothers and sisters. He did not get taught in our schools. We wore the clothes and ate the food we worked for. We bought printing presses to print the Gospel literature to evangelize the USA and many foreign countries. We paid for the paper and shipping for the literature to go out all over the world. We paid for the gas in our vans and buses to go to the streets to witness to multitudes of people. Our church has sent ambassadors over to Africa and India to help with the needs of those people.

I always knew what a great and powerful work of God this Ministry is, and I have worked with my hands to pay for the properties and other things we all needed to carry on this magnificent work. I worked for one year at J.C. Penney's in Fort Smith, AR, doing clothing alterations. I tithed every paycheck to help in the Ministry.

I have also worked within our clothing manufacturing facilities for several years. I have worked as a cashier at two of our Alma businesses. I have done quite a bit of babysitting after I had my own children. This helped other moms who worked elsewhere in the Ministry. For two years when I was away from this Ministry living near Little Rock and supporting myself, I faithfully tithed to this church. My husband tithed \$5000.00 (which was his inheritance) to this Ministry while we lived on Ministry property. I knew the money we worked for was given to pay for our own needs, and to pay for the outreach to people who were lost and needed the same Savior we came to know, Jesus.

I knew, and we all knew, that Tony Alamo did not own our churches and homes and businesses. We loved and respected him as our pastor and sought guidance from him. That is why we were able to be financially successful. But we are the ones who worked for and used the properties which are now being taken away. Tony did not use the 4th St. warehouse, he did not live in the 3 houses, he rarely preached in the Windsor church, he never used the Windsor gym, he didn't use the 16th St. restaurant. All these have been judged as being owned by Tony Alamo, and that is a damned lie!

Bill of Rights, or the Declaration of Independence. Or do they mean the Roman Canon law, the U.N. law? The One World Government today speaks evil of the U.S. Constitution, the Bill of Rights, and the Declaration of Independence. But you can be sure they're not going to kill anyone for talking evil about the law of our land, the U.S. Constitution, the Bill of Rights, and the Declaration of Independence, because they themselves speak evil of them. What they want is for you to never speak evil of Rome's One World Government law, the U.N. law, the law of Antichrist, the devil's law, which is not the law of our land at all. I am an American, and I will never speak evil of the moral law of GOD. Nor will I be a traitor to the American people, or to the United States of America. Every politician knows that they are for the United Nations and not the U.S.A., but I am for the U.S.A., not the United Nations. The United Nations is the Antichrist government.

If you are a taxpayer, you must tell the politicians in your area that you want your taxes to go for the maintenance of the area in which you live, not twenty, thirty, forty, or fifty miles away from you in some downtown neighborhood. They are manipulating you. They think you are stupid. They don't realize you know they're ripping you off and insulting you.

If you won't be patriotic and support the United States government, then what are you? In order for us to stand as a country, all of us have to be patriotic and stand up for our rights. You can't allow this satanic foreign

government to come into our country and push you around. You have to stand up for your rights. You can't let these people pigeonhole you into living in chicken coop-like facilities.

They've slandered me so much. For so many years you haven't listened to me, but GOD sent me to lead you. You need to make a stand for your family and your country, and you need to make a stand for ALMIGHTY GOD. You need to begin walking in the Law of the SPIRIT of LIFE in CHRIST JESUS.<sup>3</sup>

When the Vatican's people make statements saying they're going to kill you if you speak up against what they're doing, you know there's nothing left for you but to make a stand against this evil force. The LORD requires that we make a stand against Satan, or HE'LL spit us out of HIS Body.<sup>4</sup> If you're full of zeal for the LORD and the WORD of GOD, then you're doing what the LORD commands you to do.

You are the Body, the Temple of CHRIST (if you are born again of the SPIRIT of GOD<sup>5</sup>) (1 Corinthians 6:19, 12:27). JESUS says in Revelation 3:15-16, 19-21, "I know thy works [which are nothing], that thou art neither cold nor hot: I would thou wert cold or hot. So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of MY mouth [out of MY Body, the Body of CHRIST, salvation]. ...As many as I love, I rebuke and chasten: be zealous therefore, and repent [get busy making a stand against Satan and his anti-Christ Vatican government]. Behold, I stand at the door, and knock: if any man hear MY voice, and open the door, I will come in to him, and will sup with him, and he with ME. To him that overcometh will I grant to sit with ME in MY throne, even as I also overcame, and am set down with MY FATHER

in HIS throne [Christianity is not for wishy-washy, Casper Milk Toast people. Christianity is only for the strong]."

"After the death of Moses the servant of the LORD it came to pass, that the LORD spake unto Joshua the son of Nun, Moses' minister, saying, Moses MY servant is dead; now therefore arise, go over this Jordan, thou, and all this people, unto the land which I do give to them [not to any anti-Christ government, but to the people of GOD, the people of the Ten Commandments, the moral law of GOD], even to the children of Israel. Every place that the sole of your foot shall tread upon, that have I given unto you" (Joshua 1:1-3).<sup>6</sup>

When GOD gave land to Israel, and our land to us, HE (GOD) didn't mean for Israel or for us to give our land to what the Bible calls "the beast," the Antichrist, the one world government, the dreadful and terrible nation mentioned in Daniel 7:7: "and strong exceedingly [which must be resisted]; and it has great iron teeth [to devour us with, as it has been doing for many years]: it devours and breaks in pieces [it is breaking the entire world into pieces], and stamps the residue with the feet of it."

Chapter 13 of Revelation states, "And he [the One World anti-Christ Government] doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, And deceiveth them that dwell on the earth by the means of those miracles [warlike miracles, like hydrogen bombs, A-bombs, satellites, and drones] which he had power to do in the sight of the beast [Satan's One World Government of Rome]; saying to them that dwell on the earth, that they should make an image to the beast [we who are Christians are the image and likeness of GOD].<sup>7</sup> The im-

By reading all that you have in this literature, you should be able to see we are very close to all these events and to the end of time. You should see what they are doing, and you should know what the end of all these things shall be.

GOD told Joshua that no man shall "be able to stand before thee all the days of thy life: as I was with Moses, so I will be with thee: I will not fail thee, nor forsake thee. Be strong and of a good courage: for unto this people shalt thou divide for an inheritance the land, which I swear unto their fathers to give them. [If you're a Christian and you have earned the money to buy your land, it's your land. It does not belong to any satanic alien government. GOD gave it to you!] Only be thou strong and very courageous, that

thou mayest observe to do according to all the law, which Moses MY servant commanded thee: turn not from it to the right hand or to the left, that thou mayest prosper whithersoever thou goest. This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success" (Joshua 1:5-8).

I recently received a letter from a young man in one of the churches that I pastor for the LORD. He said he had a problem with pornography, and sincerely wanted to know how to defeat this problem. I told him that there is no shortcut, that he must keep his mind stayed upon the LORD for

the rest of his life if he's truly sincere about defeating Satan and his wicked, sensual thoughts.<sup>10</sup> Psalm 1:1-3 states, "Blessed is the man that walketh not in the counsel of the ungodly [such as pornography], nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the LORD; and in HIS law doth he meditate day and night. And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper."

Pray always that GOD will destroy the works of the devil.<sup>11</sup> Pray this prayer constantly. "Pray always" (Luke 21:36); "Pray without ceasing" (1 Thessalonians 5:17). Do this and live. Have faith in GOD'S power.<sup>12</sup>

## Mexico

*(Translated from Spanish)*

Greetings from Mexico. God bless and keep you forever, and may the angel of Jehovah encamp round about you and round about all the brothers and sisters in Christ from your ministries. I write you to inform you that I was in your ministry from approximately 1983 to 1986 and they were three wonderful years, working and contributing in God's work. After I left I grew cold, but the enormous mercy of our Savior Jesus Christ dealt with me strongly and I could not resist His immense love and grace. So I told Him, "Lord, make me willing to do your entire will." I therefore give thanks to my Heavenly Father through Jesus Christ for calling you because through your ministry I was saved and now I am distributing your literature to

every creature who accepts them. I am also taking your message to the churches who are not preaching His Word nor are they winning souls. These churches are asleep, they have become cold. God has put in my heart to pray for a revival in these churches and He is already doing it. Hallelujah! So please and in the name of Jesus Christ, send more literature because the work is expanding in the prisons, hospitals, and soon in rural areas.

Beloved Pastor Tony, I am praying and fasting for you and also that you are granted a new trial and that the lying tongue and the false testimony come to light. May God bless you richly. Yours in Christ, Abel Gutierrez G. León, Guanajuato, Mexico

**ARE YOU OWNED BY JESUS  
OR  
BY THE VATICAN (THE DEVIL)?**

*(Continued from page 7)*

Start out now by saying this prayer:

My LORD and my GOD, have mercy upon my soul, a sinner.<sup>13</sup> I believe that JESUS CHRIST is the SON of the living GOD.<sup>14</sup> I believe that HE died on the cross and shed HIS precious blood for the forgiveness of all my former sins.<sup>15</sup> I believe that GOD raised JESUS from the dead by the power of the HOLY SPIRIT,<sup>16</sup> and that HE sits on the right hand of GOD at this moment hearing my confession of sin and this prayer.<sup>17</sup> I open up the door of my heart, and I invite YOU into my heart, LORD JESUS.<sup>18</sup> Wash all of my filthy sins away in the precious blood that YOU shed in my place on the cross at Calvary.<sup>19</sup> YOU will not turn me away, LORD JESUS; YOU will forgive my sins and save my soul. I know because YOUR WORD, the Bible, says so.<sup>20</sup> YOUR WORD

says that YOU will turn no one away, and that includes me.<sup>21</sup> Therefore, I know that YOU have heard me, and I know that YOU have answered me, and I know that I am saved.<sup>22</sup> And I thank YOU, LORD JESUS, for saving my soul, and I will show my thankfulness by doing as YOU command and sin no more.<sup>23</sup>

Now that you are saved, serve GOD with all of your heart, soul, mind, and strength (Mark 12:30).<sup>24</sup>

Be baptized, fully submerged in water, in the name of the FATHER, of the SON, and of the HOLY SPIRIT.<sup>25</sup> Diligently study the King James Version Bible and do what it says till the day you die.<sup>26</sup>

Then, as JESUS commands, be a soul-winner. You can do this by becoming a distributor of Pastor Alamo's literature. We print Pastor Alamo's literature in many languages, and we ship it all over the world. We spend millions of dollars on paper and shipping, so we need your prayers and financial help.

If you want the world saved, as JESUS commands, then don't rob GOD of HIS tithes and offerings. GOD said, "Will [you] rob GOD? Yet ye have robbed ME. But ye say, Wherein have we robbed THEE? In tithes and offerings. Ye are cursed with a curse: for ye have robbed ME, even this whole nation [and this whole world]. Bring ye all the tithes [a 'tithes' is 10% of your gross income] into the storehouse, that there may be meat [Spiritual food] in MINE house [souls saved], and prove ME now herewith, saith the LORD of HOSTS, if I will not open you the windows of Heaven, and pour you out a blessing, that there shall not be room enough to receive it. And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast her fruit before the time in the field, saith the LORD of HOSTS. And all nations shall call you blessed: for ye shall be a delightsome land, saith the LORD of HOSTS" (Malachi 3:8-12).
