

# BILL CLINTON, THE POPE, AND I

by Tony Alamo aka Bernie Hoffman

Volume 24000

My first experience with Bill Clinton, the governor of Arkansas, was when I, Tony Alamo aka Bernie Hoffman, was driving back from Miami, Florida. This was after Susie, my wife, had passed away. I went to Florida to do a Christian work among the Marielitos who had come from Cuba. I heard that they were killing people in Miami, so I decided to go to Florida both to try to get Susie off of my mind (if possible) and to witness to the Marielitos so they would stop killing people.

After I won several of the Marielitos to the Lord, I headed back to Arkansas, where I had my main headquarters. I received a call on my car phone from a real estate friend of mine who had sold us most of our property in the Arkansas area. He asked me if I would like my friend in Little Rock to get rid of Mrs. Rappaport, the lady from Arkansas Child Welfare Services who was causing us so much trouble by persecuting us with very false accusations. She was marching on our property on Georgia Ridge with soldiers and with members of every government agency you can think of, causing us a lot of problems. This group would frighten our children out of their wits because they had guns and were uniformed. Mrs. Rappaport was doing this to look like a hero, since the media was doing a smear campaign against Christian groups, calling them cults. Mrs. Rappaport led multiple raids on our church, and the media printed all kinds of bad stories about us because of these raids and because of the false words she said about us.

I told my real estate friend, "No. I'd rather know for sure that it is God delivering us than the governor or anyone else." He said, "Are you sure?" I said, "Yes, Bobby. Thank you, though, and thank the governor for me also." He said, "All right."

The next day, when I arrived in Arkansas, I read in the Fort Smith, Arkansas newspaper, the *Southwest Times Record*, that Mrs. Rappaport had been fired and was banned from working in any government job for the rest of her life. I couldn't understand why Bill Clinton was being so nice to our church and me, because I really didn't know him.

After a week or so, Bill Clinton told me he would give me the right to open a big theme park on our property, on the top of a mountain range above Alma and Dyer, Arkansas, where everyone below could see it. However, I had heard about an evangelist who did just that. He was arrest-

*Bill Clinton with Pope John Paul II*

ed and put in prison for it, so I decided we were not going to do that.

Another time, the mayor of Dyer, Arkansas asked me, "Why don't you send a letter to Clinton and ask him for a fire station for Dyer? He's treating you real good lately." I told him that I just heard Clinton on the radio saying there was no money available for new projects. He told me, "Write the letter anyway. I'm sure he'll do it." I wrote the letter, and I told Bill Clinton we had a lot of property there in Dyer with no fire station to protect it. Clinton immediately approved a new fire truck and fire station for Dyer.

Soon after that, I received a message from the Lord that I had to move our church into several different areas because of some great danger. I realized I had to move quickly, so I did. I kept the Arkansas and the Los Angeles properties. Then we moved some of our people to New York, New Jersey, Cleveland, Chicago, Nashville, and several other cities.

After doing this, I found out that for some reason Clinton had gone sour on us, and I had no idea why. One of the people in my church stated that Bill Clinton had written a bad story about me in his book, titled *My Life*, on pages 169-170. I started wondering if Clinton did these favors for me to pretend that he was for us instead of against us. Somebody gave me a book where Clinton's own men said he was using them to hustle women for him. Clinton would say in a crowd of people, "You see that woman in the third row? I think she likes me. Ask her if she'd like to go to lunch with me." His men would do it. A lot of books like this were published, but I didn't know about them until I was made aware of them.

When Clinton became president, the government raided Waco and killed a lot of innocent, true Christian men, women, and children there. I did not know them, but I found out that they were a group of really good people. I have heard other stories about them too, but I did not know them. I also heard that Hillary was the main force behind the Waco massacre, but I have no first-hand knowledge of that. Janet Reno was in it with Clinton. I watched Bill Clinton on television when he said, "Maybe this will teach people to never join a cult." He added, "And there are many cults like that in my state of Arkansas," where he had been governor for several years. He said they were going to get rid of them as well. He was referring to us!!! It was too late, however, because I had already moved our congregation to several other states. I

knew Clinton was doing his best to make us look like a cult. I thought, wow, this guy is really a great deceiver.

A few years later, Clinton stated on television that the worst mistake he made while he was in office was to have all those people in Waco killed because they were really not guilty of any wrongdoing, just as we are not guilty of any wrongdoing. Before all this, he said that the Christians in Waco were a dangerous cult. I wondered what they did that was dangerous. And why were members of the military in a tank shooting at our own people? They were not a cult at all.

I couldn't figure out why Clinton reversed his thinking about me. Then I remembered I saw pictures of him really warming up to the Pope while he was in Rome. The Pope has never liked me, because I exposed his cult as being very satanic. They have murdered millions of people.<sup>1</sup> The Pope hates me and the work of God our group has done. One thing we did was expose his dangerous cult for what it is—it is dangerous because, again, they have literally murdered millions of good Christian people. He's never going to give up any more than I will.

An Arkansas sheriff and many police officers have told me that we were supposed to have been Waco. I found out that Clinton was Catholic. He went to Catholic schools like Georgetown University, a Catholic Jesuit-run institution that teaches hatred towards true Christianity. The Pope had been persecuting us for years before the Waco massacre.

Recently, one of our people was at a Clinton rally. He asked, "Hey, Bill, why don't you help get Tony out, because he's not guilty. It's just another persecution coming from the government." Bill said, "Oh, I thought that Tony Alamo was dead." He knows that I am not dead. I think I appear in his nightmares every night.

Again, the biggest cult in the world is the Vatican. It is actually Satan's church.<sup>2</sup> It shows up all the time on television, on the radio, in the newspapers, and in its persecution towards us and other true Christian churches. I know that it's Clinton, all the Catholic judges, and the Vatican itself who are responsible for me being in prison. They are also the ones who persecuted me and sent me to prison on false charges for all these years. They spent years trying to get rid of me. They gave me a six-year sentence in prison for tax evasion. However, we were always tax-exempt. We had not used any government money at all. As a matter of fact, I gave \$45.00 to the IRS, which I didn't owe at all. And that's why they figured I owed them six years of my life.

I know that the Cult Awareness Network, now called Wellspring Retreat, is a Catholic, Vatican government agen-

cy that has done many things to try and stop us from continuing our work. The government brought Sun Myung Moon into the United States because his group was obviously a cult. The government also financed Jim Jones and his group. The media told us of the horrible things this group did so that people could see how dangerous cults were, and then they tossed us in with them. But believe me, I'm not a cult; I am not part of a cult. I'm not Jim Bakker; I'm not Sun Myung Moon; I'm not Jim Jones. No one in our group is like any one of them.

I've served the Lord for over fifty years now, feeding, clothing, and housing thousands of people, buying water wells and truckloads of food for people in Africa, and helping people all over the world.

So many wild tales have gone out about Susie and myself over the last few decades. Bill Clinton wrote several of them in his book, titled *My Life*, on pages 169-170. He said that I was a pretty good promoter, and since Susie is gone, I don't have anything to promote. (I don't know what Bill is talking about, that I'm supposed to have promoted Susie. Everybody in the

church promoted the gospel, the same as Susie and I did. All we did was take the gospel to the streets. Hundreds of us witnessed to people. That's how we got started, and that's how we are still operating today. However, after Susie died, I had to bring in most of the finances that came into the church, if that's what he means by promotion.)

If I ever asked Susie, "Should I do this in business, or do that in business?" or asked if I should build a house or a building for one thing or another, she would say, "You know that I don't do that. You're Tarzan and I'm Jane. You know that you do all of that." I would never be so stupid as to ask her if I should do this or that. She never took part in any of that at all.

On top of my many responsibilities for running the church, the IRS and several other agencies pulled me into court. They stole all of our property, and they kicked everybody out on the street. I had to find new living facilities for our people. I was in a continuous state of finding ever more places for our people to live and new ways to put food on the table.

Clinton misrepresented us greatly in his book when he stated we were running a large farming operation. The Lord has always forbidden me to go into the farming business. I never did. I never had truckloads of food from this non-existent farm brought from Los Angeles to Arkansas. That never happened. And this man, who stated this was his

*Bill and Hillary Clinton with Pope John Paul II*

first encounter with us, obviously showed how little he knew about us by saying all these false things.

Clinton wrote that I announced that God told me He would raise Susie from the dead someday. God told Sue and me that she was going to die, and that she'd be gone for quite a while, but after that, she would be raised from the dead, and we would be the two witnesses mentioned in chapter eleven of the book of Revelation in the Bible.

Bill Clinton also stated that I put Susie in a glass box in our house, and was going to keep her there until the day God raised her up from the dead. None of these things are the truth. If you'll read the statement from Edwards-Fentress Funeral Home, you'll see that we had a normal funeral.<sup>3</sup> Hundreds of people attended. Her casket was a Batesville A-40 18-gauge steel casket. There was no glass in it at all. You can see everything Bill Clinton says is a rotten lie. He says those things to make people think we are a cult, and that we do weird things. He tells the same story that the Pope told him to spread to make you think we are extremely dangerous. However, none of it is true. That never happened, and I have hundreds of people as witnesses, as well as the Edwards-Fentress Funeral Home itself. With Bill Clinton, this is a repeat performance.

I never tried to keep our "empire" going, as Clinton said. He also said a promoter is lost without his product. Susie was not my product at all. She was the only one I ever loved in my entire life, and not just because of what most people call love. I loved her because she was my life. I had to have her to live. She caused me to want to live. She was faithful, she was true, and I knew that she was of God. I don't know anybody that really loves anybody that way in this world.

Clinton said that when he was the governor, I got into a big fight with the government over unpaid taxes. Again, I am and have been tax-exempt for over fifty years. We are a church, not a cult, and we're not a government agency cult. Mr. Clinton stated that I "staged a brief, nonviolent standoff" with the government around my house. This is a total lie. We've never had a standoff with the government. The only thing that the government ever did was persecute us.

Clinton stated that a few years after Susie died, I got involved with a younger woman. What for? None of the young women I know have any spiritual rationale. Then Clinton said, "Lo and behold, God spoke to [me] again and told [me] Susan wasn't coming back after all." This again is a lie. It's amazing how he started off saying he didn't know me, mentioning this was his first encounter with me, yet he supposedly knew all these things God said to me. I never said what he is saying. This man is a pathological liar. These statements are all lies, and they have the earmarks of the Pope. This is nothing new. This is an old, old story.

If you want to become President or someone in a high position in the government, you'd better do what the Pope says, or you'll never make it. From the beginning of history,

we can see there is only one reason Clinton made such a radical change, from blessing me by eliminating Mrs. Rappaport and then turning on me as he did in these statements. The golden rule of the Vatican is that you never bless people that expose the Pope or his religion. That's where Bill Clinton got into it, was by blessing me. Of course, he didn't know what he was doing at the time that he helped me, but the Pope brought him up to speed insofar as the Pope and his intelligence is concerned. You don't, according to the Vatican, ever bless anyone that has exposed them. This is the reason Bill's life has gone completely downhill. He dared to do such an obnoxious, atrocious thing as blessing Tony Alamo ka Bernie Hoffman by getting rid of Mrs. Rappaport and by offering the hillside of Arkansas to me.

The Vatican brought about all of the famous wars throughout history. Today's wars, the wars between Germany and the United States, and the war between Japan and the United States, were all Vatican-related. Hitler was studying to be a Catholic priest. I've mentioned that in literature dating back many years. The solution is to stay away from it; don't get involved with it at all because the Vatican is Satan's church, and you will go to Hell.<sup>4</sup> All one needs to do is order all my Pope-related literature, and you'll more than understand why.

In addition, there was a time when John Peeler of the FBI was told to kill me. After visiting our church in Arkansas for a while without revealing his identity, Peeler came to the conclusion that my church and I were squeaky-clean. Because he refused to follow his orders to kill me, his son, John Peeler, Jr., was falsely charged and convicted of murder in Arkansas. He is in prison to this very day.

Government agencies have persecuted me for years. Years ago, I had the world's greatest jacket line. My jackets were in Neiman Marcus, Bebe Sportswear, Cignal stores, Merry-Go-Round, and hundreds of other stores. I even had a boutique at Macy's in New York.

The government agencies went to these stores, telling them these jackets were made with child labor. There's no way that my clothes could be made by children. They were the most exclusive and expensive clothes in the world. They threatened the stores, telling the managers that if they didn't stop selling my clothes, they would close the stores down. Naturally it scared the owners of these stores, so they stopped selling my jackets, which were their best money-makers.

There are so many more times that we have been lied about and persecuted through the years that space doesn't allow me to tell it all. The things I have said in this literature are absolutely 100% true.

As far as Clinton saying I had nothing more to promote, the whole world is full of things to promote. Now it's your turn, Bill Clinton!

It's important for you to understand all these things because it has to do with where your eternal soul is going to spend eternity. The most important thing for you to do is to

become born-again.<sup>5</sup> It would behoove you to study so that you can determine where you want to spend eternity and if your soul is going to rest eternally with Christ.

The thing Satan wants more than anything is to destroy your soul so that you can't get into Heaven. Don't let it happen to you! To get started with the Lord, you must repent. Say this prayer of repentance and be saved:

**My LORD and my GOD, have mercy upon my soul, a sinner.<sup>6</sup> I believe that JESUS CHRIST is the SON of the living GOD.<sup>7</sup> I believe that HE died on the cross and shed HIS precious blood for the forgiveness of all my former sins.<sup>8</sup> I believe that GOD raised JESUS from the dead by the power of the HOLY SPIRIT,<sup>9</sup> and that HE sits on the right hand of GOD at this moment hearing my confession of sin and this prayer.<sup>10</sup> I open up the door of my heart, and I invite YOU into my heart, LORD JESUS.<sup>11</sup> Wash all of my filthy sins away in the precious blood that YOU shed in my place on the cross at Calvary.<sup>12</sup> YOU will not turn me away, LORD JESUS; YOU will forgive my sins and save my soul. I know because YOUR WORD, the Bible, says so.<sup>13</sup> YOUR WORD says that YOU will turn no one away, and that includes me.<sup>14</sup> Therefore, I know that YOU have heard me, and I know that YOU have answered me, and I know that I am saved.<sup>15</sup> And I thank YOU, LORD JESUS, for saving my soul, and I will show my thankfulness by doing as YOU command and sin no more.<sup>16</sup>**

After salvation, Jesus said to be baptized, fully submerged in water, in the name of the Father, and of the Son, and of the Holy Spirit.<sup>17</sup> Then study the King James Version Bible, and, for your benefit and the benefit of others, do what it says.<sup>18</sup>
